The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("Stipulation"), dated April 21, 2010, that is accepted by the FDIC. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices, to the issuance of this Consent Order ("ORDER") by the FDIC.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) have been satisfied, the FDIC hereby orders that:

1. Assessment of Management.

(a) From the effective date of this ORDER, the Bank shall take action to have and maintain qualified management.

(b) Within 30 days from the effective date of this ORDER, the Board shall engage an independent third party ("Consultant") acceptable to the FDIC's Regional Director for the Kansas City Region ("Regional Director"), and that possesses appropriate expertise and qualifications to analyze and assess performance and needs of the Bank's management and staff, and who will provide their assessment in a written report to the Board ("Consultant's Report") within 90 days of engagement.

(c) Within 30 days of receipt of the Consultant's Report, the Board will develop a written Management Plan that addresses the findings of the Consultant's Report, a plan of action in response to each recommendation contained in the Consultant's Report, and a time frame for completing each action. At a minimum, the Management Plan shall:

(i) contain a recitation of the recommendations included in the Consultant's Report or otherwise communicated to the Bank, along with a copy of any report(s) prepared by any other outside consultants;

(ii) identify the type and number of officer positions needed to manage and supervise the affairs of the Bank, detailing any vacancies or additional needs and giving appropriate consideration to the size and complexity of the Bank;

(iv) identify the authorities, responsibilities, and accountabilities attributable to each position, as well as the appropriateness of the authorities, responsibilities, and accountabilities, giving due consideration to the relevant knowledge, skills, abilities, and experience of the incumbent (if any) and the existing or proposed compensation;

(v) present a clear and concise description of the relevant knowledge, skills, abilities, and experience necessary for each position, including delegations of authority and performance objectives;

(vi) identify the appropriate level of current and deferred compensation to each officer and staff position;

(x) establish a plan to terminate, rotate, or reassign officers and staff as necessary, as well as recruit and retain qualified personnel consistent with the board's analysis and assessment of the Bank's staffing needs;

(xi) identify training and development needs, and incorporate a plan to provide such training and development;

(xii) establish procedures to periodically review and update the Management Plan, as well as periodically review and assess the performance of each officer and staff member;

(xiii) contain a current organizational chart that identifies all existing and proposed officer and staff positions, delineates related lines of authority and accountability, and establishes a written plan for addressing any identified needs;

(xiv) contain a current management succession plan; and

(xv) contain a procedure to ensure compliance with section 32 of the Act, 12 U.S.C. § 1831i, when applicable to changes/additions in directors and senior executive officers.

(d) A copy of the Consultant's Report and the Management Plan and any subsequent modification thereto shall be submitted to the Supervisory Authorities, for review and comment. Within 30 days from receipt of any comment from the Regional Director and after consideration of all such comments, the Board shall approve the Management Plan which approval shall be recorded in

the minutes of the meeting of the Board. Thereafter, the Bank and its directors, officers and employees shall implement and follow the Management Plan and any modifications thereto. It shall remain the responsibility of the Board to fully implement the plan within the specified time frames. In the event the plan, or any portion thereof, is not implemented, the Board shall immediately advise the Supervisory Authorities, in writing, of specific reasons for deviating from the Management Plan.

2. Implementation of Loan Policy.

Within 60 days from the effective date of this ORDER, the Board shall review and revise the Bank's written loan policies and procedures to address the comments and criticisms in the November 30, 2009 FDIC Report of Examination ("Report of Examination"). The Bank's revised loan policies and procedures shall be provided to the Supervisory Authorities for review and comment. Within 30 days of receipt of any comment from the Regional Director, and after consideration of any recommended changes the Board shall approve the loan policies and procedures, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the revised loan policies. In the event the Bank considers making a loan that would not conform with the Bank's loan

policies, the loan shall receive prior review and approval by the Board. The reason for non-conformance and the Board's prior review and approval shall be documented in the Board's minutes and in the loan file for that loan.

