The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for The Community’s Bank, Bridgeport, Connecticut (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“Stipulation”), dated February 17, 2010, that is accepted by the FDIC. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in liquidity, capital, asset quality, and earnings, to the issuance of this Consent Order (“Order”) by the FDIC.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) have been satisfied, the FDIC hereby orders that:

MANAGEMENT – BOARD SUPERVISION

1. Within thirty (30) days after the effective date of this ORDER, the Bank’s Board shall further increase its participation in the affairs of the Bank by assuming full responsibility

- (ii) identification and establishment of such Bank committees as are needed to provide effective guidance and oversight to management;

- (iv) a plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions identified in the Management Plan.

(d) The Management Plan shall be submitted to the Area Director and the Commissioner for review and comment upon its completion. Within thirty (30) days from the

receipt of any comments from the Area Director and the Commissioner, and after the adoption of any recommended changes, the Bank shall approve the Management Plan, and record its approval in the minutes of the Board meeting. Thereafter, the Bank shall implement and follow the Management Plan.

Thereafter, the Bank shall immediately initiate measures detailed in the Capital Plan.

(c) Any increase in Tier 1 Capital necessary to meet the capital ratios required by this ORDER may be accomplished by:

Should the implementation of the plan involve a public distribution of the Bank's securities, the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with Federal and State securities laws. Any changes requested to be made in the plan or the materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is to be provided by the sale of non-cumulative perpetual preferred stock by the Bank, then all terms and conditions of the issue shall be presented to the Area Director and the Commissioner for prior approval.

(f) In complying with the provisions of this ORDER and until such time as any such public offering is terminated, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned or existing development or other change which is materially different from the information reflected in any offering materials used in connection with the sale of the Bank securities.
