(a) From the effective date of this ORDER, the Bank shall take action to have qualified management. Each member of management shall have the requisite knowledge, skills, ability and experience, giving consideration to the size and complexity of the Bank, to operate the Bank in a safe and sound manner and in compliance with applicable laws and regulations, as well as to restore the Bank to a satisfactory financial condition. (a) The board of directors shall engage an independent third party acceptable to the Regional Director of the Kansas City Regional Office of the FDIC ("Regional Director") and the Director, South Dakota State Division of Banking ("Director") (collectively, "Supervisory Authorities") and that possesses appropriate expertise and qualifications to analyze and assess the Bank's management and staffing performance and needs. Specifically, the assessment shall provide an evaluation of the current and past performance of all existing Bank executive officers, indicating whether the individuals are competent and qualified to perform present and anticipated duties, adhere to the Bank's established policies and practices, and operate the Bank in a safe and sound manner. The engagement shall require that the analysis and assessment be summarized in a written

A copy of the Management Report and Management Plan and any subsequent modification thereto shall be immediately submitted to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after consideration of such comment, the board of directors shall approve the Management Plan which approval shall be recorded in the minutes of the meeting of the board.

Thereafter, the Bank and its directors, officers and employees shall implement and follow the Management Plan and any modifications thereto. It shall remain the responsibility of the board to fully implement the plan within the specified time

interest, in an amount exceeding 5 percent of the Bank's total Tier 1 capital and allowance for loan and lease losses; and

(v) is a resident of, or engaged in business in, the Bank's trade area; or

(vi) is otherwise deemed to be an independent director for purposes of this ORDER by the Regional Director.

(b) In the event the Bank does not have an independent director, it shall make and continue in its efforts to recruit such a director and shall document those efforts through at least written correspondence with any approached individuals. Such documentation shall be presented to the board of directors on a monthly basis for review, and shall be made part of the minutes of the board's meetings.

In addition, the Bank shall notify the Supervisory Authorities in writing when it proposes to add any individual to the Bank's board of directors or employ any individual as a senior executive officer. The notification must be received at least

30 days before such addition or employment is intended to become effective and should include a description of the background and experience of the individual(s) to be added or employed.

4. Minimum Capital Requirements.

(a) Within 90 days of the effective date of this ORDER, the Bank shall achieve and maintain the following minimum capital levels (as defined in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325), after establishing an appropriate allowance for loan and lease losses:

(i) Tier 1 capital at least equal to nine (9.0) percent of total assets; and

(ii) total risk-based capital at least equal to twelve (12.0) percent of risk-weighted assets ("capital ratios").

(b) Within 30 days of the last day of each calendar quarter, the Bank shall determine, from its Reports of Condition and Income, its capital ratios for that calendar quarter. If either capital ratio falls below the established minimum, within 30 days of such required determination, the Bank shall submit a written plan to the Supervisory Authorities, describing the means and timing by which the Bank shall increase such ratio(s) up to or in excess of the established minimum(s). Within 30 days of receipt of any comment from the Regional Director, and after due consideration of any recommended changes, the board of

5. Restrictions on Dividends.

The Bank shall not declare or pay any cash dividend or capital distribution without the prior written approval of the Supervisory Authorities.

6. Charge-off of Adversely Classified Assets.

(a) Within 30 days of the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the FDIC's October 21, 2008, Report of Examination ("Report of Examination") that have not been previously collected or charged off.

(b) Elimination or reduction of assets through the proceeds of other loans or extensions of credit made by the Bank is not considered collection for purposes of this ORDER.

(a) Within 60 days of the effective date of this ORDER, the Bank shall develop a written plan to reduce the Bank's risk exposure in each loan in excess of \$200,000 classified "Substandard" in the Report of Examination. For purposes of this ORDER, "reduce" means to collect, charge off, or improve the quality of a loan so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plan required by this provision, the Bank shall, at a minimum, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(i) specific action plan intended to reduce the Bank's risk exposure in each classified loan;

(ii) a requirement that monthly oral progress reports and quarterly written progress reports be submitted to the board of directors; and

(iii) a requirement that the board of directors review the monthly progress reports and record a notation of the review in the minutes of the board.

