The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for The Village Bank, St. George, Utah (“Bank”) under Section 3(q) of the Federal Deposit Insurance Act (“FDI Act”), 12 U.S.C. § 1813(q)(3).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a Stipulation to the Issuance of a Consent Order (“Stipulation”), dated February 11, 2010, that is accepted by the FDIC. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices relating to management, capital, and asset quality, to the issuance of this Consent Order (“Order”) by the FDIC.

Having determined that the requirements for issuance of an order under Section 8(b) of the FDI Act, 12 U.S.C. § 1818(b), have been satisfied, the FDIC hereby orders that:

1. The Bank shall have and retain qualified management.

(a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Management shall include the following: (i) a chief executive officer with proven ability in managing a bank of comparable size and risk profile; (ii) a chief financial officer with proven ability in all aspects

of financial management; and (iii) a senior lending officer with significant lending, collection, and loan supervision experience and experience in upgrading a low quality loan portfolio. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this Order.

(b) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this Order;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition,

including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) During the life of this Order, the Bank shall notify the Regional Director of the FDIC's San Francisco Regional Office ("Regional Director") in writing when it proposes to add or replace any individual on the Board, or employ any individual to serve as a senior executive officer, or change the responsibilities of any existing senior executive officer to include the responsibilities of another senior executive officer position. The term "senior executive officer" shall have the same meaning ascribed to it in Part 303 of the FDIC's Rules and Regulations, 12 C.F.R. § 303.101. The notification shall include a completed Interagency Biographical and Financial Report and Interagency Change in Director or Senior Executive Officer and must be received at least 30 days before the addition, employment or change of responsibilities is intended to become effective. The Regional Director shall have the power under the authority of this Order to disapprove the addition, employment or change of responsibilities of any proposed officer or director.

(d) The requirement to submit information and the prior disapproval provisions of this paragraph are based upon the authority of 12 U.S.C. § 1818(b) and do not require the Regional Director to complete their review and act on any such information or authority within 30 days, or any other timeframe. The Bank shall not add, employ or change the responsibilities of any proposed director or senior executive officer until such time as the Regional Director has completed its review.

2. (a) Within 90 days from the effective date of this Order, the Bank shall increase and thereafter maintain its Tier 1 capital in such an amount as to equal or exceed 11 percent of the Bank's total assets.

(b) Within 60 days from the effective date of this Order, the Bank shall develop and adopt a plan to meet and thereafter maintain the minimum risk-based capital requirements as described in the FDIC's Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, Appendix A. The Plan shall be in a form and manner acceptable to the Regional Director as determined at subsequent examinations.

(c) The level of capital to be maintained during the life of this Order shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Regional Director as determined at subsequent examinations and/or visitations. Any increase in Tier 1 capital necessary to meet the requirements of this paragraph may not be accomplished through a deduction from the Bank's ALLL.

(d) For the purposes of this Order, the terms "Tier 1 capital" and "total assets" shall have, the meanings ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. §§ 325.2(v) and 325.2(x)..

3. The Bank shall not pay cash dividends or make any other payments to its shareholders without the prior written consent of the Regional Director.

4. (a) Within 10 days from the effective date of this Order, the Bank shall eliminate from its books, by charge-off or collection, all assets classified “Loss” in the Joint FDIC and Utah Department of Financial Institutions Report of Examination dated October 13, 2009 (“ROE”) that have not been previously collected or charged off. Elimination of these assets through proceeds of other loans made by the Bank is not considered collection for the purpose of this paragraph.

(b) Within 180 days from the effective date of this Order, the Bank shall have reduced the assets classified “Doubtful” and “Substandard” in the ROE that have not previously been charged off to not more than 120 percent of the Bank’s Tier 1 capital and ALLL.

(e) The requirements of this paragraph are not to be construed as standards for future operations, and, in addition to the foregoing, the Bank shall eventually reduce the total of all adversely classified assets. Reduction of these assets through proceeds of other loans made by the Bank is not considered collection for the purpose of this paragraph. As used in this paragraph the word “reduce” means:

- (i) to collect;
- (ii) to charge-off; or
- (iii) to sufficiently improve the quality of assets adversely classified to

warrant removing any adverse classification, as determined by the FDIC.

(f) Within 60 days from the effective date of this Order, the Bank shall develop written asset disposition plans for each classified asset greater than \$500,000. The plans shall be reviewed and approved by the Bank's Board and acceptable to the Regional Director as determined at subsequent examinations and/or visitations.

In determining an acceptable level for each segment of concentration risk within the Bank's portfolio, the Bank shall consider the *Interagency Guidance on Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices*, FIL-104-2006, and the Bank's current exposure in relation to capital. Such plan and its implementation shall be in a form and manner acceptable to the Regional Director as determined a subsequent examination and/or visitations.
