16. (a) Within 60 days after the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director and the Commissioner for review and comment a written profit plan and a realistic, comprehensive budget for all categories of income and expense for calendar years 2008 and 2009. The plan required by this paragraph shall contain formal goals and strategies, be consistent with sound banking practices, reduce discretionary expenses, improve the Bank's overall earnings, and shall contain a description of the operating assumptions that form the basis for major protected income and expense components.

(b) Within 30 days after the end of each calendar quarter following completion of the profit plan and budget required by this paragraph, the Bank's board of directors shall evaluate the Bank's actual performance in relation to the plan and budget, record the results of the evaluation, and note any actions taken by the Bank in the minutes of the board of directors' meeting at which such evaluation is undertaken.

(c) A written profit plan and budget shall be prepared for each calendar year for which this ORDER is in effect and shall be submitted to the Regional Director and the Commissioner for review and comment within 30 days after the end of each year. Within 30 days after receipt of all such comments from the Regional Director and the Commissioner and after adoption of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of a board of

directors' meeting. Thereafter, the Bank shall implement and follow the plan.

17. (a) Within 60 days after the effective date of this ORDER, the Bank shall develop and submit to the Regional Director and the Commissioner for review and comment a written plan addressing liquidity, the Bank's relationship of volatile liabilities to temporary investments, and rate sensitivity objectives. Annually thereafter, while this ORDER is in effect, the Bank shall review this plan for adequacy and, based upon such review, shall make necessary revisions to the plan to strengthen funds management procedures. The initial plan shall include, at a minimum, provisions:

- (i) Establishing limitations on the total loan to total assets ratio which, within 120 days after the effective date of this ORDER, shall be reduced to not more than 80 percent. The requirements of this paragraph shall not be construed as standards for future operations, and the Bank's total loan to total asset ratio shall be monitored on a monthly basis and maintained at a level consistent with safe and sound banking practices;
- (ii) Establishing a reasonable range for its net non-core funding ratio as computed in the Uniform Bank Performance Report;

- (iii) Identifying the source and use of borrowed and/or volatile funds;
- (iv) Establishing lines of credit at correspondent banks, including the Federal Reserve Bank of Dallas or the Federal Home Loan Bank of Dallas, that would allow the Bank to borrow funds to meet depositor demands if the Bank's other provisions for liquidity proved to be inadequate;
- (v) Requiring the retention of securities and/or other identified categories of investments that can be liquidated within one day in amounts sufficient (as a percentage of the Bank's total assets) to ensure the maintenance of the Bank's liquidity posture at a level consistent with short- and long-term liquidity objectives;
- (vi) Establishing a minimum liquidity ratio and defining how the ratio is to be calculated;
- (vii) Establishing contingency plans by identifying alternative courses of action designed to meet the Bank's liquidity needs;
- (viii) Addressing the use of borrowings (i.e., seasonal credit needs, match funding

mortgage loans, etc.) and providing for reasonable maturities commensurate with the use of the borrowed funds; addressing concentration of funding sources; and addressing pricing and collateral requirements with specific allowable funding channels (i.e., brokered deposits, internet deposits, Fed funds purchased and other correspondent borrowings); and

- (ix) Establishing procedures for managing the Bank's sensitivity to interest rate risk which comply with the Joint Agency Statement of Policy on Interest Rate Risk (June 26, 1996), and the Supervisory Policy Statement on Investment Securities and End-user Derivative Activities (April 23, 1998).

(b) Within 30 days after the receipt of all such comments from the Regional Director and the Commissioner, and after revising the plan as necessary, the Bank shall adopt the plan, which adoption shall be recorded in the minutes of a board of directors' meeting. Thereafter, the Bank shall implement the plan.

18. As of the effective date of this ORDER, the Bank shall not declare or pay any cash dividend without the prior written consent of the Regional Director and the Commissioner.

19. Within 60 days after the effective date of the ORDER,

the Bank shall develop, adopt, and implement an interest rate risk policy and procedures that shall include, at a minimum:

- (i) Measures designed to control the nature and amount of interest rate risk the Bank takes including those that specify risk limits and defines lines of responsibilities and authority for managing risk;
- (ii) A system for identifying and measuring interest rate risk;
- (iii) A system for monitoring and reporting risk exposures; and
- (iv) A system of internal controls, review, and audit to ensure the integrity of the overall risk management process.

20. Within 30 days after the effective date of this ORDER, the Bank's board of directors shall establish a subcommittee of the board of directors charged with the responsibility of ensuring that the Bank complies with the provisions of this ORDER. The subcommittee shall report monthly to the entire board of directors of the bank, and a copy of the report and any discussion related to the report or the ORDER shall be included in the minutes of the Bank's board of directors' meeting. Nothing contained herein shall diminish the responsibility of the entire board of directors or the Bank to ensure compliance with the provisions of this ORDER.

21. Within 30 days after the effective date of this ORDER,

and not less than monthly thereafter, the Bank's board of directors shall review compliance with the provisions of this ORDER. A summary of compliance with each provision and discussions related to the review of the ORDER shall be included in the minutes of the Bank's board of directors meeting.

22. The Bank shall furnish written progress reports to the Regional Director and the Commissioner detailing the form and manner of any actions taken to secure compliance with this ORDER and the results thereof. Such reports shall be received by the Regional Director and the Commissioner no later than 30 calendar days after the end of each calendar quarter (i.e., January 30, April 30, July 30, and October 30 of each calendar year). Such reports may be discontinued when the corrections required by this ORDER have been accomplished and the Regional Director and the Commissioner have released the Bank in writing from making further reports.

23. Following the effective date of this ORDER, the Bank shall send to its shareholders or otherwise furnish a description of this ORDER (i) in conjunction with the Bank's next shareholder communication, and (ii) in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting. The description shall fully describe the ORDER in all material respects. The description and any accompanying communication, statement, or notice shall be sent to the FDIC, Accounting & Securities Unit, 550 17th Street, N.W., Room F-6043, Washington, D.C. 20429, and to the State, Texas Department of Savings and Mortgage Lending, 2601 North Lamar, Suite 201, Austin, TX 78705,

for review at least 20 days prior to dissemination to shareholders. Any changes requested to be made by the FDIC or the Commissioner shall be made prior to dissemination of the description, communication, notice, or statement.

The provisions of this ORDER shall be binding upon the Bank, its directors, officers, employees, agents, successors, assigns, and other institution-affiliated parties of the Bank.

The provisions of this ORDER shall remain effective and enforceable except to the extent that, and until such time as, any provisions of this ORDER shall have been modified, terminated, suspended, or set aside by the FDIC.

This ORDER shall become effective on its issuance by the FDIC.

Pursuant to delegated authority.

Dated this 15th day of August, 2008.
