The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for First State Bank, Cranford, New Jersey ("Bank"), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a "Stipulation and Consent to the Issuance of a Consent Order" ("Stipulation"), dated October 2nd, 2009 that is accepted by the FDIC. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation, to the issuance of this Consent Order ("ORDER") by the FDIC.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) have been satisfied, the FDIC hereby orders that:

**ASSESSMENT OF MANAGEMENT**

1. (a) Within 30 days from the effective date of this ORDER, the Board shall engage an independent third party, acceptable to the Regional Director of the New York Regional Office of the FDIC ("Regional Director") and the Commissioner
(“Commissioner”) of Banking and Insurance for the State of New Jersey (“DOBI”) with the appropriate expertise and qualifications to analyze and assess the independence and performance of the Bank’s “Senior Executive Officers” (as that term is defined in 12 C.F.R. § 303.101(b)), as well as the appropriateness of all current and deferred compensation paid to each Senior Executive Officer in light of their respective competence, responsibilities and performance with a comparison of such compensation to that of institutions of comparable size and complexity, and, based on the foregoing analyses and comparisons, to identify an appropriate level of compensation for each Senior Executive Officer. The engagement shall require that this analysis and assessment be completed and summarized in a written report to the Board (“Management Report”) within 45 days of the third party’s engagement, with a copy simultaneously delivered to the Regional Director and Commissioner.

(b) The Board shall provide the Regional Director and the Commissioner with a copy of the proposed engagement letter or contract with the third party for review and approval in accordance with paragraph 10 of this CONSENT ORDER before it is executed.

(c) Within 30 days of receipt of the Management Report, the Board will develop a written plan of action (“Management Plan”) in response to each recommendation contained in the Management Report and a time frame for completing each action. A copy of the Management Plan and any subsequent modification thereto shall be submitted to the Regional Director and the Commissioner in accordance with paragraph 10 of this ORDER. In the event the Management Plan, or any portion thereof, is not implemented, the Board shall immediately advise the Regional Director and the
Commissioner in writing of the specific reasons for deviating from the Management Plan. The Regional Director and the Commissioner must approve any such deviation.

(d) While this ORDER is in effect, the Board shall provide written notification to the Regional Director and the Commissioner of the resignations or terminations of any of its Senior Executive Officers or Board members within 15 days of the event. The Bank shall also establish procedures to ensure compliance with section 32 of the Federal Deposit Insurance Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC’s Rules and Regulations, 12 C.F.R. Part 303. In addition, the Board shall provide written notification to the Regional Director and the Commissioner of any proposed new Senior Executive Officer or Board member at least 30 days prior to the date such proposed officer or Board member is to begin service; such notification shall include a description of the background and experience of the proposed officer or Board member. Such changes will only be effective upon receipt of the Regional Director’s and the Commissioner’s approval.

2. Immediately upon the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, which shall specifically include meeting no less frequently than monthly. The Board shall establish specific procedures designed to ensure that it is fully informed of all matters regarding the management, operation, and financial condition of the Bank at regular intervals and in a consistent format. The Board shall prepare in advance and shall follow a detailed written agenda during each meeting, during which, at a minimum, the following matters shall be reviewed and approved: reports of income and expenses; new, overdue, renewed, insider,

Participation shall also require the assumption of full responsibility for the approval of significant new and/or enhanced policies, plans and programs including those specifically required by this ORDER and the 2009 ROE along with any other policies, procedures and processes necessary to operate the Bank in a safe and sound manner. Board minutes shall be detailed, recorded on a timely basis by an individual not serving on the Board or making presentations to it, and shall document reviews and any related actions, including the names of any dissenting directors. Nothing in this paragraph shall preclude the Board from considering matters other than those contained in the agenda.

**CAPITAL PLAN**

3. (a) Within 60 days from the effective date of this ORDER, the Board shall consistent with sound banking practices, assess the capital needs of the Bank taking into account the Bank’s plans for future growth, the level of problem loans, the portfolio of sub-prime loans, concentrations of credit, operating losses and heightened liquidity risk, as well as the other written plans, policies, or actions required by this Order and/or the 2009 ROE and develop a written capital plan (“Capital Plan”). (iii) the primary source(s) from which the Bank will meet its capital needs; and

(c) No increase in Tier 1 capital contemplated by the Capital Plan may be accomplished through a deduction from the Bank’s Allowance for Loan and Lease Losses (“ALLL”) or other reserve accounts. Further, the Bank shall not lend funds directly or indirectly, whether secured or unsecured, to any purchaser of Bank or affiliate
stock or other securities, or to any investor by any other means for any portion of any increase in Tier 1 capital contemplated by the Capital Plan.

Copies of each monthly evaluation shall be submitted to the Regional Director and

ORDER. Quarterly or more frequently thereafter, while this ORDER is in effect, the

The Bank shall provide a copy of this report to the Regional Director and the Commissioner within 30 days of the end of each calendar quarter subsequent to the effective date of this ORDER;

(v) provide a method of loan pricing that considers costs of funds, overhead and administrative costs as well as desired profits and determine when to use fixed rates and when to use floating rates;

(v) provide for a system of internal control, review and audit to ensure the integrity of the overall asset/liability and funds management process.

**INTERNAL AUDIT PROGRAM**

7. Within 30 days of the effective date of this ORDER, the Board shall revise the Bank’s internal audit program to (i) address all of the internal audit and control deficiencies noted in the 2009 ROE and (ii) ensure conformity with the *Interagency Policy Statement on the Internal Audit Function and its Outsourcing* and (iii) require monthly reports of all audit findings to the Board.

**CHARGE-OFF AND REDUCTION OF CLASSIFIED ASSETS**

8. (a) Within 30 days of the effective date of this ORDER, the Bank shall, to the extent that it has not previously done so, eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss by the FDIC or DOBI as a result of their March 30, 2009 examination of the Bank. Elimination or reduction of these assets through proceeds of loans made by the Bank shall not be considered “collection” for the purpose of this paragraph.

   (b) Within 45 days after the effective date of this ORDER, the Board shall submit a written plan to reduce the remaining assets classified Doubtful and Substandard by the FDIC or DOBI as a result of their March 30, 2009 examination of the Bank to the Regional Director and the Commissioner in accordance with paragraph 10 of
this ORDER. In addition, the Bank’s plan shall contain a schedule detailing the projected reduction of total classified assets on a quarterly basis. Further, the plan shall contain a provision requiring the submission of monthly progress reports to the Board and a provision mandating a review by the Board.

(c) The Bank shall present the plan to the Regional Director and the Commissioner in accordance with paragraph 10 of this ORDER.

(d) For purposes of the plan, the reduction of adversely classified assets as required by this paragraph of the ORDER shall be detailed using quarterly targets expressed as a percentage of the Bank’s Tier 1 Capital plus the Bank’s ALLL and may be accomplished by charge-off, collection, sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification as determined by the FDIC or DOBI; or an increase in the Bank’s Tier 1 Capital.

(e) While this ORDER is in effect, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss as a result of any future examination conducted by the FDIC or DOBI.

16. It is expressly and clearly understood that nothing herein shall preclude any proceedings brought by the Regional Director and the Commissioner to enforce the terms of this ORDER, and that nothing herein constitutes, nor shall the Bank contend that it constitutes, a waiver of any right, power, or authority of any other representatives of the United States or agencies thereof, Department of Justice or any other representatives of the State of New Jersey or any other agencies thereof, including any prosecutorial agency, to bring other actions deemed appropriate.
