CAPITAL INCREASE AND MAINTENANCE

1. (a) Within 30 days after the effective date of this ORDER, the Bank shall increase its Tier 1 Capital by no less than \$3,300,000.
- (b) Within 180 days after the effective date of this ORDER, and for so long thereafter as this ORDER is outstanding, the Bank shall achieve and maintain, after establishing an Allowance for Loan and Lease Losses ("ALLL") as required herein, Tier 1 Capital equal to or greater than 10 percent of the Bank's average Total Assets; Tier 1 Risk-Based Capital equal to or greater than 13 percent of the Bank's Total Risk-Weighted Assets; and Total Risk-Based Capital equal to or greater than 15 percent of the Bank's average Total Risk-Weighted Assets.

(c) Such increase in Tier 1 Capital and any increase in Tier 1 Capital necessary to meet the capital ratios required by this ORDER may be accomplished by:

- (1) The sale of securities in the form of common stock; or
- (2) The direct contribution of cash subsequent to December 15, 2008, by the directors and/or shareholders of the Bank ; or
- (3) The acceptance of an offer to be acquired by a depository institution holding company, subject to Federal and State regulatory approval; or
- (4) The acceptance of an offer to be acquired by an FDIC insured depository institution, subject to FDIC and State regulatory approval; or
- (5) The acceptance of an offer to be acquired by a third party, subject to FDIC and State regulatory approval; or
- (6) Any other method approved by the Regional Director, FDIC, Dallas Regional Office (“Regional Director”) and the Commissioner, Texas Department of Banking (“Commissioner”).

(d) If any such capital ratios are less than required by the ORDER, as determined as of the date of any Report of Condition and Income or at an examination by the FDIC or the State, the Bank shall, within 30 days after receipt of a written notice of the capital deficiency from the Regional Director or the Commissioner, present to the Regional Director and the Commissioner a capital plan to increase the Bank’s Tier 1 Capital or to take such other measures to bring all the capital ratios to the percentages required by this ORDER. After the Regional Director and the Commissioner respond to the capital plan, the Bank’s board of

directors shall adopt the capital plan, including any modifications or amendments requested by the Regional Director and the Commissioner.

(e) Thereafter, the Bank shall immediately initiate measures detailed in the plan, to the extent such measures have not previously been initiated, to increase its Tier 1 Capital by an amount sufficient to bring all the Bank's capital ratios to the percentages required by this ORDER within 30 days after the Regional Director and the Commissioner respond to the new capital plan.

(f) If all or part of the increase in Tier 1 Capital required by this ORDER is to be accomplished by the sale of new securities, the Bank's board of directors shall adopt and implement a plan for the sale of such additional securities, including soliciting proxies and the voting of any shares or proxies owned or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with Federal securities laws. Any changes requested to be made in the plan or the materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is to be provided by the sale of non-cumulative perpetual preferred stock, then all terms and conditions of the issue shall be presented to the Regional Director and the Commissioner for prior approval.

(g) In complying with the provisions of this ORDER and until such time as any such public offering is terminated, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned or existing development or other change which is materially different from the information reflected in any offering materials used in connection with the sale of the Bank securities. The written notice required by this paragraph shall be furnished within 10 days after the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber who received or was tendered the information contained in the Bank's original offering materials.

(h) In addition, except as otherwise set forth above, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, App. A.

CLASSIFIED ASSETS - CHARGE-OFF AND PLAN FOR REDUCTION

2. (a) Immediately upon the effective date of this ORDER, if it has not already done so, the Bank shall, to the extent that it has not previously done so, eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss by the State as a result of its examination of the Bank as of December 15, 2008 (the "State Report of Examination"). Elimination or reduction of these assets through proceeds of loans made by the Bank shall not be considered "collection" for the purpose of this paragraph.

(b) Within 30 days after the effective date of this ORDER, the Bank shall submit a written plan to the Regional Director and the Commissioner to reduce the remaining assets classified Doubtful and Substandard as of December 15, 2008. The plan shall address each asset so classified with a balance of \$50,000 or greater and provide the following:

- (1) The name under which the asset is carried on the books of the Bank;
- (2) Type of asset;
- (3) Actions to be taken in order to reduce the classified asset; and
- (4) Timeframes for accomplishing the proposed actions.

The plan shall also include, at a minimum:

- (1) A review of the financial position of each such borrower, including the source of repayment, repayment ability, and alternate repayment sources; and
- (2) An evaluation of the available collateral for each such credit, including possible actions to improve the Bank's collateral position.

In addition, the Bank's plan shall contain a schedule detailing the projected reduction of total classified assets on a quarterly basis. Further, the plan shall contain a provision requiring the submission of monthly progress reports to the Bank's board of directors and a provision mandating a review by the Bank's board of directors.

(c) The Bank shall present the plan to the Regional Director and the Commissioner for review. Within 30 days after the Regional Director's and the Commissioner's response, the plan, including any requested modifications or amendments shall be adopted by the

Bank's board of directors which approval shall be recorded in the minutes of the meeting of the Bank's board of directors. The Bank shall then immediately initiate measures detailed in the plan to the extent such measures have not been initiated.

