The FDIC and the HDFI considered the matter and determined that they had reason to believe that the Bank had engaged in unsafe or unsound banking practices and violations of law

**MANAGEMENT**

1. The Bank shall have and retain qualified management.

   (a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Management shall include the following: (i) a chief executive officer with proven ability in managing a bank of comparable size and risk profile; (ii) a chief financial officer with proven ability in all aspects of financial management; and (iii) a senior lending officer with significant lending, collection, and loan supervision experience and experience in upgrading a low quality loan portfolio. Each member of management shall be provided appropriate written authority from the Board of Directors (“Board”) to implement the provisions of this Order.

   (b) The qualifications of management shall be assessed on its ability to:

      (i) comply with the requirements of this Order;

      (ii) operate the Bank in a safe and sound manner;

      (iii) comply with applicable laws and regulations; and
(iv) restore all aspects of the Bank to a safe and sound condition, including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) During the life of this Order, the Bank shall notify the Regional Director of the FDIC’s San Francisco Regional Office (“Regional Director”) and the Commissioner of the Hawaii Division of Financial Institutions (“Commissioner”) in writing when it proposes to add or replace any individual on the Board, or employ any individual to serve as a senior executive officer, or change the responsibilities of any existing senior executive officer to include the responsibilities of another senior executive officer position. The term “senior executive officer” shall have the same meaning ascribed to it in Part 303 of the FDIC’s Rules and Regulations, 12 C.F.R. § 303.101. The notification shall include a completed Interagency Biographical and Financial Report and Interagency Change in Director or Senior Executive Officer and must be received at least 30 days before the addition, employment or change of responsibilities is intended to become effective. The Regional Director and the Commissioner shall have the power under the authority of this Order to disapprove the addition, employment or change of responsibilities of any proposed officer or director.

(d) The requirement to submit information and the prior disapproval provisions of this paragraph are based upon the authority of 12 U.S.C. § 1818(b) and do not require the Regional Director and the Commissioner to complete their review and act on any such information or authority within 30 days, or any other timeframe. The Bank shall not add, employ or change the responsibilities of any proposed director or senior executive officer until such time as the Regional Director and the Commissioner have completed their review.

2. Within 90 days from the effective date of this Order, the Board shall obtain an independent study of the management and personnel structure of the Bank to determine whether
additional personnel are needed for the safe and profitable operation of the Bank. Such a study shall include, at a minimum, a review of the duties, responsibilities, qualifications, and remuneration of the Bank’s officers. The Board shall adopt a plan to implement the recommendations of the study. The plan policy and its implementation shall be satisfactory to the Regional Director as determined at subsequent examinations and/or visitations.

**BOARD PARTICIPATION**

3. Beginning on the effective date of this Order, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank’s activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; liquidity and funds management activities; operating policies; and individual committee actions. The Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

**CAPITAL**

4. (a) Within 90 days from the effective date of this Order, the Bank shall increase and thereafter maintain its Tier 1 capital in such an amount to ensure that the Bank’s leverage ratio equals or exceeds 15 percent.

(b) Within 90 days from the effective date of this Order, the Bank shall increase and thereafter maintain its total risk-based capital ratio in such an amount as to equal or exceed 15 percent.
Within 60 days from the effective date of this Order, the Bank shall develop and adopt a plan to meet and maintain the capital requirements of this Order and to comply with the FDIC’s Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC’s Rules and Regulations, 12 C.F.R. Part 325, Appendix A. Such plan and its implementation shall be in a form and manner acceptable to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

The level of capital to be maintained during the life of this Order shall be in addition to a fully funded allowance for loan and lease losses (“ALLL”), the adequacy of which shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations. Any increase in Tier 1 capital necessary to meet the requirements of this paragraph may not be accomplished through a deduction from the Bank’s ALLL.

If all or part of the increase in capital required by this Order is accomplished by the sale of new securities, the Board shall adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank’s existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Registration, Disclosure and Securities Unit, 550 17th St. N.W., Washington, D.C. 20429, for review. Any changes requested by the
FDIC shall be made prior to dissemination. If the increase in capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Regional Director and the Commissioner for prior approval.

(f) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(g) For the purposes of this Order, the terms “leverage ratio”, "Tier 1 capital" and "total risk-based capital ratio" shall have, the meanings ascribed to them in Part 325 of the FDIC’s Rules and Regulations, 12 C.F.R. §§ 325.2(m), 325.2(v), 325.2(y), and Appendix A.

**PROHIBITION AGAINST PAYING DIVIDENDS WITHOUT PRIOR APPROVAL**

5. The Bank shall not pay cash dividends or make any other payments to its shareholders without the prior written consent of the Regional Director and the Commissioner.

**ASSET QUALITY**

6. (a) Within 60 days from the effective date of this Order, the Bank shall formulate a written plan to reduce the Bank’s risk exposure in each asset adversely classified “Substandard” or “Doubtful” detailed in the ROE, including all outstanding loan commitments to a level of acceptable asset quality. For purposes of this provision, “reduce” means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse
classification by the Regional Director and the Commissioner. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each such adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(b) The plan mandated by this provision shall also include, but not be limited to, the following:

(i) A schedule for reducing the outstanding dollar amount of each such adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each such adversely classified asset must show its expected dollar balance on a quarterly basis);

(ii) Specific action plans intended to reduce the Bank’s risk exposure in each such classified asset;

(iii) A schedule showing, on a quarterly basis, the expected consolidated balance of all such adversely classified assets, and the ratio of the consolidated balance to the Bank’s projected Tier 1 capital plus the ALLL;

(iv) A provision for the Bank’s submission of monthly written progress reports to its Board; and

(v) A provision mandating Board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the Board.

