

## **Bank Leumi le-Israel B.M., Tel-Aviv, Israel**

### **2013 Resolution Plan – Public Section**

#### **I. Executive summary – 12 C.F.R. §§ 243.8(c), 381.8(c)**

Bank Leumi is a publicly held banking corporation organized and operating under Israeli law, and subject to comprehensive supervision by the Bank of Israel. With total assets of over \$100 billion,<sup>1</sup> it is one of the largest banking groups in Israel, and conducts a variety of banking, financial and non-banking activities through over 300 offices in Israel and in more than a dozen other countries.

In the United States, Bank Leumi owns (through BLLC, a New York-incorporated bank holding company), BLUSA, a New York state-chartered non-member FDIC-insured bank that operates branches in New York, California, Illinois, and Florida and a representative office in Israel. BLUSA in turn owns LISI, a New York-incorporated SEC-registered broker-dealer with offices in New York, California, Florida, and Illinois. Bank Leumi also operates the NY Agency, an uninsured New York state-licensed agency. These US operations have combined assets of approximately \$5.4 billion.

Despite the relatively limited size of its US operations, Bank Leumi is subject to US resolution planning requirements under the Dodd-Frank Wall Street Reform and Consumer Protection Act because it has consolidated assets on a global basis of over \$50 billion. However, although it is therefore classified as a foreign-based covered company subject to these requirements, Bank Leumi is eligible to file an abbreviated or “tailored” resolution plan by virtue of the size and structure of its US operations. In addition to being able to file a tailored plan, Bank Leumi also has determined, consistent with the Regulations and applicable guidance, that it has no critical operations, core business lines, or material entities that are located in the United States or conducted in whole or material part in the United States. Accordingly, Bank Leumi’s plan is substantially abbreviated and its plan and this Executive Summary do not include much of the information that would otherwise be required by the Regulations (12 C.F.R. §§ 243.8(c), 381.8(c)).<sup>2</sup>
