The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Great Florida Bank, Coral Gables, Florida (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated April 2, 2010, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). The OFR may issue an order pursuant to Chapter 120 and Section 655.033, Florida Statutes (2009).

With this Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, capital adequacy, earnings, liquidity, and management

effectiveness, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes have been satisfied, the FDIC and the OFR hereby order that:

BOARD OF DIRECTORS

1. Effective immediately, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

COMPLIANCE WITH ORDER

2. Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee (“Directors’ Committee”), consisting of at least five members, to oversee the Bank’s compliance with the ORDER. Three of the members of the

Directors' Committee shall not be officers of the Bank. The Directors' Committee shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

3. (a) During the life of this ORDER, the Bank shall continue to have and maintain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER. The Bank shall develop a plan of action to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications, which the Board determines are necessary to fill Bank officer or staff member positions.

(b) During the life of this ORDER, the Bank shall notify the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") and the OFR (collectively, "Supervisory Authorities"), in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, or executive officer as that term is defined in Section 655.005, Florida Statutes, the Bank

shall comply with the requirements of section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104; and Section 655.0385, Florida Statutes, and Rule 69U-100.03852 Florida Administrative Code.

CAPITAL

4. (a) Within 120 days from the effective date of this ORDER, the Bank shall have Tier 1 Capital in such amount as to equal or exceed 8 percent of the Bank's total assets and Total Risk-based Capital in such an amount as to equal or exceed 12 percent of the Bank's total risk-weighted assets. Thereafter, the Bank shall maintain Tier 1 Capital and Total Risk-based Capital ratios equal to or exceeding 8 percent and 12 percent, respectively, during the life of this ORDER. Tier 1 Capital and Total Risk-based Capital ratios shall be calculated at the end of each calendar quarter utilizing the definitions contained in 12 C.F.R. § 325.2. In the event these capital ratios fall below the required percentages at the end of any calendar quarter, the Bank shall notify the Supervisory Authorities of the capital deficiency within ten days and shall increase capital by an amount sufficient to raise the ratios to the required percentages prior to the next quarter end.

(b) The level of Tier 1 Capital and Total Risk-based Capital to be maintained during the life of this ORDER pursuant to paragraph 4(a) shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(c) Any increase in Tier 1 Capital necessary to meet the requirements of paragraph 4(a) of this ORDER may be accomplished by the following:

- (i) sale of common stock; or
- (ii) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (iii) any other means acceptable to the Supervisory Authorities; or
- (iv) any combination of the above means.

(d) Any increase in Tier 1 Capital necessary to meet the requirements of paragraphs 4(a) of this ORDER may not be accomplished through a deduction from the Bank's ALLL.

(e) If all or part of any necessary increase in Tier 1 Capital required by paragraph 4(a) of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Division of Supervision and Consumer

Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and the Office of Financial Regulation, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, Florida 32399-0371, for review. Any changes requested to be made in the plan or materials by the FDIC or the OFR shall be made prior to their dissemination. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(f) For the purposes of this ORDER, the terms “Tier 1 Capital” and “total assets” shall have the meanings ascribed to them in Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325.

CHARGE-OFF

5. (a) Within 30 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified “Loss” and 50 percent of those assets classified “Doubtful” in the FDIC Report of Examination dated September 28, 2009 (“Report”) that have not been previously collected or charged-off. (If an asset classified “Doubtful” is a loan or lease, the Bank may, in the alternative, increase its ALLL by an amount equal to 50 percent of the loan or lease classified “Doubtful”.)

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the OFR, eliminate from its books, by collection, charge-off, or other proper

entries, the remaining balance of any asset classified “Loss” and 50 percent of the those classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities.

RESTRICTIONS ON CERTAIN PAYMENTS

6. While this ORDER is in effect, the Bank shall not declare or pay dividends or bonuses without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend or bonus payment declaration date (at least 5 days with respect to any request filed within the first 30 days after the date of this ORDER) and shall contain, but not be limited to, an analysis of the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

ALLOWANCE FOR LOAN AND LEASE LOSSES

7. Within 30 days from the effective date of this ORDER, the Board shall continue to ensure the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified “Loss.” The ALLL policy shall continue to provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Reports of Condition and of Income. The review shall focus on the results of the Bank’s internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. Any future deficiency in the ALLL shall be remedied in the calendar quarter it is discovered,

prior to submitting the Reports of Condition and of Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall continue to indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities.

