(INSURED STATE NONMEMBER BANK)	)	
	)	
_____	)	

The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Pan Pacific Bank, Fremont, California (“Bank”), under 12 U.S.C. § 1813(q). The California Department of Financial Institutions (“CDFI”) is the appropriate State banking agency for the Bank under Division 1 of the California Financial Code.

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a Stipulation to the Issuance of a Consent Order (“Stipulation”) , dated April 20, 2010, that is accepted by the FDIC and the CDFI. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices related to weaknesses in capital, asset quality, management, earnings and liquidity to the issuance of this Consent Order (“Order”) by the FDIC and the CDFI pursuant to Section 8(b)(1) of the FDI Act and Section 1913 of the California Financial Code.

Having determined that the requirement for issuance of an order under 12 U.S.C. § 1818(b) and Section 1913 of the California Financial Code have been satisfied, the FDIC and the CDFI hereby order that:

1. The Bank shall have and retain qualified management.

(a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Management shall include a chief executive officer with proven ability in managing a bank of comparable size and risk profile. Each member of management shall be provided appropriate written authority from the Board of Directors (“Board”) to implement the provisions of this Order.

(b) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this Order;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition,

including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) During the life of this Order, the Bank shall notify the Regional Director of the FDIC’s San Francisco Regional Office (“Regional Director”) and the Commissioner of the CDFI (“Commissioner”) in writing when it proposes to add or replace any individual on the Board, or employ any individual to serve as a senior executive officer, or change the responsibilities of any existing senior executive officer to include the responsibilities of another senior executive officer position. The term “senior executive officer” shall have the same meaning ascribed to it in Part 303 of the FDIC’s Rules and Regulations, 12 C.F.R. § 303.101.

The notification shall include a completed Interagency Biographical and Financial Report and Interagency Change in Director or Senior Executive Officer and must be received at least 30 days before the addition, employment or change of responsibilities is intended to become effective. The Regional Director and the Commissioner shall have the power under the authority of this Order to disapprove the addition, employment or change of responsibilities of any proposed officer or director.

(d) The requirement to submit information and the prior disapproval provisions of this paragraph are based upon the authority of 12 U.S.C. § 1818(b) and do not require the Regional Director and the Commissioner to complete their review and act on any such information or authority within 30 days, or any other timeframe. The Bank shall not add, employ or change the responsibilities of any proposed director or senior executive officer until such time as the Regional Director and the Commissioner have completed their review.

2. Within 90 days from the effective date of this Order, the Board shall obtain an independent study of the management, directorate and personnel structure of the Bank to determine whether additional personnel are needed for the safe and profitable operation of the Bank. Such study shall include, at a minimum, a review of the duties, responsibilities, qualifications, and remuneration of the Bank's officers. In addition to management, staffing levels and performance, the study shall also include a review of Board composition, experience and cohesiveness. The Board shall adopt a plan to implement the recommendations of the study. The plan and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

3. During the life of this Order, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives

and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; liquidity and funds management activities; operating policies; and individual committee actions. The Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

4. (a) Within 120 days from the effective date of this Order, the Bank shall increase and thereafter maintain its Tier 1 capital in such an amount to ensure that the Bank's leverage ratio equals or exceeds 12 percent.

(b) Within 90 days from the effective date of this Order, the Bank shall develop and adopt a plan to meet and maintain the capital requirements of this Order and to comply with the FDIC's Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, Appendix A. Such plan and its implementation shall be in a form and manner acceptable to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

(c) The level of capital to be maintained during the life of this Order shall be in addition to a fully funded allowance for loan and lease losses ("ALLL") the adequacy of which shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations. Any increase in Tier 1 capital necessary to meet the requirements of this paragraph may not be accomplished through a deduction from the Bank's ALLL.

(d) If all or part of the increase in capital required by this Order is accomplished by the sale of new securities, the Board shall adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with all applicable State and Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Registration, Disclosure and Securities Unit, 550 17<sup>th</sup> St. N.W., Washington, D.C. 20429, for review, and to the Commissioner to obtain any and all necessary securities permits or other approvals. Any changes requested by the FDIC shall be made prior to dissemination. If the increase in capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Regional Director and the Commissioner for prior approval.

(e) Subject to obtaining all required prior authorizations, permits or other approvals from the Commissioner, the Bank shall promptly revise or supplement the offering materials it is using in connection with the offer and sale of its securities to fully and fairly disclose every material change or development regarding the Bank and its operation, including every planned change that would be material, that occurs during the offering of the securities.

The Bank shall provide the revised offering materials or supplement, along with a notice that the subscriber may rescind its subscription, to each subscriber that has submitted a subscription for the Bank's securities before receiving the revised offering materials or supplement for at least ten (10) days before accepting the subscriber's subscription.

(f) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(g) For the purposes of this Order, the terms "leverage ratio" and "Tier 1 capital" shall have, the meanings ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. §§ 325.2(m) and 325.2(v) and Appendix A.

5. (a) During the life of this Order, the Bank shall maintain an adequate ALLL commensurate to the overall risk in its portfolio.

