Providence Bank, Alpharetta, Georgia (“Bank”), having been advised of its right to a NOTICE OF CHARGES AND OF HEARING detailing the unsafe or unsound banking practices and violations of law and/or regulations alleged to have been committed by the Bank and of its right to a hearing on the alleged charges under section 8(b)(1) of the Federal Deposit Insurance Act (“Act”), 12 U.S.C. § 1818(b)(1), and having waived those rights, entered into a STIPULATION AND CONSENT TO THE ISSUANCE OF AN ORDER TO CEASE AND DESIST (“CONSENT AGREEMENT”) with a representative for the Legal Division of the Federal Deposit Insurance Corporation (“FDIC”) and the Commissioner (the “Commissioner”) for the State of Georgia, Department of Banking and Finance (the “Department”), dated the 5th day of August, 2009, whereby solely for the purpose of this proceeding and without admitting or denying the alleged charges of unsafe or unsound banking practices and violations of law and/or regulations, the Bank consented to the issuance of an ORDER TO CEASE AND DESIST (“ORDER”) by the FDIC and the Commissioner. The Commissioner may issue an order

to cease and desist pursuant to section 7-1-91 of the Official Code of Georgia Annotated, GA Code Ann. Section 7-1-91 (1985).

The FDIC and the Commissioner considered the matter and determined that they have reason to believe that the Bank has engaged in unsafe or unsound banking practices and has committed violations of law and/or regulations. The FDIC and the Commissioner, therefore, accepted the CONSENT AGREEMENT and issued the following:

ORDER TO CEASE AND DESIST

IT IS HEREBY ORDERED, that the Bank, its institution-affiliated parties, as that term is defined in section 3(u) of the Act, 12 U.S.C. § 1813(u), and its successors and assigns cease and desist from the following unsafe and unsound banking practices and violations of law and/or regulation:

- a) operating with a board of directors (“Board”) that has failed to provide adequate supervision over and direction to the management of the Bank;
- b) operating with management whose policies and practices are detrimental to the Bank and jeopardize the safety of its deposits;
- c) operating with inadequate capital in relation to the volume and quality of assets held by the Bank;
- d) operating with a large volume of poor quality loans;
- e) operating with hazardous loan underwriting and administration practices;;
- f) operating in such a manner as to produce operating losses;
- g) operating with inadequate liquidity and funds management;

- h) operating in violation of laws and/or regulations, and in contravention of statements of policy as more fully described in the Report of Examination of the Bank dated March 16, 2009 (“Report”).

IT IS FURTHER ORDERED, that the Bank, its institution-affiliated parties, and its successors and assigns, take affirmative action as follows:

BOARD OF DIRECTORS

1. (a) Beginning with the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank’s activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee (“Directors’ Committee”), consisting of at least four members, to oversee the Bank’s compliance with the ORDER. Three of the members of the Directors’ Committee shall not be officers of the Bank. The Directors’ Committee shall receive from Bank management monthly reports detailing the Bank’s actions with respect to compliance with the ORDER. The Directors’ Committee shall present a report detailing the Bank’s adherence to the ORDER to the Board at each regularly scheduled

Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. Within 60 days from the effective date of this order, the Bank shall have and retain qualified management.

(a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Management shall include a chief executive officer, a senior lending officer, and a chief financial officer with supervisory experience levels for the Bank's risk profile. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this ORDER.

(b) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this ORDER;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition, including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) During the life of this ORDER, the Bank shall notify the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") and Commissioner, hereinafter referred to as the "Supervisory Authorities" in writing when it proposes to add

any individual to the Bank's Board or employ any individual as a senior executive officer. The notification must be received at least 30 days before such addition or employment is intended to become effective and should include a description of the background and experience of the individual or individuals to be added or employed. The Bank may not add any individual to its Board or employ any individual as a senior executive officer if the Regional Director issues a notice of disapproval pursuant to section 32 of the Act, 12 U.S.C. § 1831i.

(d) To facilitate having and retaining qualified management, the Board shall in no more than 30 days from the effective date of this ORDER commission a written, independent, third party analysis and assessment of the Bank's management and staffing needs ("management plan"), which shall include, at a minimum:

(i) identification of both the type and number of officer positions needed to manage and supervise properly the affairs of the Bank;

(ii) identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;

(iii) evaluation of each Bank officer, and in particular the chief executive officer, and staff member to determine whether these individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including adherence to the Bank's established policies and practices, and maintenance of the Bank in a safe and sound condition; and

(iv) a plan of action to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications, which the board of directors determines are necessary to fill Bank officer or staff member positions

consistent with the Board's analysis, evaluation and assessment as provided in paragraphs 2(d)(i) and 2(d)(iii) of this ORDER.

(e) The written management plan and any subsequent modification thereto shall be submitted to the Supervisory Authorities for review and comment. No more than 30 days from the receipt of any comment from the Supervisory Authorities, and after consideration of such comment, the Board shall approve the written management plan and/or any subsequent modification thereto which approval shall be recorded in the minutes of the Board. Thereafter, the Bank and its institution-affiliated parties shall implement and follow the written management plan and/or any subsequent modification.

