The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Premier Bank, Tallahassee, Florida (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated May 4, 2010, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). The OFR may issue an order pursuant to Chapter 120 and Section 655.033, Florida Statutes (2009).

With this Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law and/or regulation relating to weaknesses in asset quality, earnings, management, capital, liquidity, and

sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes have been satisfied, the FDIC and the OFR hereby order that:

BOARD OF DIRECTORS

1. Beginning with the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

COMPLIANCE WITH ORDER

2. Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee (“Directors’ Committee”), consisting of at least five members, to oversee the Bank’s compliance with the ORDER. Three of the members of the

Directors' Committee shall not be officers of the Bank. The Directors' Committee shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

3. (a) Within 60 days from the effective date of this ORDER, the Bank shall develop and approve a written analysis and assessment of the Bank's management and staffing needs ("Management Plan"). The Management Plan shall include, at a minimum:
 - (i) identification of both the type and number of officer positions needed to properly manage and supervise the affairs of the Bank;
 - (ii) identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;
 - (iii) annual written evaluations of all Bank officers, and staff members to determine whether these individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including, but not limited to, adherence to the Bank's established policies and practices, and restoration and maintenance of the Bank in a safe and sound condition;

(iv) a plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and

(v) an organizational chart.

(b) Such Management Plan and its implementation shall be satisfactory to the Regional Director of the FDIC's Atlanta Regional Office (“Regional Director”) and the OFR (collectively, “Supervisory Authorities”).

(c) Within 90 days from the effective date of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

(i) a chief executive officer with proven ability in managing a bank of comparable size and in effectively implementing lending, investment and operating policies in accordance with sound banking practices;

(ii) a senior credit officer with a significant amount of appropriate lending, collection, and loan supervision experience, and experience in upgrading a low quality loan portfolio; and

(iii) a chief financial officer with a demonstrated ability in all financial areas, including but not limited to, accounting, regulatory reporting,

budgeting and planning, management of the investment function, liquidity management and interest rate risk management.

- (d) The qualifications of management shall be assessed on its ability to:
 - (i) comply with the requirements of this ORDER;
 - (ii) operate the Bank in a safe and sound manner;
 - (iii) comply with applicable laws and regulations; and
 - (iv) restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity, and sensitivity to market risk.

(e) During the life of this ORDER, the Bank shall notify the Supervisory Authorities in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, or executive officer as that term is defined in Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. § 303.101 and Section 655.005, Florida Statutes, the Bank shall comply with the requirements of Section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104; and Section 655.0385, Florida Statutes, and Rule 69U-100.03852 Florida Administrative Code.

CAPITAL

4. (a) Within 90 days from the effective date of the ORDER, the Bank shall achieve and maintain the following minimum capital levels as defined in Part 325 of the

FDIC Rules and Regulations, 12 C.F.R. Part 325, after establishing an adequate allowance for loan and lease losses (“ALLL”):

(i) Tier 1 capital at least equal to eight (8.0%) percent of total assets;

and

(ii) Total risk-based capital at least equal to twelve (12.0%) percent of total risk-weighted assets.

(b) Thereafter during the life of this ORDER, the Bank shall maintain Tier 1 capital in such an amount as to equal or exceed eight (8%) percent of the Bank’s total assets; and a Total risk-based capital ratio of at least twelve (12%) percent as those risk based capital ratios are described in the FDIC Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, Appendix A.

(c) Within 30 days of the last day of each calendar quarter, the Bank shall determine, from its Reports of Condition and Income, its capital ratios for that calendar quarter. If any capital measure falls below the established minimum, within 30 days of such required determination of capital ratios, the Bank shall submit a written plan to the Supervisory Authorities, describing the means and timing by which the Bank shall increase such ratios up to or in excess of the established minimum.

(d) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to paragraph 4(b) shall be in addition to a fully funded ALLL, the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(e) Any increase in Tier 1 Capital necessary to meet the requirements of paragraphs 4(a) and 4(b) of this ORDER may be accomplished by the following:

- (iii) sale of common stock; or
- (iv) sale of noncumulative perpetual preferred stock; or
- (v) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (vi) any other means acceptable to the Supervisory Authorities; or
- (vii) any combination of the above means.

Any increase in Tier 1 Capital necessary to meet the requirements of paragraphs 4(a) and 4(b) of this ORDER may not be accomplished through a deduction from the Bank's ALLL.

(f) If all or part of any necessary increase in Tier 1 Capital required by paragraphs 4(a) and 4(b) of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the

securities shall be submitted to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and the Office of Financial Regulation, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, Florida 32399-0371, for review. Any changes requested to be made in the plan or materials by the FDIC or the OFR shall be made prior to their dissemination. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(g) In complying with the provisions of Paragraphs 4(a) and 4(b) of this ORDER, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within ten (10) days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(h) For the purposes of this ORDER, the terms "Tier 1 Capital" and "total assets" shall have the meanings ascribed to them in Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325.