(c) The Bank shall submit the plan to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after due consideration of any recommended changes, the board of directors shall approve the plan, and record the approval in the board meeting minutes. Thereafter, the Bank shall implement and fully comply with the plan.

8. Restrictions on Advances to Adversely Classified Borrowers.

(a) The Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or classified "Substandard" in the Report of Examination and is uncollected. The Bank shall not be prohibited from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) The Bank shall not be prohibited from extending additional credit to any borrower if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. The Bank shall not extend further credit to any such borrower, whether in the form of a renewal, extension, or further advance of funds, unless additional credit shall have been approved in advance by

the Bank's board of directors, or a designated committee thereof, who, after thorough review, shall have concluded and fully documented in its minutes that:

(i) the failure to extend such credit would be detrimental to the best interests of the Bank, with an explanation of why it would be detrimental;

(ii) the extension of such credit would improve the Bank's position, including an explanatory statement of how the Bank's position would be improved; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

A copy of the board's or committee's conclusions and approval shall be retained in the borrower's credit file and be made part of the board meeting minutes.

9. Concentrations of Credit.

(a) Within 90 days of the effective date of this ORDER, the Bank shall develop a written plan ("Concentration Plan") intended to systematically reduce and monitor the Bank's concentrations listed in the Report of Examination to an amount which is commensurate with the Bank's business strategy, management expertise, and financial condition. The Concentration Plan shall establish an appropriate concentration

Concentration risk limits will be expressed as a percentage of Total Capital.

(b) The board of directors shall review, on a quarterly basis, the level and trend of concentrations, actual levels compared to levels targeted in the Concentration Plan, and reports that describe the state of and changes in commercial real estate market conditions in the geographic areas in which the Bank lends.

(c) Immediately after development, the Concentration Plan shall be submitted to the Supervisory Authorities for review and comment. Within 30 days of receipt of any comment from the Regional Director, and after consideration of any recommended changes, the board of directors shall approve the Concentration Plan, which approval shall be recorded in the minutes of the board. Thereafter, the Bank and its institution-affiliated parties shall fully implement the Concentration Plan. The Concentration Plan shall be reviewed at least annually and amended as appropriate to manage the risk in the commercial real estate portfolio.

10. Implementation of Loan Policy.

Within 60 days from the effective date of this ORDER, the board of directors of the Bank shall review and revise the Bank's written loan policies and procedures to address the comments and criticisms in the Report of Examination. The Bank's revised loan policies and procedures shall be provided to the Supervisory Authorities for review and comment. Within 30 days of receipt of any comment from the Regional Director, and after consideration of any recommended changes the Bank shall approve the loan policies and procedures, which approval shall be recorded in the minutes of the board of directors meeting. Thereafter, the Bank shall implement and fully comply with the revised loan policies. In the event the Bank considers making a loan that would not conform with the Bank's loan policies, the loan shall receive prior review and approval by the Bank's board of directors. The reason for non-conformance and the board's prior review and approval shall be documented in the board's minutes and in the loan file for that loan.

11. Implementation of Independent Loan Review Program.

(a) Within 30 days of the effective date of this ORDER, the board shall develop a program of independent loan review that will provide for a periodic review of the Bank's loan portfolio and the identification and categorization of problem credits. At a minimum, the system shall provide for:

(i) identification of loans with credit weaknesses that warrant the special attention of management, including the name of the borrower, amount of the loan, reason why the loan warrants special attention, and assessment of the degree of risk that the loan will not be fully repaid according to its terms;

(ii) identification of trends affecting the quality of the loan portfolio, potential problem areas, and action plans to reduce the Bank's risk exposure;

(iii) assessment of the overall quality of the loan portfolio;

(iv) identification of credit and collateral documentation exceptions and an action plan to address the identified deficiencies;

(v) identification and status of violations of laws, rules, or regulations with respect to the lending function and an action plan to address the identified violations;

(vi) identification of loans that are not in conformance with the Bank's lending policy and an action plan to address the identified deficiencies;

(vii) identification of loans to directors, officers, principal shareholders, and their related interests; and

(viii) a mechanism for reporting periodically, but in no event less than quarterly, the information developed in (i) through (vii) above to the board of directors. The report shall

also describe the action(s) taken by management with respect to problem credits.

