The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for The Patterson Bank, Patterson, Georgia (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated January 22, 2010, that is accepted by the FDIC and the Georgia Department of Banking and Finance (“Department”). The Department may issue an order pursuant to section 7-1-91 of the Official Code of Georgia Annotated, GA Code Ann. Section 7-1-91 (1985).

With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, earnings, capital, liquidity, and sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the Department.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and section 7-1-91 of the Official Code of Georgia Annotated, GA Code Ann. Section 7-1-91 (1985) have been satisfied, the FDIC and the Department hereby order that:

BOARD OF DIRECTORS

1. (a) Effective immediately, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 60 days from the effective date of this ORDER, the Bank's Board shall develop and adopt an educational program for periodic training for each member of the Board. The educational program shall include, at a minimum:

- (i) specific training in the areas of lending, operations, and compliance with laws, rules and regulations applicable to banks chartered in the state of Georgia; and,
- (ii) specific training in the duties and responsibilities of the Board in connection with the safe and sound operation of the Bank.

Upon adoption of the educational program, it shall be submitted to the Regional Director of the FDIC's Atlanta Regional Office and the Department (hereinafter "Supervisory Authorities") for review and comment. The Board shall document the training activities in the minutes of the next Board meeting following completion of the training. The Board's actions as required by this paragraph shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations.

COMPLIANCE WITH ORDER

2. Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least four members, to oversee the Bank's compliance with the ORDER. Three of the members of the Directors' Committee shall not be officers of the Bank. The Directors' Committee shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

3. (a) Within 60 days from the effective date of this ORDER, the Bank shall have and retain qualified management.

(b) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Management shall include a chief executive officer, chief credit officer, and a chief financial officer with supervisory experience levels for the Bank's risk profile. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this ORDER.

(c) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this ORDER;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition, including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(d) During the life of this ORDER, the Bank shall notify the Supervisory Authorities, in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall comply with the requirements of Section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104.

(e) Within 45 days from the effective date of this ORDER, the Bank shall develop and approve a written analysis and assessment of the Bank's management and staffing needs ("Management Plan") for the purpose of providing qualified management for the Bank. The Management Plan shall include, at a minimum:

- (i) identification of both the type and number of officer positions needed to properly manage and supervise the affairs of the Bank;
- (ii) identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;
- (iii) annual written evaluations of all Bank officers, and staff members to determine whether these individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including, but not limited to, adherence to the Bank's established policies and practices, and restoration and maintenance of the Bank in a safe and sound condition;
- (iv) a plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and
- (v) an organizational chart.

(f) The written Management Plan shall also include the requirement that the Board, or a committee thereof consisting of not less than a majority of the individuals, who are independent with respect to the Bank, provide supervision over lending,

investment and operating policies of the Bank sufficient to ensure that the Bank complies with the provisions of this ORDER.

(g) Such Management Plan and its implementation shall be satisfactory to the Supervisory Authorities.

COMPENSATION

4. (a) Within 45 days from the effective date of this ORDER, the Bank's Board shall adopt an employee compensation plan after obtaining a written independent study of compensation paid to the Bank's executive officers, loan officers, and operations officers, and the Bank's Board. The findings from the written independent study shall be the basis for determining compensation of all executive officers. The compensation plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations. At a minimum, the written independent study shall include:

- (i) an analysis of the management and personnel structure;
- (ii) a critical analysis of each individual's background, experience, duties and responsibilities, and an appraisal of the individual's performance compared to the present level of compensation, including incentive compensation;
- (iii) a comparison of each officer's total compensation with compensation received by officers with similar responsibilities in similar institutions;
- (iv) a determination of whether present executive officers are capable of implementing the Bank's Board directives and policies, operating

within the constraints of laws and regulations, and operating the Bank in a prudent manner;

(v) an analysis of staffing adequacy; and

(vi) a review of Bank Board members qualifications and committee structures.

(b) For the purposes of this paragraph, “compensation” refers to any and all salaries, bonuses, incentive compensation, and other benefits of every kind and nature whatsoever, whether paid directly or indirectly.

CONCENTRATIONS OF CREDIT

5. (a) Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the concentrations of credit identified in the Joint Report of Examination dated September 21, 2009 (“Report”). Concentrations should be identified by product type, geographic distribution, underlying collateral or other asset groups, which are considered economically related and in the aggregate represent a large portion of the Bank’s Tier 1 Capital. The Bank shall develop a written plan approved by its Board and acceptable to the Supervisory to systematically reduce the concentrations of credit identified in the Report. At a minimum the plan must provide for written procedures for the ongoing measurement and monitoring of the concentrations of credit, and a limit on concentrations commensurate with the Bank’s capital position, safe and sound banking practices, and the overall risk profile of the Bank.

CAPITAL

6. (a) Within 60 days from the effective date of this ORDER, the Bank shall

have Tier 1 Capital in such amount as to equal or exceed eight percent (8.0%) of its total assets.

(b) Thereafter during the life of this ORDER, the Bank shall maintain Tier 1 Capital in such an amount as to equal or exceed eight percent (8.0%) of the Bank's total assets.

(c) Additionally, during the life of this ORDER the Bank shall maintain a Total Risk Based Capital Ratio of at least ten percent (10.0%) as that Risk Based Capital Ratio is described in the FDIC Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, Appendix A.