BROKERED DEPOSITS

8. (a) Throughout the effective life of this ORDER, the Bank shall not accept, renew, or rollover any brokered deposit, as defined by 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b), governing solicitation and acceptance of brokered deposits by insured depository institutions.

(b) The Bank shall comply with the restrictions on the effective yields on deposits as described in 12 C.F.R. § 337.6.

FUNDS MANAGEMENT PLAN

9. Within 120 days from the effective date of this ORDER and then annually during the life of this ORDER, the Bank shall review its written plan addressing liquidity, contingent funding, and asset liability management for adequacy and, based upon such review, shall make appropriate revisions to the plan that are necessary to strengthen funds management procedures, reduce the Bank's reliance on non-core funding, and maintain adequate provisions to meet the Bank's liquidity needs.

REDUCTION OF CLASSIFIED ITEMS

10. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank's risk exposure in each borrowing relationship identified on Items Subject to Adverse Classification section of the Report

which are in excess of \$5,000,000 and classified as “Substandard” or “Doubtful”. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, with respect to each adversely classified loan, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(b) Within 60 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the aggregate balance of assets classified “Substandard” and “Doubtful” in the Report in accordance with the following schedule:

(i) within 120 days from the effective date of this ORDER, the aggregate balance of assets classified “Substandard” and “Doubtful” shall not exceed two hundred fifty percent (250%) of the sum of Tier 1 Capital and ALLL;

(ii) within 180 days from the effective date of this ORDER, the aggregate balance of assets classified “Substandard” and “Doubtful” shall not exceed two hundred ten percent (210%) of the sum of Tier 1 Capital and ALLL;

(iii) within 270 days from the effective date of this ORDER, the aggregate balance of assets classified “Substandard” and “Doubtful” shall not exceed one hundred seventy-five percent (175%) of the sum of Tier 1 Capital and ALLL;

(iv) within 360 days from the effective date of this ORDER, the aggregate balance of assets classified “Substandard” and “Doubtful” shall

not exceed one hundred twenty-five percent (125%) of the sum of Tier 1 Capital and ALLL;

(v) within 540 days from the effective date of this ORDER, the aggregate balance of assets classified “Substandard” and “Doubtful” shall not exceed eighty percent (80%) of the sum of Tier 1 Capital and ALLL; and

(vi) within 720 days from the effective date of this ORDER, the aggregate balance of assets classified “Substandard” and “Doubtful” shall not exceed fifty percent (50%) of the sum of Tier 1 Capital and ALLL.

(c) Within 60 days from the effective date of this ORDER, the Bank shall submit the plans required in paragraphs 10(a) and 10(b) to the Supervisory Authorities for review and comment. Within 30 days from the receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plans, which approval shall be recorded in the minutes of the meeting of the Board. Thereafter, the Bank shall implement and fully comply with the plans. Such plans shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrently with the other reporting requirements set forth in paragraph 21 of this ORDER.

(d) The requirements of this paragraph are not to be construed as standards for future operations and following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. As used in paragraphs 10(a) and 10(b) the word “reduce” means:

(i) to collect;

- (ii) to charge-off; or
- (iii) to sufficiently improve the quality of assets adversely classified to warrant removing any adverse classification, as determined by the Supervisory Authorities.

NO ADDITIONAL CREDIT

11. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, “Loss” or “Doubtful” and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, “Substandard” and is uncollected.

(c) Paragraph 11(b) shall not apply if the Bank’s failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing as follows:

- (i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;

- (ii) that the Bank's position would be improved thereby; and
- (iii) how the Bank's position would be improved.

(d) The signed certification shall be made a part of the minutes of the Board or its designated committee and a copy of the signed certification shall be retained in the borrower's credit file.