(b) The Bank shall submit the program to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after due consideration of any recommended changes, the Bank shall approve the program, which approval shall be recorded in the minutes of the board of directors meeting. Thereafter, the Bank shall implement and fully comply with the program.

(c) Upon implementation, a copy of each report shall be submitted to the board of directors, as well as documentation of the actions taken by the Bank or recommendations to the board that address identified deficiencies in specific loan relationships or the Bank's policies, procedures, strategies, or other elements of the Bank's lending activities. Such reports and recommendations, as well as any resulting determinations, shall be recorded and retained in the minutes of the meeting of the board of directors.

12. Maintenance of Allowance for Loan and Lease Losses.

(a) Within 30 days from the date of this ORDER, the board of directors shall make a provision which will replenish the allowance for loan and lease losses ("allowance") for the loans charged off as a result of the most recent examination and reflect the potential for further losses in the remaining loans

or leases classified "Substandard" in the Report of Examination as well as all other loans and leases in its portfolio.

(b) Within 90 days from the effective date of this ORDER, the board shall establish a comprehensive policy and methodology for determining the appropriateness of the allowance. The policy shall provide for a review of the allowance at least once each calendar quarter in order that the results of the review conducted by the board may be properly reported in the quarterly Reports of Condition and Income. Such reviews shall, at a minimum, be made in accordance with the Federal Financial Institutions Examination Council's Instructions for the Reports of Condition and Income, the Interagency Statement of Policy on the Allowance for Loan and Lease Losses, other applicable regulatory guidance that addresses the adequacy of the Bank's allowance, and any analysis of the Bank's allowance provided by the Supervisory Authorities;

(c) A deficiency in the allowance shall be remedied in the calendar quarter in which it is discovered by a charge to current operating earnings prior to any Tier 1 capital determinations required by this ORDER and prior to the Bank's submission of its Report of Condition and Income. The board of directors shall thereafter maintain an adequate allowance.

(d) The Bank shall submit the policy to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after due

consideration of any recommended changes, the Bank shall approve the policy, which approval shall be recorded in the minutes of the board of directors meeting. Thereafter, the Bank shall implement and fully comply with the policy.

submitted to the Supervisory Authorities for review and comment. No more than 30 days after the receipt of any comment from the Regional Director, and after due consideration of any recommended changes, the board of directors shall approve the business/strategic plan and the profit and budget plan, which approval shall be recorded in the board meeting minutes. The plan shall be updated on a regular basis and should, at a minimum, help management to monitor liquidity risk, ensure that an appropriate amount of liquid assets is maintained, measure and project funding requirements during various scenarios, and manage access to funding sources. Specifically, the plan should address the tightening of access to, or the imposition of additional requirements on, established credit lines as a result of the deteriorating asset quality.

(c) The Bank shall submit the policies and plans required by this paragraph 14, and any future modifications, to the Supervisory Authorities for review and comment. Within 30 days of the receipt of any comments from the Regional Director, and after consideration of all such comments, the board shall approve the plans and policies, which approval shall be recorded in the minutes of the meeting of the board of directors. The brokered deposit plan shall detail the current composition of the Bank's brokered deposits by maturity and explain the means by which such deposits will be paid. The Bank shall submit the brokered deposit plan to the Supervisory Authorities for review and comment. For purposes of this ORDER, brokered deposits are defined in section 337.6(a)(2) of the FDIC Rules and Regulations to include any deposits funded by third-party agents or nominees

for depositors, including deposits managed by a trustee or custodian when each individual beneficial interest is entitled to or asserts a right to federal deposit insurance. Within 10 days of receipt of all such comments from the Regional Director, and after consideration of all such comments, the Bank shall approve the brokered deposit plan, which approval shall be recorded in the minutes of the meeting of the board of directors. Thereafter, the Bank shall implement and fully comply with the brokered deposit plan.