(f) At the next meeting of the shareholders of the Bank, and at each succeeding meeting of the shareholders at which Bank directors are to be elected, the members of the Board who are also shareholders shall nominate and support the election of candidates to the Board who are independent with respect to the Bank, in such number as are necessary to cause a majority of the Board to be and to remain independent with respect to the Bank.

CAPITAL

3. (a) From the effective date of this ORDER, and during the life of this ORDER, the Bank shall maintain Tier 1 Capital in such an amount as to equal or exceed 8 percent of the Bank's total assets and total risk-based capital in such an amount as to equal or exceed 10 percent of the Bank's total risk-weighted assets.

(b) The level of Tier 1 Capital and total risk-based capital to be maintained during the life of this ORDER pursuant to this paragraph shall be in addition to a fully

funded ALLL, the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(c) Any increase in Tier 1 Capital necessary to meet the requirements of Paragraph 3 of this ORDER may not be accomplished through a deduction from the Bank's ALLL. For the purposes of this ORDER, the terms "Tier 1 Capital," "total risk-based capital," "total assets," and "total risk-weighted assets" shall have the meanings ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325.

DIVIDENDS

4. While this ORDER is in effect, the Bank shall not declare or pay any cash dividends without the prior written approval of the Supervisory Authorities.

CHARGE-OFF

5. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and fifty percent (50%) of all assets or portions of assets classified "Doubtful" in the Report that have not been previously collected or charged off. (If an asset classified "Doubtful" is a loan or a lease, the Bank may, in the alternative, increase its ALLL by an amount equal to fifty percent (50%) of the loan or lease classified "Doubtful.") Elimination of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 10 days of the receipt of any official Report of Examination of the Bank from the Supervisory Authorities, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any assets classified "Loss" and fifty percent

(50%) of those classified “Doubtful,” unless otherwise approved in writing by the Supervisory Authorities.

ADVERSELY CLASSIFIED ASSETS

6. (a) Within 30 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank’s risk exposure in each asset, or relationship in excess of \$1,000,000 classified “Substandard” or “Doubtful” in this Report. For purposes of this provision, “reduce” means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value of and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(b) In addition, the plan mandated by this provision shall also include, but not be limited to, the following:

(i) A quarterly schedule for reducing the outstanding dollar amount of adversely classified assets;

(ii) A schedule showing, on a quarterly basis, the expected consolidated balance of all adversely classified assets, and the ratio of the consolidated balance to the Bank’s projected Tier 1 capital plus the ALLL;

(iii) A provision for the Bank’s submission of monthly written progress reports to its Board; and

(iv) A provision mandating Board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the Board.

(c) The plan mandated by this provision shall further require a reduction in the aggregate balance of assets classified “Substandard” or “Doubtful” in the Report in accordance with the following schedule:

(i) Within 180 days, a reduction of twenty-five percent (25%) in the balance of assets classified “Substandard” or “Doubtful”;

(ii) Within 360 days, a reduction of forty-five percent (45%) in the balance of assets classified “Substandard” or “Doubtful”;

(iii) Within 540 days, a reduction of sixty percent (60%) in the balance of assets classified “Substandard” or “Doubtful”;

(iv) Within 720 days, a reduction of seventy-five percent (75%) in the balance of assets classified “Substandard” or “Doubtful.”

(d) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. The plan may include a provision for increasing Tier 1 capital when necessary to achieve the proscribed ratio.

(e) Within 60 days of the effective date of this ORDER, the Bank shall submit the plan to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and

fully comply with the plan. Such plan shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrent with the other reporting requirements set forth in this ORDER.

ALLOWANCE FOR LOAN AND LEASE LOSSES

7. Within 30 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and revise its policy, which shall be comprehensive for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of ALLL at least once each calendar quarter. Said review shall be completed within 21 days after the end of each calendar quarter in order that the findings of the Board with respect to the ALLL may be properly reported in the quarterly Reports of Condition and Income.

NO ADDITIONAL CREDIT

8. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard" or "Special Mention" and is uncollected.

(c) Subparagraph 8(b) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board, or a designated committee thereof, who shall certify, in writing:

- (i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;
- (ii) why the Bank's position would be improved thereby; including an explanatory statement of how the Bank's position would be improved; and
- (iii) that an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.
- (iv) the signed certification shall be made a part of the minutes of the Board or designated committee, and a copy of the signed certification shall be retained in the borrower's credit file.

LIQUIDITY AND FUNDS MANAGEMENT

9. (a) Within 60 days from the effective date of this ORDER, the Bank shall review and revise its written plan addressing liquidity, contingent funding, interest rate risk, and asset liability management, which plan shall include, at a minimum, revisions to address all items of criticism in the Report.

(b) The plan shall incorporate the guidance contained in Financial Institution Letter (FIL) 84-2008, dated August 26, 2008, entitled *Liquidity Risk Management*. The

plan shall provide restrictions on the use of brokered and internet deposits consistent with safe and sound banking practices.

