Re: Springfield First Community Bank (Proposed)  
Springfield, Greene County, Missouri  
Application for Federal Deposit Insurance  
(Deposit Insurance Fund)

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Springfield First Community Bank, a proposed state chartered nonmember bank to be located at 2006 South Glenstone, Springfield, Greene County, Missouri 65804.

The bank will be 100% owned by Springfield Bancshares, Incorporated (SBI), Springfield, Missouri, a proposed one-bank holding company being formed to hold bank stock. SBI will initially capitalize the bank with \$20,150M and total assets are projected to increase to \$204 million by the end of the third year of operation. The bank will offer traditional banking products and services to consumers and businesses located primarily in the Springfield market.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to the proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.

Dated at Kansas City, Missouri, this 22nd day of September, 2008.
