The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Mile High Banks, Longmont, Colorado (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting board of directors, has executed a “Stipulation to the Issuance of a Consent Order” (“Stipulation”), dated January 21, 2010 that is accepted by the FDIC. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices relating to the level of capital protection, the level of problem assets, concentrations of credit, earnings performance, the level of the ALLL, and funds management practices, to the issuance of this Consent Order (“Order”) by the FDIC.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) have been satisfied, the FDIC hereby orders that:

CLASSIFIED ASSETS - CHARGE-OFF AND PLAN FOR REDUCTION

1. (a) Within 30 days after the effective date of this ORDER, the Bank shall, to the extent that it has not previously done so, eliminate from its books, by charge-off or

collection, all assets or portions of assets classified Loss by the FDIC or the State as a result of its examination of the Bank as of June 26, 2009. Elimination or reduction of these assets through proceeds of loans made by the Bank shall not be considered “collection” for the purpose of this paragraph.

(b) Within 60 days after the effective date of this ORDER, the Bank shall submit a written plan to the Regional Director, Dallas Regional Office, FDIC (“Regional Director”), and the Commissioner, Colorado Division of Banking (“Commissioner”) to reduce the remaining assets classified Doubtful and Substandard as of June 26, 2009. The plan shall address each asset so classified with a balance of \$1,000,000 or greater and provide the following:

- (1) The name under which the asset is carried on the books of the Bank;
- (2) Type of asset;
- (3) Actions to be taken in order to reduce the classified asset; and
- (4) Timeframes for accomplishing the proposed actions.

The plan shall also include, at a minimum:

- (1) Review the financial position of each such borrower, including the source of repayment, repayment ability, and alternate repayment sources; and
- (2) Evaluate the available collateral for each such credit, including possible actions to improve the Bank’s collateral position.

In addition, the Bank’s plan shall contain a schedule detailing the projected reduction of total classified assets on a quarterly basis. Further, the plan shall contain a provision requiring

the submission of monthly progress reports to the Bank's board of directors and a provision mandating a review by the Bank's board of directors.

(c) The Bank shall present the plan to the Regional Director and the Commissioner for review. Within 30 days after the Regional Director's and the Commissioner's response, the plan, including any requested modifications or amendments shall be adopted by the Bank's board of directors which approval shall be recorded in the minutes of the meeting of the Bank's board of directors. The Bank shall then immediately initiate measures detailed in the plan to the extent such measures have not been initiated.

(d) For purposes of the plan, the reduction of adversely classified assets as of June 26, 2009 shall be detailed using quarterly targets expressed as a percentage of the Bank's Tier 1 Capital plus the Bank's Allowance for Loan and Lease Losses and may be accomplished by:

- (1) Charge-off;
- (2) Collection;
- (3) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the State; or
- (4) Increase in the Bank's Tier 1 Capital.

(e) While this ORDER is in effect, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss as determined at any future examination conducted by the FDIC or the State.

RESTRICTION ON ADVANCES TO CLASSIFIED BORROWERS

2. (a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to or for the benefit of any borrower whose existing credit has been classified Loss by the FDIC or the State as the result of its examination of the Bank, either in whole or in part, and is uncollected, or to any borrower who is already obligated in any manner to the Bank on any extension of credit, including any portion thereof, that has been charged off the books of the Bank and remains uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing credit already extended to a borrower after full collection, in cash, of interest due from the borrower.

(b) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to or for the benefit of any borrower whose extension of credit is classified Doubtful and/or Substandard by the FDIC or the State as the result of its examination of the Bank, either in whole or in part, and is uncollected, unless the Bank's board of directors has signed a detailed written statement giving reasons why failure to extend such credit would be detrimental to the best interests of the Bank. The statement shall be placed in the appropriate loan file and included in the minutes of the applicable Bank's board of directors' meeting.

REDUCTION OF DELINQUENCIES

3. (a) Within 60 days after the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director and the Commissioner for review and comment a written plan for the reduction and collection of delinquent loans. Such plan shall include, but not

be limited to, provisions which:

- (1) Prohibit the extension of credit for the payment of interest;
- (2) Delineate areas of responsibility for implementing and monitoring the Bank's collection policies;
- (3) Establish specific collection procedures to be instituted at various stages of a borrower's delinquency;
- (4) Establish dollar levels to which the Bank shall reduce delinquencies; and
- (5) Provide for the submission of monthly written progress reports to the Bank's board of directors for review and notation in minutes of the meetings of the Bank's board of directors.

