I listened to most of the broadcast yesterday.

My comments are to allow CFPB director Rohit Chopra to deliver what he knows best to do. He is doing a great job w/CFPB. He has detailed knowledge on items/reports that are accurate, inaccurate, unreported or wrong. He knows what he is doing and isn't afraid to go ahead with the best and most reliable decisions.

You have a good team on FDIC right now who are increasingly talented and have the best interest of the consumer in mind.

Let them work it out and proceed as they need.