(d) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to paragraphs 6(a) and 6(b) shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(e) Any increase in Tier 1 Capital necessary to meet the requirements of paragraphs 6(a) and 6(b) of this ORDER may be accomplished by the following:

- (i) sale of common stock; or
- (ii) sale of noncumulative perpetual preferred stock; or
- (iii) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (iv) any other means that has been approved as acceptable to the Supervisory Authorities; or
- (v) any combination of the above means.

Any increase in Tier 1 Capital necessary to meet the requirements of paragraphs 6(a) and 6(b) of this ORDER may not be accomplished through a deduction from the Bank's ALLL.

(f) If all or part of any necessary increase in Tier 1 Capital required by paragraphs 6(a) and 6(b) of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Division of Supervision and Consumer Compliance, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and to the Department, for review. Any changes requested to be made in the plan or materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(g) In complying with the provisions of paragraphs 6(a) and 6(b) of this ORDER, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within ten (10) days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(h) For the purposes of this ORDER, the terms "Tier 1 Capital" and "total assets" shall have the meanings ascribed to them in 12 C.F.R. Part 325.

CASH DIVIDENDS AND OTHER BANK PAYMENTS

7. (a) While this ORDER is in effect, the Bank shall not declare or pay dividends or bonuses without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend declaration date (at least 5 days with respect to any request filed within the first 30 days after the date of this ORDER) and shall contain, but not be limited to, an analysis of the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

(b) During the term of this ORDER, the Bank shall not make any distributions of interest, principal or other sums on subordinated debentures, if any, without the prior written approval of the Supervisory Authorities.

ALLOWANCE FOR LOAN AND LEASE LOSSES

8. (a) Immediately upon the entry of this ORDER, the Board shall make a provision to replenish the ALLL which, as the date of the examination, is underfunded as set forth in the Report.

(b) Within 30 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, present and prospective economic conditions, and the methodology provided in Financial Accounting Standards Board Statement 114 "Accounting By Creditors for Impairment of a Loan." A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities.

BROKERED DEPOSITS

9. (a) Throughout the effective life of this ORDER, the Bank shall not accept, renew, rollover any brokered deposit, as defined by 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b), governing solicitation and acceptance of brokered deposits by insured depository institutions.

(b) The Bank shall comply with the restrictions on the effective yields on deposits as described in 12 CFR § 337.6.

LIQUIDITY

10. Within 30 days from the effective date of this ORDER, the Bank shall adopt and implement a written plan addressing liquidity, contingent funding, and asset liability management. A copy of the plan shall be submitted to the Supervisory Authorities upon its completion for review and comment. Within 30 days from the receipt of any comments from the Supervisory Authorities, the Bank shall incorporate those recommended changes. Thereafter, the Bank shall implement and follow the plan. Annually during the life of this ORDER, the Bank shall review this plan for adequacy and, based upon such review, shall make appropriate revisions to the plan that are necessary to strengthen funds management procedures and maintain adequate provisions to meet the Bank's liquidity needs.

CHARGE-OFF

11. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and 50 percent of those assets classified "Doubtful" in the Report that have not been previously collected or charged-off. (If an asset classified "Doubtful" is a

loan or lease, the Bank may, in the alternative, increase its ALLL by an amount equal to 50 percent of the loan or lease classified “Doubtful”.) Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the Department, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified “Loss” and 50 percent of the those classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities.

(c) Elimination or reduction of assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

REDUCTION OF CLASSIFIED ITEMS

12. (a) Within 45 days from the effective date of this ORDER, the Bank shall adopt a written plan to reduce the Bank’s risk position in each asset in excess of \$100,000 which is classified “Substandard” or “Doubtful” in the Report. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each adversely classified loan, review, analyze, develop target goals for reducing the loan balance, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(b) Within 60 days from the effective date of this ORDER, the Bank shall

submit the plan required in paragraph 12(a) to the Supervisory Authorities for review and comment. Within 30 days from the receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plans, which approval shall be recorded in the minutes of the meeting of the Board. Thereafter, the Bank shall implement and fully comply with the plans. Such plans shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrently with the other reporting requirements set forth in paragraph 20 of this ORDER.

(c) The written plan mandated by this provision shall further require a reduction in the aggregate balance of assets classified “Substandard” in the Report in accordance with the following schedule. For purposes of this paragraph, “number of days” means number of days from the effective date of this ORDER.

(i) Within 180 days, a reduction of twenty-five percent (25%) in the balance of assets classified “Substandard” or “Doubtful”;

(ii) Within 360 days, a reduction of forty-five percent (45%) in the balance of assets classified “Substandard” or “Doubtful”;

(iv) Within 720 days, a reduction of seventy-five percent (75%) in the balance of assets classified “Substandard” or “Doubtful”.

(d) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. The plan

may include a provision of increasing Tier 1 Capital when necessary to achieve the proscribed ratio.

NO ADDITIONAL CREDIT

13. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, “Loss” or “Doubtful” and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, “Substandard” and remains uncollected.

(c) Paragraph 13(b) shall not apply if the Bank’s failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing as follows:

- (i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;
- (ii) that the Bank’s position would be improved thereby; and
- (iii) how the Bank’s position would be improved.

(d) The signed certification shall be made a part of the minutes of the Board or its designated committee and a copy of the signed certification shall be retained in the borrower's credit file.

In addition, the Bank shall obtain adequate and current documentation for all loans in the Bank's loan portfolio. Such policy and its implementation shall be in a form and manner acceptable to the Supervisory Authorities.