(c) A copy of the plan shall be submitted to the Supervisory Authorities upon its completion for review and comment. Within 30 days from the receipt of any comments from the Supervisory Authorities, the Bank shall incorporate those recommended changes. Thereafter, the Bank shall implement and follow the plan, and implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

BROKERED DEPOSITS

10. (a) Upon the effective date of this ORDER, and so long as this ORDER is in effect, the Bank shall not accept, renew, or rollover brokered deposits without obtaining a brokered deposit waiver approved by the FDIC pursuant to Section 29 of the Act, 12 U.S.C. § 1831f. Within 30 days of the effective date of this ORDER, the Bank shall submit a written plan for eliminating its reliance on brokered deposits to the Supervisory Authorities for review and comment. The plan shall detail the current composition of brokered deposits by maturity and explain the means by which such deposits will be paid. Within 30 days of receipt of all such comments from the Supervisory Authorities, and after consideration of all such comments, the Bank shall approve the revised plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan. For purposes of this ORDER, brokered deposits are defined in section 337.6(a)(2) of the FDIC's Rules and Regulations, 12 C.F.R. §337.6(a)(2), to include any deposits funded by third-party agents or nominees for

depositors, including deposits managed by a trustee or custodian when each individual beneficial interest is entitled to or asserts a right to federal deposit insurance.

(b) The Bank shall comply with the restrictions on the effective yields on deposits described in 12 C.F.R. § 337.6, as amended May 29, 2009.

CONCENTRATIONS OF CREDIT

11. Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the Concentrations of Credit listed on the Concentrations page of the Report and any other concentration deemed important by the Bank. Concentrations should be identified by product type, geographic distribution, underlying collateral, or other asset groups which are considered economically related and, in the aggregate, represent a large portion of the Bank's Tier 1 Capital. A copy of this analysis shall be provided to the Supervisory Authorities and the Board agrees to develop a plan to reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's Tier 1 Capital. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations or visitation.

BUDGET

12. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate and fully implement a written plan and a comprehensive budget for all categories of income and expense. The plan and budget required by this paragraph shall include formal goals and strategies, consistent with sound banking practices and taking into account the Bank's other written policies, to improve the Bank's net interest margin, increase interest income, reduce discretionary expenses, control overhead, and improve

and sustain earnings of the Bank. The plan shall include a projected balance sheet and a description of the operating assumptions that form the basis for and adequately support major projected income and expense components. Thereafter, the Bank shall formulate such a plan and budget by November 30 of each subsequent year. The plan and budget required by Subparagraph 12(a) of this ORDER shall be acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(b) Following the end of each calendar quarter, the Board shall evaluate the Bank's actual performance in relation to the plan and budget required by Subparagraph 12(a) of this ORDER and shall record the results of the evaluation, and any actions taken by the Bank, in the minutes of the Board meeting at which such evaluation is undertaken.

WRITTEN STRATEGIC BUSINESS PLAN

13. Within 90 days from the effective date of this ORDER, the Bank shall prepare and submit to the Supervisory Authorities its written strategic plan consisting of long-term goals designed to improve the condition of the Bank and its viability and strategies for achieving those goals. The plan shall cover three years and provide specific objectives for asset growth, market focus, earnings projections, capital needs, and liquidity position.

14. (a) Within 60 days from the effective date of this ORDER, consistent with safe and sound banking practices, the Bank shall eliminate and/or correct all violations of law contained in the Report.

(b) Within 30 days from the effective date of this Order, the Bank shall develop a written plan approved by its Board and acceptable to the Supervisory

Authorities to eliminate and/or correct all contraventions of interagency guidance and statements of policy, in the Report.

(c) In addition, the Bank shall take all necessary steps to ensure future compliance with all applicable laws, regulations, statements of policy, and regulatory guidance.

LENDING AND COLLECTION POLICIES

15. Within 60 days from the effective date of this ORDER, the Bank shall review, revise, adopt, and implement the Bank's written lending, underwriting and collection policy to provide effective guidance and control over the Bank's lending function, which policy shall include, at a minimum, revisions to address criticisms and recommendations enumerated in the Report pertaining to the administration of acquisition, development and construction ("ADC") loans as well as commercial real estate lending; conduct ongoing analysis of participation loans purchased; conduct appropriate financial analysis and document the file; implement proper loan grading systems; and establish circumstances under which out of territory loans can be extended. In addition, the Bank shall obtain adequate and current documentation for all loans in the Bank's loan portfolio. Such policy and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

LOAN INTEREST RESERVES

16. Within 60 days from the effective date of this ORDER, the Board shall revise its loan policy to limit the use of loan interest reserves. Such policy shall confine the use of interest reserves to properly underwritten ADC loans where development or building plans have specific timetables that commence within a reasonable time of the loan's

approval and that include realistic completion dates. Interest reserves shall be used only for payment of interest on ADC loans for projects that are progressing according to their timetables. Interest reserves may be supplemented only with the prior written approval of the Board or a committee thereof, so long as the approval documents a prudent reason for the supplement.

DISCLOSURE

17. Following the effective date of this ORDER, the Bank shall send to its shareholders or otherwise furnish a description of this ORDER in conjunction with the Bank's next shareholder communication and also in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting.
