OFFICE OF THE CHAIRMAN

February 15, 2017

Dear Sir,

In accordance with:

- ♦ the provisions of Section 17(a) of the Federal Deposit Insurance Act,
- ♦ the Chief Financial Officers Act of 1990, Public Law 101-576,
- ♦ the Government Performance and Results Act of 1993 (as amended) and the GPRA Modernization Act of 2010,
- ♦ the provisions of Section 5 (as amended) of the Inspector General Act of 1978,
- ♦ the Reports Consolidation Act of 2000, and
- ♦ the provisions of the Fraud Reduction and Data Analytics Act of 2015,

the Federal Deposit Insurance Corporation (FDIC) is pleased to submit its 2016 Annual Report (also referred to as the Performance and Accountability Report), which includes the audited financial statements of the Deposit Insurance Fund and the Federal Savings and Loan Insurance Corporation (FSLIC) Resolution Fund.

In accordance with the Reports Consolidation Act of 2000, the FDIC assessed the reliability of the performance data contained in this report. No material inadequacies were found, and the data are considered to be complete and reliable.

Based on internal management evaluations, and in conjunction with the results of independent financial statement audits, the FDIC can provide reasonable assurance that the objectives of Section 2 (internal controls) and Section 4 (financial management systems) of the Federal Managers' Financial Integrity Act of 1982 have been achieved, and that the FDIC has no material weaknesses. However, the U.S. Government Accountability Office did identify information technology issues that aggregate to a significant deficiency. The FDIC has efforts underway to address this deficiency. We are committed to maintaining effective internal controls corporate-wide in 2017.

Sincerely,

Martin J. Gruenberg Chairman

martin J. Drumberg

The President of the United States

The President of the United States Senate