(b) For purposes of the plan, "reduce" means to:

- (1) Charge-off; or
- (2) Collect.

(c) After the Regional Director and the Commissioner have responded to the plan, the Bank's board of directors shall adopt the plan as amended or modified by the Regional Director and the Commissioner. The plan will be implemented immediately to the extent that the provisions of the plan are not already in effect at the Bank.

CAPITAL PLAN

4. (a) Within 60 days after the effective date of this ORDER, the Bank shall submit a written capital plan to the Regional Director and the Commissioner to increase its Tier 1 Capital. The capital plan shall also require the Bank, after establishing an Allowance for Loan

and Lease Losses, to achieve and maintain its Tier 1 Leverage Capital ratio equal to or greater than 9 percent of the Bank's Average Total Assets; to achieve and maintain its Tier 1 Risk-Based Capital ratio equal to or greater than 10 percent of the Bank's Total Risk-Weighted Assets; and to achieve and maintain its Total Risk-Based Capital ratio equal to or greater than 12 percent of the Bank's Total Risk Weighted Assets.

(b) After the Regional Director and the Commissioner respond to the capital plan, the Bank's board of directors shall adopt the capital plan, including any modifications or amendments requested by the Regional Director and the Commissioner. Thereafter, the Bank shall immediately initiate measures detailed in the capital plan, to the extent such measures have not previously been initiated, to effect compliance with the plan within 60 days after the Regional Director and the Commissioner respond to the capital plan.

(c) Such increase in Tier 1 Capital and any increase in Tier 1 Capital necessary to meet the capital ratios required by this ORDER may be accomplished by:

- (1) The sale of securities in the form of common stock; or

(d) If any such capital ratios are less than required by the ORDER, as determined as of the date of any Report of Condition and Income or at an examination by the FDIC or the State, the Bank shall, within 30 days after receipt of a written notice of the capital deficiency from the Regional Director or the Commissioner, present to the Regional Director and the Commissioner a new capital plan to increase the Bank's Tier 1 Capital of the Bank or to take such other measures to bring all the capital ratios to the percentages required by this ORDER. After the Regional Director and the Commissioner respond to the new capital plan, the Bank's board of directors shall adopt the new capital plan, including any modifications or amendments requested by the Regional Director and the Commissioner.

(e) Thereafter, the Bank shall immediately initiate measures detailed in the plan, to the extent such measures have not previously been initiated, to increase its Tier 1 Capital by an amount sufficient to bring all the Bank's capital ratios to the percentages required by this ORDER within 180 days after the Regional Director and the Commissioner respond to the new capital plan.

(f) If all or part of the increase in Tier 1 Capital required by this ORDER is to be accomplished by the sale of new securities, the Bank's board of directors shall adopt and implement a plan for the sale of such additional securities, including soliciting proxies and the voting of any shares or proxies owned or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with Federal securities laws. Prior to the

implementation of the plan, and in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Accounting and Securities Disclosure Section, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or the materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is to be provided by the sale of non-cumulative perpetual preferred stock, then all terms and conditions of the issue shall be presented to the Regional Director and the Commissioner for prior approval.

(g) In complying with the provisions of this ORDER and until such time as any such public offering is terminated, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned or existing development or other change which is materially different from the information reflected in any offering materials used in connection with the sale of the Bank securities. The written notice required by this paragraph shall be furnished within 10 days after the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber who received or was tendered the information contained in the Bank's original offering materials.

(h) In addition, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, App. A.

(i) For purposes of this ORDER, all terms relating to capital shall be calculated according to the methodology set forth in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325.

The allowance should be funded by charges to current operating income, and should be calculated in accordance with generally accepted accounting standards and ALLL supervisory guidance. After the initial provision is made, the Bank shall thereafter maintain a reasonable ALLL. Prior to the end of each calendar quarter, the Bank’s board of directors shall review the adequacy of the Bank’s ALLL. Such reviews shall include, at a minimum, the Bank’s loan loss experience, an estimate of potential loss exposure in the portfolio, trends of delinquent and non-accrual loans and prevailing and prospective economic conditions.