CHARGE-OFF

5. (a) Within 30 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and 50 percent of those assets classified "Doubtful" in the FDIC Report of Examination dated October 13, 2009 ("Report") that have not been previously collected or charged-off. (If an asset classified "Doubtful" is a loan or lease, the Bank may, in the alternative, increase its ALLL by an amount equal to 50 percent of the loan or lease classified "Doubtful".)

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the OFR, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified "Loss" and 50 percent of the those classified "Doubtful" unless otherwise approved in writing by the Supervisory Authorities.

RESTRICTIONS ON CERTAIN PAYMENTS

6. (a) While this ORDER is in effect, the Bank shall not declare or pay dividends or bonuses without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend or bonus payment declaration date (at least 5 days with respect to any request filed within the first 30 days after the date of this ORDER) and shall contain, but not be limited to, an analysis of the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

(b) During the term of this ORDER, the Bank shall not make any distributions of interest, principal or other sums on subordinated debentures, if any, without the prior written approval of the Regional Director.

ALLOWANCE FOR LOAN AND LEASE LOSSES

7. (a) Immediately upon the issuance of this ORDER, the Board shall make a provision to replenish the ALLL which, as of the date of the examination, is underfunded as set forth on page 2 of the Report.

(b) Within 30 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss." The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities.

BROKERED DEPOSITS

8. (a) Throughout the effective life of this ORDER, the Bank shall not accept, renew, or rollover any brokered deposit, as defined by 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b), governing solicitation and acceptance of brokered deposits by insured depository institutions.

(b) The Bank shall comply with the restrictions on the effective yields on deposits as described in 12 CFR § 337.6.

FUNDS MANAGEMENT PLAN

9. (a) Annually during the life of this ORDER, the Bank shall review its written plan addressing liquidity, contingent funding, and asset liability management for adequacy and, based upon such review, shall make appropriate revisions, if any, to the plan that are necessary to strengthen funds management procedures and maintain adequate provisions to meet the Bank's liquidity needs.

(b) The Bank's plan shall include, at a minimum:

- (i) a limitation on the ratio of the Bank's total loans to assets;
- (ii) identification of a desirable range and measurement of dependence on non-core funding;
- (iii) establishment of lines of credit that would allow the Bank to borrow funds to meet depositor demands if the Bank's other provisions for liquidity proved inadequate;
- (iv) a requirement for retention of sufficient investments that can be promptly liquidated to ensure the maintenance of the Bank's liquidity posture at a level consistent with short-term and long-term objectives;

- (v) establishment of contingency plans to restore liquidity to that amount called for in the Bank's liquidity policy; and
- (vi) establishment of limits for borrowing federal funds and other funds, including limits on dollar amounts, maturities, and specified sources/lenders.

REDUCTION OF CLASSIFIED ITEMS

10 . (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank's risk exposure in each asset in excess of \$500,000 classified as "Substandard" or "Doubtful" in the Report. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, with respect to each adversely classified loan, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) Within 60 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the aggregate balance of assets classified "Substandard" and "Doubtful" in the Report in accordance with the following schedule:

- (i) within 90 days from the effective date of this ORDER, the Bank shall have reduced the items classified "Substandard" or "Doubtful" in the Report by ten percent (10.0%);
- (ii) within 180 days from the effective date of this ORDER, the Bank shall have reduced the items classified "Substandard" or "Doubtful" in the Report by twenty percent (20.0%);

(iii) within 270 days from the effective date of this ORDER, the Bank shall have reduced the items classified “Substandard” or “Doubtful” in the Report by thirty percent (30.0%); and

(iv) within 360 days from the effective date of this Order, the Bank shall have reduced the items classified “Substandard” or “Doubtful” in the Report by forty-five percent (45.0%).

(c) Within 60 days from the effective date of this ORDER, the Bank shall submit the plans required in paragraphs 10(a) and 10(b) to the Supervisory Authorities for review and comment. Within 30 days from the receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plans, which approval shall be recorded in the minutes of the meeting of the Board. Thereafter, the Bank shall implement and fully comply with the plans. Such plans shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrently with the other reporting requirements set forth in paragraph 23 of this ORDER.

(d) The requirements of this paragraph are not to be construed as standards for future operations and following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. As used in subparagraphs 10(a) and 10(b) the word “reduce” means:

(i) to collect;

(ii) to charge-off; or

(iii) to sufficiently improve the quality of assets adversely classified to warrant removing any adverse classification, as determined by the

Supervisory Authorities.

