

AGENDA

1:00pm – Welcome Remarks

1:05pm – **Improving Financial Regulation (RegTech/SupTech)**

Join us for a panel discussion on state, national, and international perspectives on technologies that support regulatory agency functions, regulatory frameworks and processes, and innovations in the financial regulatory domain. How can new technology enable innovation that leads to better outcomes for consumers, banks, and regulators?

2:00pm – Q&A Session

2:25pm – Closing Remarks