(b) Additionally, within 30 days from the effective date of this Order, the Board shall develop or revise, adopt and implement a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the allowance shall be determined after the charge-off of all loans or other items classified "Loss." The policy shall provide for a review of the allowance at least once each calendar quarter. Said review shall be completed in order that the findings of the Board with respect to the ALLL are properly

reported in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the allowance shall be remedied in the calendar quarter it is discovered, prior to submitting the Report of Condition, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. Upon completion of the review, the Bank shall increase and maintain its ALLL consistent with the ALLL policy established. Such policy and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

6. (a) Within 60 days from the effective date of this Order, the Bank shall formulate a written plan to reduce the Bank's risk exposure in each asset adversely classified "Substandard" or "Doubtful" detailed in the August 31, 2009, joint Report of Examination, including all outstanding loan commitments to a level of acceptable asset quality. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Regional Director and the Commissioner. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each such adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) The plan mandated by this provision shall also include, but not be limited to, the following:

(i) A schedule for reducing the outstanding dollar amount of each such adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each such adversely classified asset must show its expected dollar balance on a quarterly basis);

(ii) Specific action plans intended to reduce the Bank's risk exposure in each such classified asset;

(iii) A schedule showing, on a quarterly basis, the expected consolidated balance of all such adversely classified assets, and the ratio of the consolidated balance to the Bank's projected Tier 1 capital plus the ALLL;

(iv) A provision for the Bank's submission of monthly written progress reports to its Board; and

(v) A provision mandating Board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the Board.

(c) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. The plan may include a provision for increasing Tier 1 capital when necessary to achieve the prescribed ratio.

(d) The Bank shall, immediately upon completion, submit the plan to the Regional Director and the Commissioner for review and comment. Within 30 days from receipt of any comment from the Regional Director and the Commissioner, and after due consideration of any recommended changes, the Board shall approve the plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan.

7. Within 60 days of the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written three-year strategic plan to improve the Bank's profitability and risk profile. Such plan shall be submitted to the Regional Director and the Commissioner and shall include the following:

(a) The plan shall ensure that the Bank maintains adequate capital and liquidity, and shall specifically address the composition of the loan and deposit portfolios and restore the loan to deposit ratio to a satisfactory level.

(b) The plan shall address goals and strategies for improving and sustaining the earnings of the Bank, including identification of the major areas in, and means by which, the Bank's Board will seek to improve the Bank's operating performance.

(c) As part of the plan the Bank shall formulate and fully implement a comprehensive budget for all categories of income and expense. This budget shall include formal goals and strategies, consistent with sound banking practices, to improve the Bank's net interest margin, increase interest income, reduce discretionary expenses, and improve and sustain the earnings of the Bank. The budget shall include a description of the operating assumptions that form the basis for, and adequately support, major projected income and expense components.

(d) Following the end of each calendar quarter, the Bank's Board shall evaluate the Bank's actual performance in relation to the plan and budget and shall record the results of the evaluation, and any actions taken by the Bank, in the minutes of the Bank's Board meeting at which such evaluation is undertaken.

(e) Thereafter, the Bank shall update the three year plan and budget by November 30 of each subsequent year.

The plan and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

8. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written liquidity and funds management policy that adequately addresses liquidity needs and appropriately reduces the reliance on non-core funding sources. Such policy and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

9. During the life of this Order, the Bank shall not engage in any new lines of business or establish any new branches or other offices of the Bank without the prior written approval of the Regional Director and the Commissioner.

10. During the life of this Order, the Bank shall file with the FDIC Reports of Condition and Income which accurately reflect the financial condition of the Bank as of the end of the period for which the Reports are filed, including any adjustment in the Bank's books made necessary or appropriate as a consequence of any FDIC examination of the Bank during that reporting period.

11. The Bank shall not pay any cash dividends or make any distributions representing a reduction of its capital without the prior written approval of the Regional Director and the Commissioner. All requests for prior approval shall be received by the Regional Director and the Commissioner at least 30 days prior to the proposed declaration or distribution date.

12. Within 30 days of the end of the first quarter following the effective date of this Order, and within 30 days of the end of each quarter thereafter, the Bank shall furnish written progress reports to the Regional Director and the Commissioner detailing the form and manner of any actions taken to secure compliance with this Order and the results thereof. Such reports

may be discontinued when the corrections required by this Order have been accomplished and the Regional Director and the Commissioner have released the Bank in writing from making further reports.

13. Following the effective date of this Order, the Bank shall provide a copy of the Order or otherwise furnish a description of the Order to its shareholder(s) in conjunction with:

- (a) the Bank's next shareholder communication; or
- (b) the notice or proxy statement preceding the Bank's next shareholder

meeting.

The description shall fully describe the Order in all material respects. The description and any accompanying communication, statement, or notice shall be sent to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17<sup>th</sup> Street, N.W., Washington, D.C. 20429, at least 20 days prior to dissemination to shareholders. Any changes requested to be made by the FDIC shall be made prior to dissemination of the description, communication, notice, or statement.

The provisions of this Order shall not bar, estop, or otherwise prevent the FDIC, the CDFI, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties, as that term is defined in Section 3(u) of the FDI Act, 12 U.S.C. § 1813(u).

This Order will become effective upon its issuance by the FDIC and the CDFI.

The provisions of this Order shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.

The provisions of this Order shall remain effective and enforceable except to the extent that and until such time as any provision has been modified, terminated, suspended, or set aside

by the FDIC and the CDFI.

Violation of any provisions of this Order, will be deemed to be conducting business in an unsafe or unsound manner, and will subject the Bank to further regulatory enforcement action.

Issued pursuant to delegated authority

Dated at San Francisco, California, this 22<sup>nd</sup> day of April, 2010.
