Re: Legacy Bank (In Organization) Murrieta, Riverside County, California

Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act ("FDI Act") (12 U.S.C. § 1815), the Federal Deposit Insurance Corporation ("FDIC") received an Interagency Charter and Federal Deposit Insurance Application filed on behalf of Legacy Bank ("Bank"), a proposed new community bank that will be located in Murrieta, California. The application is intended to establish a newly-chartered state nonmember commercial bank. The organizers concurrently applied to the California Department of Financial Protection and Innovation ("CDFPI") for a state bank charter to form a de novo commercial bank to be known as Legacy Bank.

Notice of the Federal Deposit Insurance application, in a form approved by the FDIC, was initially published pursuant to the FDI Act on November 14, 2019. The Bank's minimum opening capital of \$25,000,000 will be provided by the Soboba Tribe through a to-be-established holding company, Legacy Bancorp, which will be 100% owned by the Soboba Tribe.

The Bank's business plan is to operate a state-chartered nonmember community bank that provides banking services in the greater Riverside County, California market area. The Bank will offer traditional products and services and will be overseen by an experienced management team, including a diversified and knowledgeable Board of Directors who is committed to serving the local community.

The Bank will operate with sufficient capital and managerial resources to accomplish the strategies and goals in the business plan. The Bank will be capitalized with an amount sufficient to achieve and maintain a Tier 1 capital to assets leverage ratio, as defined in the capital regulations of the FDIC, of not less than ten percent (10.00%) throughout the Bank's first three years of operation. Projected growth and future earnings prospects appear attainable. The Bank's plans appear to satisfy the convenience and needs of the community. Corporate powers to be exercised are consistent with the purposes of the FDJ Act, and no undue risk to the Deposit Insurance Fund is evident.

Accordingly, based upon a careful evaluation of all available facts and information, and in consideration of the factors of Section 6 of the FDI Act, the San Francisco Regional Director, pursuant to delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