3. Reduction of Adversely Classified Assets.

(a) Within 60 days from the effective date of this ORDER, the Bank shall formulate written plans to reduce the Bank's risk exposure in each asset in excess of \$250,000 adversely classified as "Substandard" in the Report of Examination. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plans mandated by this subparagraph (a), the Bank shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including sources of repayment and repayment ability, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) Upon completion of the plans, the Bank shall immediately submit the plans to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after consideration of all such

comments, the Board shall approve the plans, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the plans.

4. Restrictions on Advances to Adversely Classified Borrowers.

(a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or adversely classified "Substandard" or "Doubtful," either internally or by either of the Supervisory Authorities in a Report of Examination in the last 18 months and is uncollected, or classified "Substandard" or "Doubtful" in any future Reports of Examination from either of the Supervisory Authorities and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) Subparagraph (a) of this provision shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this subparagraph (b), whether in the form of a renewal, extension,

or further advance of funds, such additional credit shall be approved by the Board, who shall conclude:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with an explanation of why the failure to extend such credit would be detrimental;

(ii) that the extension of such credit would improve the Bank's position, with an explanatory statement of why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(c) The Board's conclusions and approval shall be made a part of the Board's minutes, with a copy retained in the borrower's credit file.

5. Implementation of Loan Review.

(a) Within 30 days of the effective date of this ORDER, the Board shall develop a written program of independent loan review that will provide for a periodic review of the Bank's loan portfolio and the identification and categorization of problem credits. At a minimum, the written program shall provide for:

(i) prompt identification of loans with credit weaknesses that warrant the special attention of management, including the name of the borrower, amount of the loan, reason why the loan warrants special attention, and assessment of the degree of risk that the loan will not be fully repaid according to its terms;

(ii) prompt identification of all outstanding balances and commitments attributable to each obligor identified under the requirements of subparagraph (i), including outstanding balances and commitments attributable to related interests of such obligors, including the obligor of record, relationship to the primary obligor identified under subparagraph (i), and an assessment of the risk exposure from the aggregate relationship;

(iii) identification of trends affecting the quality of the loan portfolio and potential problem areas;

(iv) assessment of the overall quality of the loan portfolio;

(v) identification of credit and collateral documentation exceptions;

(vi) identification and status of violations of laws, rules, or regulations with respect to the lending function;

(vii) identification of loans that are not in conformance with the Bank's lending policy;

(viii) identification of loans to directors, officers, principal shareholders, and their related interests; and

(ix) periodic written reports, but in no event less than quarterly, providing the information developed in (i) through (viii) above to the Board. The reports should also describe the action(s) taken by management with respect to problem credits.

(b) The Bank shall submit the written program to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after consideration of all such comments, the Board shall approve the program, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the program.

(c) Upon implementation, a copy of each report submitted to the Board, as well as documentation of the actions taken by the Bank or recommendations to the Board that address identified deficiencies in specific loan relationships or the Bank's policies, procedures, strategies, or other elements of the Bank's lending activities, as well as any resulting determinations, shall be recorded and retained in the Board's minutes.

6. Maintenance of Allowance for Loan and Lease Losses.

(a) Within 30 days from the effective date of this ORDER, the Board shall prepare a comprehensive written policy and methodology for determining the ALLL. The policy shall provide for a review of the ALLL at least once each calendar quarter in order that the findings of the Board may be properly reported in the Bank's Call Reports. Such reviews shall, at a minimum, be made in accordance with the Call Report Instructions, the Interagency Statement of Policy on the Allowance for Loan and Lease Losses, other applicable regulatory guidance that addresses the appropriateness of the Bank's ALLL, and any analysis of the Bank's ALLL provided by either of the Supervisory Authorities.

(b) A deficiency in the Bank's ALLL shall be remedied in the calendar quarter in which it is discovered by a charge to current operating earnings prior to any Tier 1 capital determinations required by this ORDER and prior to the Bank's submission of its Call Report. The Board shall thereafter maintain an appropriate ALLL.

(c) The Bank shall submit the written policy and ALLL methodology to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Regional Director, and after consideration of all such comments, the Board shall approve the policy, which approval shall be

recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the policy.

