The FDIC considered the matter and determined that it had reason to believe that the Bank had engaged in unsafe or unsound banking practices and had violated laws and/or regulations. The FDIC, therefore, accepted the CONSENT AGREEMENT and issued the following:

IT IS FURTHER ORDERED, that the Bank, its institution-affiliated parties and its successors and assigns take affirmative action as follows:

CAPITAL

1. (a) The Bank shall achieve and maintain the following minimum capital levels (as defined in Part 325 of the FDIC's

Rules and Regulations), after establishing an adequate allowance for loan and lease losses:

(i) From the effective date of this Order until February 4, 2009, Tier 1 capital at least equal to 7.5 percent of total assets; from February 5, 2009, until June 30, 2009, Tier 1 capital at least equal to 8 percent of total assets; and from July 1, 2009, until this Order is terminated, Tier 1 capital at least equal to 9 percent of total assets;

(iii) Total risk-based capital at least equal to 11 percent of total risk-weighted assets until December 31, 2008, and thereafter at least equal to 12 percent of total risk-weighted assets.

(b) In addition, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, App. A.

(c) Any increase in capital necessary to meet the requirements of the provisions of this paragraph may be accomplished by the following:

(i) The sale of new securities in the form of common stock;

(ii) The sale of noncumulative perpetual

preferred stock;

(iii) The direct contribution of cash by the directors, shareholders, or parent holding company of the Insured Bank; or

(iv) Any other method acceptable to the FDIC and the Arkansas State Bank Department ("ASBD"), and approved in advance in writing by the Regional Director and the Commissioner of the ASBD ("Commissioner").

(d) No increase in Tier 1 capital necessary to meet the requirements of this ORDER may be accomplished through a deduction from the Bank's allowance for loan and lease losses or other reserve accounts. Further, the Bank shall not lend funds directly or indirectly, whether secured or unsecured, to any purchaser of Bank or affiliate stock or other securities, or to any investor by any other means for any portion of any increase in Tier 1 capital required herein.

(e) If all or part of the increase in capital required by the provisions of this paragraph is accomplished by the sale of new securities, the board of directors of the Bank shall adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the

Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the Regional Director and the Commissioner, and the FDIC's Registration, Disclosure, and Securities Unit, 550 17th Street, N.W., Room F-6053, Washington, D.C. 20429 for review. Any changes requested by the FDIC or the ASBD to be made in the plan or materials by the FDIC and/or the ASBD shall be made prior to their dissemination. If the Regional Director and the Commissioner allow any part of the increase in Tier 1 capital to be provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to the interest rate and any convertibility factor, shall be presented to the Regional Director and the Commissioner for prior approval.

(f) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned

or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 30 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(g) For purposes of this ORDER, all terms relating to capital shall be calculated according to the methodology set forth in Part 325 of the FDIC's Rules and Regulations.

Within 30 days of receipt of all such comments from the Regional Director and the Commissioner, and after consideration of all such comments, the Bank shall approve the revised plan, which approval shall be recorded in the minutes of the meeting of the board of directors. Thereafter, the Bank shall implement and fully comply with the concentration plan.

(c) The Bank shall not make any new extensions or commitments of credit to or for the benefit of any borrower or associated entities so long as such extension or commitment would result in the Bank exceeding any limit contained in the concentration plan.

ASSETS

Charge-Off of Adversely Classified Assets

4. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the Report of Examination that have not been previously collected or charged off.

(b) Additionally, as long as this ORDER remains in effect, within 30 days after the receipt of any future Report of

Examination or Visitation of the Bank from the FDIC and/or the ASBD, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the Report of Examination that have not been previously collected or charged off.

(c) Elimination or reduction of assets through proceeds of other loans made by the Bank is not considered collection for purposes of this provision.

Reduction Of Adversely Classified Assets

5. (a) Within 90 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank's risk exposure in each asset in excess of \$500,000 classified "Substandard" in the Report of Examination. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the FDIC and/or the ASBD. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) In addition, the plan mandated by this provision shall also include, but not be limited to, the following:

(i) A schedule for reducing the outstanding dollar amount of each adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each adversely classified asset must show its expected dollar balance on a quarterly basis);

(ii) Specific action plans intended to reduce the Bank's risk exposure in each classified asset;

(iii) A schedule showing, on a quarterly basis, the expected consolidated balance of all adversely classified assets, and the ratio of the consolidated balance to the Bank's projected Tier 1 capital plus the allowance for loan and lease losses;

(iv) A provision for the Bank's submission of monthly written progress reports to its board of directors; and

(v) A provision mandating board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the board of directors.

(c) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely

classified assets. The plan may include a provision for increasing Tier 1 capital when necessary to achieve the prescribed ratio.

(d) The Bank shall immediately, after board approval, submit the plan to the Regional Director and the Commissioner for review and comment. Within 30 days from receipt of any comment from the Regional Director and the Commissioner, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the meeting of the board of directors. Thereafter, the Bank shall implement and fully comply with the plan.

Restrictions On Advances To Adversely Classified Borrowers

6. (a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or classified "Loss" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) The provisions of Paragraph 6(a) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank.