(c) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall
continue to reduce the total volume of adversely classified assets. The plan may include a
provision for increasing Tier 1 capital when necessary to achieve the prescribed ratio.

(d) The Bank shall, immediately upon completion, submit the plan to the
Regional Director and the Commissioner for review and comment. Within 30 days from receipt
of any comment from the Regional Director and the Commissioner, and after due consideration
of any recommended changes, the Board shall approve the plan, which approval shall be
recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully
comply with the plan.

**ALLOWANCE FOR LOAN AND LEASE LOSSES**

7. (a) Within 10 days from the effective date of this Order, the Bank shall
increase the ALLL by $300,000 as noted in the ROE unless the required provision has already
been recognized. The Bank shall thereafter maintain an adequate ALLL.

(b) Additionally, within 45 days from the effective date of this Order, the
Board shall develop or revise, adopt and implement a comprehensive policy for determining the
adequacy of the ALLL. For the purpose of this determination, the adequacy of the reserve shall
be determined after the charge-off of all loans or other items classified "Loss." The policy shall
provide for a review of the allowance at least once each calendar quarter. Said review shall be
completed in order that the findings of the Board with respect to the ALLL are properly reported
in the quarterly Reports of Condition and Income. The review shall focus on the results of the
Bank's internal loan review, loan loss experience, trends of delinquent and non-accrual loans, an
estimate of potential loss exposure of significant credits, concentrations of credit, and present
and prospective economic conditions. A deficiency in the allowance shall be remedied in the
calendar quarter it is discovered, prior to submitting the Report of Condition, by a charge to
current operating earnings. The minutes of the Board meeting at which such review is
undertaken shall indicate the results of the review. Upon completion of the review, the Bank shall increase and maintain its ALLL consistent with the ALLL policy established. Such policy and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

**NO ADDITIONAL CREDIT WITHOUT PRIOR BOARD APPROVAL**

8. (a) Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" and is uncollected. This paragraph shall not prohibit the Bank from renewing or extending the maturity of any credit in accordance with the Financial Accounting Standards Board Statement Number 15 ("FASB 15").

(b) Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Doubtful" or Substandard” without the prior approval of a majority of the Board or loan committee of the Bank. 9. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written plan, approved by its Board and acceptable to the Regional Director and the Commissioner for systematically reducing the amount of loans or other extensions of credit advanced, directly or indirectly, to or for the benefit of, any borrowers in the commercial real estate credit concentration. Such plan shall be in conformance with Appendix A of Part 365 of the FDIC’s Rules and Regulations, 12 C.F.R. Part 365, Appendix A;

**LENDING AND COLLECTION POLICIES**

10. (a) Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement written lending and collection policies to provide effective guidance and control over the Bank’s lending function. Such policies and their implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

(b) The initial revisions to the Bank's loan policy and practices required by this paragraph shall, at a minimum, include the following:

   (i) provisions, consistent with the FDIC’s instructions for the preparation of Reports of Condition and Income, under which the accrual of interest income is discontinued and previously accrued interest is reversed on delinquent loans;

   (ii) provisions which prohibit the capitalization of interest or loans related expense unless the Board supports in writing and records in the minutes of the corresponding Board meeting why an exception thereto is in the best interests of the Bank;

   (iii) provisions which require complete loan documentation, realistic repayment terms, and current credit information adequate to support the outstanding indebtedness of the borrower. Such documentation shall include current financial information, profit and loss statements or copies of tax returns and cash flow projections;

   (iv) provisions which incorporate limitations on the amount that can be loaned in relation to established collateral values;

   (v) provisions which specify the circumstances and conditions under which real estate appraisals must be conducted by an independent third party;
(vi) provisions which establish standards for unsecured credit;

(vii) provisions which establish officer lending limits;

(viii) provisions that require extensions of credit to any of the Bank's executive officers, directors, or principal shareholders, or to any related interest of such persons, to be approved in advance by a majority of the entire Board in accordance with section 215.4(b) of Regulation O of the Board of Governors of the Federal Reserve System, 12 C.F.R. § 215.4(b);

(ix) provisions which prohibit concentrations of credit in excess of 25 percent of the Bank's total equity capital and reserves to any borrower and that borrower's related interests;

(x) provisions which require the preparation of a loan "watch list" which shall include relevant information on all loans in which are classified "Substandard" and "Doubtful" in the ROE, or by the FDIC or HDFI in subsequent Reports of Examination and all other loans which warrant individual review and consideration by the Board as determined by the loan committee or active management. The loan "watch list" shall be presented to the Board for review at least monthly with such review noted in the minutes;

(xi) provisions which require an accurate internal grading system;

(xii) provisions which require independent loan review; and

(xiii) the Board shall adopt procedures whereby officer compliance with the revised loan policy is monitored and responsibility for exceptions thereto assigned. The procedures adopted shall be reflected in minutes of a Board meeting at which all members are present and the vote of each is noted.

(a) Within 90 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written plan addressing retention of profits, reducing overhead expenses, and setting forth a comprehensive budget covering the period October 31, 2009 to December 31, 2011.
