REDUCTION OF ADVERSELY CLASSIFIED ASSETS

4. (a) Within 30 days from the effective date of this AMENDED ORDER, the Bank shall formulate a new written plan to reduce the Bank's risk exposure in each asset classified "Substandard" or "Doubtful" at the Visitation, in the joint FDIC and Department Report of Examination as of September 30, 2007 ("2007 Report"), in the joint FDIC and Department Report of Examination as of December 31, 2008 ("2008 Report"), and in the Bank's internal loan watch list and other applicable reports (collectively, the "Reports") (including loans, other real estate owned, and securities). For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the FDIC and/or the Department. In developing the plan mandated by this

paragraph, the Bank shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze and document the financial position of the borrower, including source of repayment, repayment ability and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral and any possible actions to improve the Bank's collateral position.

(b) In addition, the plan mandated by this provision shall also include, but not be limited to, the following:

(i) a schedule for reducing the outstanding dollar amount of each adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each adversely classified asset must show its expected dollar balance on a quarterly basis);

(ii) specific action plans intended to reduce the Bank's risk exposure in each classified asset;

(iii) a schedule showing, on a quarterly basis, the expected consolidated balance of all adversely classified assets identified in the Reports, and the ratio of the consolidated balance to the Bank's projected Tier 1 capital plus the ALLL;

(iv) a provision for the Bank's submission of monthly written progress reports to its Board; and

(v) a provision mandating Board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the Board.

(c) The plan mandated by this provision shall further require a reduction in the aggregate balance of assets classified "Substandard" and "Doubtful" in the Reports in accordance with the following schedule.

- (i) within 90 days, to not more than \$10 million; and
- (ii) within 270 days, to not more than \$5 million.

For purposes of this paragraph, “number of days” means number of days from the effective date of this AMENDED ORDER.

(d) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets.

(e) The Bank shall submit the plan required by this paragraph to the Regional Director and the Department for review and comment. Within 30 days from receipt of any comment from the Regional Director and/or the Department, and after due consideration of any recommended changes, the Board shall approve the plan, which approval shall be recorded in the minutes of the meeting of the Board. Thereafter, the Bank shall implement and fully comply with the plan.

RESTRICTIONS ON ADVANCES TO ADVERSELY CLASSIFIED BORROWERS

5. (a) While this AMENDED ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or classified “Loss” and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower. Prior to renewing credit pursuant to this subparagraph, such additional credit shall be approved by the Board, or a designated committee thereof, who shall certify in writing:

- (i) why failure of the Bank to extend such credit would be detrimental

to the best interests of the Bank;

(ii) that the extension of such credit would improve the Bank's position, including an explanatory statement of how the Bank's position would improve; and

(iii) that an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(b) While this AMENDED ORDER is in effect, the Bank shall not make any further extensions of credit, directly or indirectly, to any borrower whose loans are adversely classified "Substandard" or "Doubtful" by the FDIC and/or the Department in the Reports or the Bank's internal loan reports without prior approval by the Board, and unless the Board has signed a detailed written statement giving reasons why failure to extend such credit would be detrimental to the best interests of the Bank. The Board shall not approve the proposed extension without first making affirmative determinations that:

(i) the extension of credit is in full compliance with the Bank's loan policy;

(ii) the extension of credit is necessary to protect the Bank's interests, or is adequately secured;

(iii) the Bank found the primary and secondary obligors to be creditworthy based on a credit analysis; and

(iv) all necessary loan documentation is on file, including, at a minimum, current financial and cash flow information, and satisfactory appraisal, title and lien documents.

(c) All written certifications and determinations from the Board required under this paragraph shall be recorded in the minutes of the meeting of the Board, with a copy

retained in the borrower's credit file and a copy provided to the Regional Director and the Department in the progress reports required by paragraph 17 of this AMENDED ORDER.

REDUCTION OF DELINQUENCIES

6. (a) Within 30 days from the effective date of this AMENDED ORDER, the Bank shall formulate a new written plan, based on the Bank's financial information as of March 31, 2010, for the reduction and collection of delinquent loans. For purposes of this provision, "reduce" means to charge-off or collect. The plan shall include, but not be limited to, provisions which:

- (i) prohibit the extension of credit for the payment of interest or fees;
- (ii) delineate responsibilities for implementing and monitoring the Bank's collection policies;
- (iii) establish specific collection actions and procedures to be instituted at various stages of a borrower's delinquency;
- (iv) establish specific dollar levels to which the total dollar volume of delinquencies will be reduced, and the projected timeframes for achieving the projected reduction; and
- (v) provide for the submission of monthly written progress reports to the Board for review and notation in minutes of the meetings of the Board.

(b) The Bank shall immediately submit the plan to the Regional Director and the Department for review and comment.

