Dear Gentlemen:

Wilbur Barnes
Treasurer

On behalf of the Board of Directors for Rebuilding Broken Places, I want you to know that we strongly oppose the rule that proposes to change the Community Reinvestment Act regulations. It is our belief, that the adoption of this rule will undermine our communities and the people who need help the most.

Antoinette Gardner
Secretary

Rochelle Herring

For whatever reason it seems like everytime poor communities are able to take a step forward, a change in public policy puts them right back were they were. We ask that you please do not adopt this rule.

Respectfully,