Prior to extending additional credit pursuant to this paragraph, whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Bank's board of directors, or a designated committee thereof, who shall certify, in writing:

(i) Why failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;

(ii) That the extension of such credit would improve the Bank's position, including an explanatory statement of how the Bank's position would improve; and

(ii) That an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

The signed certification shall be made a part of the minutes of the meeting of the board of directors, or designated committee, with a copy retained in the borrower's credit file.

(b) While this ORDER is in effect, the Bank shall not make any further extensions of credit, directly or indirectly, to any borrower whose loans are adversely classified "Substandard" or "Doubtful" by the FDIC and/or the ASBD, without prior approval by the Bank's board of directors. The Bank's board of directors shall not approve the proposed extension without first making affirmative determinations that:

(i) The extension of credit is in full

compliance with the Bank's loan policy;

(ii) The extension of credit is necessary to protect the Bank's interests, or is adequately secured;

(iii) The Bank found the primary and secondary obligors to be creditworthy based on a credit analysis; and

(iv) All necessary loan documentation is on file, including, at a minimum, current financial and cash flow information, and satisfactory appraisal, title and lien documents.

(c) The affirmative determination shall be recorded in the minutes of the meeting of the board of directors, with a copy retained in the borrower's credit file.

Reduction Of Delinquencies

7. Within 90 days from the effective date of this ORDER, the Bank shall formulate, adopt, and implement a written plan for the reduction and collection of delinquent loans. For purposes of this provision, "reduce" means to charge-off or collect. The plan shall include, but not be limited to, provisions which:

(i) Prohibit the extension of credit for the payment of interest or fees;

(ii) Delineate responsibilities for implementing and monitoring the Bank's collection policies;

(iii) Establish specific collection actions and

procedures to be instituted at various stages of a borrower's delinquency;

(iv) Establish specific dollar levels to which the total dollar volume of delinquencies will be reduced and the projected timeframes for achieving the projected reduction; and

(v) Provide for the submission of monthly written progress reports to the Bank's board of directors for review and notation in minutes of the meetings of the board of directors.

Correction Of Technical Exceptions

8. (a) Within 120 days from the effective date of this ORDER, the Bank shall correct the exceptions listed on the "Assets with Credit Data or Collateral Documentation Exceptions" pages of the Report of Examination. All attempts to correct exceptions shall be documented in the borrowers' credit files. In all future operations, the Bank shall ensure that all necessary supporting documentation is obtained and evaluated before any credit or loan is extended or renewed by the Bank.

(b) Progress reports detailing each outstanding exception and the Bank's plan for corrective action shall be submitted to the board for review during each regularly scheduled meeting. The review shall be noted in the minutes of the meeting of the board of directors.

Implementation Of Loan Review

9. (a) Within 90 days of the effective date of this ORDER, the board shall enhance, adopt, and implement the Bank's program of independent loan review that will provide for a periodic review of the Bank's loan portfolio and the identification and categorization of problem credits. At a minimum, the system shall provide for:

(i) Prompt identification of loans with credit weaknesses that warrant the special attention of management, including the name of the borrower, amount of the loan, reason why the loan warrants special attention; and assessment of the degree of risk that the loan will not be fully repaid according to its terms;

(ii) Action plans to reduce the Bank's risk exposure from each identified relationship;

(iii) Prompt identification of all outstanding balances and commitments attributable to each obligor identified under the requirements of subparagraph (i), including outstanding balances and commitments attributable to related interests of such obligors, including the obligor of record, relationship to the primary obligor identified under subparagraph (i), and an assessment of the risk exposure from the aggregate relationship (in assessing risks of obligors who have multiple corporate interests for which the obligor has

direct or indirect repayment responsibility, the analysis shall include a global cash flow analysis which includes cash generated and required for all such obligations);

(iv) Identification of trends affecting the quality of the loan portfolio, potential problem areas, and action plans to reduce the Bank's risk exposure;

(v) Assessment of the overall quality of the loan portfolio;

(vi) Identification of credit and collateral documentation exceptions and an action plan to address the identified deficiencies;

(xi) A mechanism for reporting periodically, but in no event less than quarterly, the information developed in (i) through (viii) above to the board of directors. The report should also describe the action(s) taken by management with respect to problem credits.

(b) Upon implementation, a copy of each report shall be submitted to the board, as well as documentation of the actions taken by the Bank or recommendations to the board that address identified deficiencies in specific loan relationships or the Bank's policies, procedures, strategies, or other elements of the Bank's lending activities. Such reports and recommendations, as well as any resulting determinations, shall be recorded and retained in the minutes of the meeting of the board of directors.

10. (a) Within 90 days from the effective date of this ORDER, and annually thereafter, the board of directors of the Bank shall review the Bank's loan policies and procedures for adequacy and, based upon this review, shall make all appropriate revisions to the policies and procedures necessary to strengthen the Bank's asset quality and lending functions and to prevent further deterioration. As required by this paragraph, the Bank's loan policies shall be enhanced to include, at a minimum, provisions that address those deficiencies identified on page 20
