Executive Secretary  
Attn: Comments, Federal Deposit Insurance Corporation  
17<sup>th</sup> Street NW.,  
Washington, DC 20429

Mr. Robert E. Feldman:

This letter is in response to a call of action and request for comments by the Federal Deposit Insurance Corporation regarding Industrial Loan Companies and Industrial Banks. Referring to the Federal Registry Vol. 71 No. 163/ published on Wednesday, August 23, 2006, (notices), page 49458, Section II, titled "Questioned Posed by the FDIC" Question 10 and 11. We would like to attest that many Industrial Banks in Utah have been very generous contributors to our local community, helping many underserved minority individuals and families.

The Industrial Loan Companies and Industrial Banks' annual contributions are an essential financial support to many non-profit organizations that help our community in many divers' ways. We would like to bring to your attention and request your consideration on this important beneficial public factor brought by the contributions of all the ILC and Industrials banks.

Sincerely,

Rod Castillo
