

Small Bank Assessment Credits

- There are **5,210** FDIC-insured banks that have small bank assessment credits totaling **\$764 million** as of June 30, 2019.
- **\$320 million** of credits will be used for the second quarter 2019 assessment.
- **\$445 million** (58%) in credits remain after the initial application.
- Remaining credits are expected to be used as follows:

Quarter of credit use	Total credit used during the quarter	Credits Remaining
Q2 - 2019	\$320 million	\$445 million
Q3 - 2019	\$238 million	\$207 million
Q4 - 2019	\$144 million	\$63 million
Q1 - 2020	\$57 million	\$6 million