(c) Within 30 days from receipt of any comment from the Regional Director and/or the Department, and after due consideration of any recommended changes, the Board shall approve the plan, which approval shall be recorded in the minutes of the Board's meeting.

Thereafter, the Bank shall implement and fully comply with the plan.

CORRECTION OF LOAN DOCUMENTATION EXCEPTIONS

7. (a) Within 60 days from the effective date of this AMENDED ORDER, the Bank shall correct all loan documentation exceptions that have been identified and establish a system to identify and correct loan documentation exceptions. All attempts to correct exceptions shall be documented in the borrowers' credit files. In all future operations, the Bank shall ensure that all necessary supporting documentation is obtained and evaluated before any credit or loan is extended by the Bank.

(b) Progress reports detailing each outstanding exception and the Bank's plan for corrective action shall be submitted to the Board for review during each regularly scheduled meeting. The review shall be noted in the minutes of the meeting of the Board.

LOAN POLICIES AND PROCEDURES

8. (a) Within 30 days from the effective date of this AMENDED ORDER, the Bank shall revise its written loan policies and procedures to, at a minimum, address, consider, and include the following:

(ii) Procedures to monitor the volume and status of speculative real estate projects.

(b) The Bank shall submit the revised written loan policies and procedures required by this paragraph to the Regional Director and the Department for review and comment.

(c) Within 30 days from receipt of any comment from the Regional Director

and/or the Department, and after due consideration of any recommended changes, the Board shall approve the written loan policies and procedures, which approval shall be recorded in the minutes of the Board's meeting. Thereafter, the Bank shall implement and fully comply with the plan.

ALLOWANCE FOR LOAN AND LEASE LOSSES AND CALL REPORTS

9. (a) The Bank shall maintain, through charges to current operating income, an adequate ALLL. The adequacy of the ALLL shall be determined in light of the volume of criticized loans, the current level of past due and nonperforming loans, past loan loss experience, evaluation of the potential for loan losses in the Bank's portfolio, current economic conditions, and any criticisms as contained in the Bank's most recent report of examination. The Bank shall conduct, at a minimum, a quarterly assessment of its ALLL and shall maintain a written record, for supervisory review, indicating the methodology used in determining the amount of the allowance needed. The quarterly assessment shall be reviewed by the Board and shall be noted in the minutes of the Board.

(b) Within 60 days from the effective date of this AMENDED ORDER, the Bank shall use Financial Accounting Standards Board Statements Numbers 5 and 114, as codified by FASB under its Accounting Standards Codification effective after September 15, 2009 (established by FASB Statement Number 168), for determining the adequacy of the Bank's ALLL. Provisions for loan losses shall be based on the inherent risk in the Bank's loan portfolio and the Board shall document in writing the basis for any determination not to require provisions for loan losses in accordance with Financial Accounting Standards Board Statements Numbers 5 and 114, as codified by FASB under its Accounting Standards Codification effective after September 15, 2009 (established by FASB Statement Number 168), in the Board minutes.

(c) Within 60 days from the effective date of this AMENDED ORDER, the Bank shall review Consolidated Reports of Condition and Income filed with the FDIC on or after June 30, 2009, and amend said reports if necessary to accurately reflect the financial condition of the Bank as of the date of each such report. In particular, such reports shall contain a reasonable ALLL and accurately reflect credit charged off as “Loss.” Reports filed after the effective date of this AMENDED ORDER shall also accurately reflect the financial condition of the Bank as of the reporting date.

(b) The Strategic Plan shall include short-term goals and operating plans to comply with the terms of this AMENDED ORDER and correct all regulatory criticisms made at the Visitation and listed in the Compliance Report, intermediate goals and project plans, and long-range goals and project plans. Additionally, the Strategic Plan shall, at a minimum, include:

- (i) strategies for pricing policies and asset/liability management;
- (ii) anticipated average maturity and average yield on loans and securities, average maturity and average cost of deposits, the level of earning assets as a percentage of total assets, and the ratio of net interest income to average earning assets;

In the event the Board determines that the Strategic Plan should be revised in any manner, the Strategic Plan shall be revised and submitted to the Regional Director and the Department for review and comment within 15 days after such revisions have been approved by the Board.

(f) Within 30 days of receipt of any comments from the Regional Director and/or the Department, and after consideration of all such comments, the Bank shall approve the revised Strategic Plan, which approval shall be recorded in the minutes of the Board meeting in which it is approved.

(vii) individual(s) responsible for implementing each of the goals and strategies of the Profit Plan.

(c) The Board shall submit the Profit Plan required by this paragraph to the Regional Director and the Department for review and comment. Within 30 days from receipt of any comment from the Regional Director and/or the Department, and after due consideration of any recommended changes, the Board shall approve the Profit Plan, which approval shall be recorded in the minutes of the Board meeting in which it is approved.