(d) For purposes of the plan, the reduction of adversely classified assets as of December 15, 2008 shall be detailed using quarterly targets expressed as a percentage of the Bank's Tier 1 Capital plus the Bank's ALLL and may be accomplished by:

- (1) Charge-off;
- (2) Collection;
- (3) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the State; or
- (4) Increase in the Bank's Tier 1 Capital.

(e) While this ORDER is in effect, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss as determined at any future examination conducted by the FDIC or the State.

RESTRICTION ON ADVANCES TO CLASSIFIED BORROWERS

3. (a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to or for the benefit of any borrower whose existing credit has been classified Loss by the State as the result of its examination of the Bank dated December 15, 2008, either in whole or in part, and is uncollected, or to any borrower who is already obligated in any manner to the Bank on any extension of credit, including any portion thereof, that has been charged off the books of the Bank and remains uncollected. The requirements of this

paragraph shall not prohibit the Bank from renewing credit already extended to a borrower after full collection, in cash, of interest due from the borrower.

(b) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to or for the benefit of any borrower whose extension of credit is classified Doubtful and/or Substandard by the State as the result of its examination of the Bank, either in whole or in part, and is uncollected, unless the Bank's board of directors has signed a detailed written statement giving reasons why failure to extend such credit would be detrimental to the best interests of the Bank. The statement shall be placed in the appropriate loan file and included in the minutes of the applicable Bank's board of directors' meeting.

CONCENTRATIONS – PLAN FOR REDUCTION

4. (a) Within 30 days after the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director and the Commissioner for review and comment a written plan to reduce each of the loan concentrations of credit identified in the State Report of Examination, to not more than 300 percent of the Bank's total Tier 1 Capital. Such plan shall prohibit any additional advances that would increase the concentrations or create new concentrations and shall include, but not be limited to:

- (1) Dollar levels to which the Bank shall reduce each concentration;
and
- (2) Provisions for the submission of monthly written progress reports to the Bank's board of directors for review and notation in minutes of the meetings of the Bank's board of directors.

(b) For purposes of the plan, “reduce” means to:

- (1) Charge-off;
- (2) Collect; or
- (3) Increase Tier 1 Capital.

(c) After the Regional Director and the Commissioner have responded to the plan, the Bank’s board of directors shall adopt the plan as amended or modified by the Regional Director and the Commissioner. The plan shall be implemented immediately to the extent that the provisions of the plan are not already in effect at the Bank.

ALLOWANCE FOR LOAN AND LEASE LOSSES
AND
AMENDED CALL REPORTS

5. (a) Immediately upon the effective date of this ORDER, if it has not already done so, the Bank shall make provisions to its ALLL in an amount equal to those loans required to be charged off by this Order in the amount of at least \$300,000. The allowance should be funded by charges to current operating income, and should be calculated in accordance with generally accepted accounting standards and ALLL supervisory guidance. After the initial provision is made, the Bank shall thereafter maintain a reasonable ALLL. Prior to the end of each calendar quarter, the Bank’s board of directors shall review the adequacy of the Bank’s ALLL. Such reviews shall include, at a minimum, the Bank’s loan loss experience, an estimate of potential loss exposure in the portfolio, trends of delinquent and non-accrual loans and prevailing and prospective economic conditions. The minutes of the Bank’s board of directors’ meetings at which such reviews are undertaken shall include complete details of the reviews and the resulting recommended increases in the ALLL.

(b) Within 30 days after the effective date of this ORDER, the Bank shall review Consolidated Reports of Condition and Income filed with the FDIC on or after September 30, 2008, and amend said reports if necessary to accurately reflect the financial condition of the Bank as of the date of each such report. In particular, such reports shall contain a reasonable ALLL. Reports filed after the effective date of this ORDER shall also accurately reflect the financial condition of the Bank as of the reporting date.

(c) Within 30 days after the effective date of this ORDER, the Bank must use Financial Accounting Standards Board Statements Numbers 5 and 114 for determining the Bank's allowance for loan and lease losses reserve adequacy. Provisions for loan losses must be based on the inherent risk in the Bank's loan portfolio. The Bank's Board of Directors must document with written reasons any decision not to require provisions for loan losses in the board minutes.

BUDGET AND PROFIT PLAN

6. (a) Within 30 days after the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director and the Commissioner for review and comment a written profit plan and a realistic, comprehensive budget for all categories of income and expense for calendar years 2009. A budget that meets these same criteria for 2010 shall be submitted within 60 days of the effective date of this ORDER. (c) Within 30 days after the end of each calendar quarter following completion of the profit plan and budget required by this paragraph, the Bank's board of directors shall evaluate the Bank's actual performance in relation to the written profit plan and budget, record the results of the evaluation, and note any actions taken by the Bank in the minutes of the board of directors' meeting when such evaluation is undertaken.

(d) A written profit plan and budget shall be prepared for each calendar year for which this ORDER is in effect and shall be submitted to the Regional Director and the Commissioner for review and comment within 30 days after the end of each year. Within 30 days after receipt of all such comments from the Regional Director and the Commissioner and after adoption of any recommended changes, the Bank shall approve the written profit plan and budget, which approval shall be recorded in the minutes of a board of directors' meeting.

Thereafter, the Bank shall implement and follow the plan.