CONCENTRATIONS OF CREDIT

12. Within 90 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the commercial real estate concentrations of credit listed on the Concentrations page of the Report. The Bank should refer to the Financial Institution Letter 104-2006 dated December 12, 2006, entitled *Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices*, for information regarding risk segmentation analysis. A copy of this analysis shall be provided to the Supervisory Authorities. The Bank agrees to develop a plan to reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's capital account. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

WRITTEN STRATEGIC PLAN

13. Within 60 days from the effective date of this ORDER, the Bank shall prepare and submit to the Supervisory Authorities its written strategic plan consisting of long-term goals designed to improve the condition of the Bank and its viability and strategies for achieving those goals. The plan shall be in a form and manner acceptable to the Supervisory Authorities, but at a minimum shall cover three years and provide specific

objectives for asset growth, market focus, earnings projections, capital needs, and liquidity position.

PROFIT PLAN

14. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate and implement a written plan to improve and/or sustain Bank earnings. This plan shall be forwarded to the Supervisory Authorities for review and comment and shall address, at a minimum, the following:

- (i) goals and strategies for improving and sustaining the earnings of the Bank;
- (ii) the major areas in, and means by which the Bank will seek to improve the Bank's operating performance;
- (iii) realistic and comprehensive budgets;
- (iv) a budget review process to monitor the income and expenses of the Bank to compare actual figures with budgetary projections;
- (v) the operating assumptions that form the basis for, and adequately support, major projected income and expense components; and
- (vi) coordination of the Bank's loan, investment, and operating policies and budget and profit planning with the funds management policy.

(b) Following the end of each calendar quarter, the Board shall evaluate the Bank's actual performance in relation to the plan required by this paragraph and shall record the results of the evaluation, and any actions taken by the Bank in the minutes of the Board meeting at which such evaluation is undertaken.

(c) Thereafter, the Bank shall formulate such a plan and budget by November 30 of each subsequent year. These plans and budgets shall be submitted to the Supervisory Authorities for review and comment by December 15 of each subsequent year.

INTEREST RATE RISK MANAGEMENT

15. Within 30 days from the effective date of this ORDER, the Bank shall update its written policy for managing interest rate risk in a manner that is appropriate to the size of the Bank and the complexity of its assets. The policy shall comply with the *Joint Agency Policy Statement on Interest Rate Risk* and Financial Institution Letter 02-2010 entitled *Financial Institution Management of Interest Rate Risk*, shall be consistent with the comments and recommendations detailed in the Report and shall include, at a minimum, the means by which the interest rate risk position will be monitored, the establishment of risk parameters, and provision for periodic reporting to management and the Board regarding interest rate risk with adequate information provided to assess the level of risk. The Bank shall also within 30 days from the effective date of this ORDER, submit the policy to the Supervisory Authorities for review and comment. Such policy and its implementation shall be satisfactory to the Supervisory Authorities.

OTHER REAL ESTATE POLICY

16. Within 60 days from the effective date of this ORDER, the Board shall develop a written policy for managing the Other Real Estate of the Bank. The Bank shall submit the policy to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the policy, which approval shall be

recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the policy.

NO MATERIAL GROWTH WITHOUT NOTICE

17. While this ORDER is in effect, the Bank shall notify the Supervisory Authorities at least 60 days prior to undertaking asset growth to ten percent (10%) or more per annum or initiating material changes in asset or liability composition. In no event shall asset growth result in noncompliance with the capital maintenance provisions of this ORDER unless the Bank receives prior written approval from the Supervisory Authorities.

DISCLOSURE

18. Following the effective date of this ORDER, the Bank shall send to its shareholders or otherwise furnish a description of this ORDER in conjunction with the Bank's next shareholder communication and also in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting. The description shall fully describe the ORDER in all material respects. The description and any accompanying communication, statement, or notice shall be sent to the FDIC, Division of Supervision and Consumer Compliance, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and to the OFR, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, FL 32399-0371, at least fifteen (15) days prior to dissemination to shareholders. 19. Within 45 days of the end of the first calendar quarter following the effective date of this ORDER, and within 45 days of the end of each calendar quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form and manner of any actions taken to secure compliance with this ORDER and the results thereof. Such reports shall include a copy of the Bank's Report of Condition and of Income. Such reports may be discontinued when the corrections required by this ORDER have been accomplished and the Supervisory Authorities have released the Bank in writing from making further reports. All progress reports and other written responses to this ORDER shall be reviewed by the Board and made a part of the minutes of the appropriate Board meeting.

The provisions of this ORDER shall not bar, estop, or otherwise prevent the FDIC, the OFR, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.
