Schedule RC-R—Regulatory Capital

This schedule must be completed by all banks as follows: Banks that reported total assets of \$1 billion or more in Schedule RC, item 12, for June 30, 1999, must complete items 2 through 9 and Memoranda items 1 and 2. Banks with assets of less than \$1 billion must complete items 1 through 3 below or Schedule RC-R in its entirety, depending on their response to item 1 below.

1. Test for determining the extent to which Schedule RC-R must be completed. To be completed

only by banks with total assets of less than \$1 billion. Indicate in the appropriate box at the right

YES

NO

whether the bank has total capital greater than or equal to eight percent of adjusted total assets RCON 6056

1.

For purposes of this test, adjusted total assets equals total assets less cash, U.S. Treasuries, U.S. Government agency obligations, and 80 percent of U.S. Government-sponsored agency obligations plus the allowance for loan and lease losses and selected off-balance sheet items as reported on Schedule RC-L (see instructions).

If the box marked YES has been checked, then the bank only has to complete items 2 and 3 below. If the box marked NO has been checked, the bank must complete the remainder of this schedule.

A NO response to item 1 does not necessarily mean that the bank's actual risk-based capital ratio is less than eight percent or that the bank is not in compliance with the risk-based capital guidelines.

NOTE: All banks are required to complete items 2 and 3 below. See optional worksheet for items 3.a through 3.f.
