Dear Robert Feldman:

This is a protest letter giving bankers' views on the UNFAIR one-time special assessment proposed by the FDIC on all banks. Their purpose is to replenish the FDIC fund because of the unwise actions of a few banks which is causing massive losses. This FDIC proposed action will be a very significant expense for our bank, the other 8,400 banks in the country, and it also affects you.

Sincerely,
Venice Yoder
