Mr John F Carter Regional Director
FDIC 25 Jessie St at Ecker Square Ste 2300
SAF, CA 95105

2005 OCT 27 AM 9 50

Dear Mr. Carter,

I am writing to express my opposition to allowing Walmart to be allowed to enter the banking business. As a bank customer, & U.S. citizen, I believe that banking should be left to honest professional bankers who represent the interests of their customers while making a fair + reasonable profit and helping to stabilize the American financial + economic system.

Thank you

D Canon