7. Minimum Capital Requirements.

(a) While this ORDER is in effect, the Bank shall have and maintain the following minimum capital levels (as defined in Part 325 of the FDIC's Rules and Regulations), after establishing an appropriate allowance for loan and lease losses:

(i) Tier 1 capital at least equal to 8.5 percent of total assets;

(ii) Total risk-based capital at least equal to 11.5 percent of total risk-weighted assets.

(b) In the event any ratio is or becomes less than the minimum required by subparagraph (a) of this provision, the Bank shall immediately notify the Supervisory Authorities and within 30 days shall: (1) increase capital in an amount sufficient to comply with subparagraph (a), or (2) submit a written plan to the Supervisory Authorities, describing the primary means and timing by which the Bank shall increase its capital ratios up to or in excess of the minimum requirements of subparagraph (a) above, as well as a contingency plan in the event the primary sources of capital are not available. Within 10 days of receipt of any such comments from the Regional Director, and after consideration of all such comments, the Board shall approve the

written plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the written plan.

(c) Any increase in Tier 1 capital necessary to meet the requirements of subparagraph (a) of this provision may not be accomplished through a deduction from the allowance for loan and lease losses.

8. Dividend Restriction.

While this ORDER is in effect, the Bank shall not declare or pay any cash dividends without the prior written approval of the Supervisory Authorities.

9. Liquidity and Funds Management.

(a) Within 30 days from the effective date of this ORDER, the Bank shall prepare a written liquidity analysis and projection for the sources and uses of funds in the substance and form acceptable to the Supervisory Authorities.

(b) Within 30 days from the effective date of this ORDER, the Bank shall revise its contingency funding plan to address the comments and criticisms in the Report of Examination.

(c) The written analysis and projection and the revised contingency funding plan required by subparagraphs (a) and (b)

above shall be reviewed for viability by Bank management on a weekly basis, and updated as necessary.

10. Brokered Deposits.

(a) Within 30 days of the effective date of this ORDER, the Bank shall prepare a written plan for reducing its reliance on brokered deposits ("Brokered Deposit Plan") to the Supervisory Authorities. The Brokered Deposit Plan shall detail the current composition of the Bank's brokered deposits by maturity and explain the means by which such deposits will be paid. The Bank shall submit the Brokered Deposit Plan to the Supervisory Authorities.

(b) For purposes of this ORDER, brokered deposits are defined in section 337.6(a)(2) of the FDIC Rules and Regulations to include any deposits funded by third-party agents or nominees for depositors, including deposits managed by a trustee or custodian when each individual beneficial interest is entitled to or asserts a right to federal deposit insurance.

11. Disclosure of Order to Shareholders.

Following the effective date of this ORDER, the Bank shall provide a copy or otherwise furnish a description of this ORDER to its shareholders, (i) in conjunction with the Bank's next shareholder communication, and (ii) in conjunction with its

notice or proxy statement preceding the Bank's next shareholder meeting. Any description shall fully describe the ORDER in all material respects. Such description and any accompanying communication, statement, or notice shall be sent to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 for review at least 20 days prior to dissemination to shareholders. Any changes requested to be made by the FDIC shall be made prior to dissemination of the description, communication, notice, or statement.

12. Progress Reports Detailing Compliance with ORDER.

(a) Within 40 days of the end of the first calendar quarter following the effective date of this ORDER, and within 30 days of the end of each calendar quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form, manner, and results of any actions taken to secure compliance with this ORDER. Such written progress reports shall provide cumulative detail of the Bank's progress toward achieving compliance with each provision of the ORDER, including at a minimum:

(iii) actions taken or in-process for addressing each deficiency;

(iv) results of the corrective actions taken;

(v) the Bank's status of compliance with each provision of the ORDER; and

(vi) appropriate supporting documentation.

(b) Progress reports may be discontinued when the Regional Director has, in writing, released the Bank from making additional reports.

The provisions of this ORDER shall not bar, estop, or otherwise prevent the FDIC or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.