NO ADDITIONAL CREDIT TO CERTAIN BORROWERS

11. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, “Loss” or “Doubtful” and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, “Substandard”, or is listed for “Special Mention” and is uncollected.

(c) Paragraph 11(b) shall not apply if the Bank’s failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing as follows:

- (i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;
- (ii) that the Bank’s position would be improved thereby; and
- (iii) how the Bank’s position would be improved.

(d) The signed certification shall be made a part of the minutes of the Board or its designated committee and a copy of the signed certification shall be retained in the borrower's credit file.

SPECIAL MENTION

12. Within 60 days from the effective date of this ORDER, the Bank shall develop and submit to Supervisory Authorities for review and comment a plan to correct the cited deficiencies in the loans listed for "Special Mention" in the Report. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan

13. Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the commercial real estate concentrations of credit listed on the Concentrations page of the Report. A copy of this analysis shall be provided to the Supervisory Authorities. The Bank agrees to develop a plan to reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's capital account. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

LENDING AND COLLECTION POLICIES

14. (a) Within 60 days from the effective date of this ORDER, the Bank shall develop, revise, adopt, and implement written lending and collection policies to provide effective guidance and control over the Bank's lending function. Such policies and their implementation shall be in a form and manner acceptable to the Supervisory Authorities.

- (i) revisions to address criticisms and recommendations enumerated on pages 7-8 of the Report;
- (ii) provisions, consistent with FDIC instructions for the preparation of Reports of Condition and of Income, under which the accrual of interest income is discontinued and previously accrued interest is reversed on delinquent loans; and
- (iii) provisions which require complete loan documentation, realistic repayment terms, and current credit information adequate to support the outstanding indebtedness of the borrower. Such documentation shall include current financial information, profit and loss statements or copies of tax returns and cash flow projections.

(c) The Board shall adopt procedures whereby officer compliance with the revised loan policy is monitored and responsibility for exceptions thereto assigned. The procedures adopted shall be reflected in the minutes of a Board meeting at which all members are present and the vote of each is noted.

INTERNAL LOAN REVIEW

15. Within 60 days from the effective date of this ORDER, the Bank shall adopt an effective internal loan review and grading system to provide for the periodic review of the Bank's loan portfolio in order to identify and categorize the Bank's loans, and other extensions of credit which are carried on the Bank's books as loans, on the basis of credit quality. Such system and its implementation shall be satisfactory to the Supervisory Authorities as determined at their initial review and at subsequent examinations and/or visitations. At a minimum, the grading system shall provide for the following:

(a) specification of standards and criteria for assessing the credit quality of the Bank's loans;

(b) application of loan grading standards and criteria to the Bank's loan portfolio;

(c) categorization of the Bank's loans into groupings based on the varying degrees of credit and other risks that may be presented under the applicable grading standards and criteria, but in no case, will a loan be assigned a rating higher than that assigned by examiners at the last examination of the Bank without prior written notification to the Supervisory Authorities;

(d) identification of any loan that is not in conformance with the Bank's loan policy; and

(e) requirement of a written report to be made to the Board and audit committee, not less than quarterly after the effective date of this ORDER. The report shall identify the status of those loans that exhibit credit and other risks under the

applicable grading standards/criteria and the prospects for full collection and/or strengthening of the quality of any such loans.

STRATEGIC PLAN

16. (a) Within 90 days from the effective date of this ORDER, the Bank shall prepare and submit to the Supervisory Authorities for review and comment an update to the Bank's existing business/strategic plan covering the overall operation of the Bank. At a minimum the plan shall establish objectives for the Bank's earnings performance, growth, balance sheet mix, liability structure, capital adequacy, and reduction of nonperforming and underperforming assets, together with strategies for achieving those objectives. - (ii) goals for the composition of the deposit base including strategies to reduce reliance on volatile and costly deposits; and
- (iii) plans for effective risk management and collection practices.

(b) Within 30 days from the receipt of any comments from the Supervisory Authorities, and after due consideration of any recommended changes, the Board shall approve the business/strategic plan, which approval shall be recorded in the minutes of a Board meeting.

17. (a) Within 90 days from the effective date of this ORDER, the Bank shall formulate and implement a written plan to improve and/or sustain Bank earnings. This plan shall be forwarded to the Supervisory Authorities for review and comment and shall address, at a minimum, the following:

- (ii) the major areas in, and means by which the Bank will seek to improve the Bank's operating performance;
- (iii) realistic and comprehensive budgets;

(c) Thereafter, the Bank shall formulate such a plan and budget by November 30 of each subsequent year. These plans and budgets shall be submitted to the

Supervisory Authorities for review and comment by December 15 of each subsequent year.

18. Within 60 days from the effective date of this ORDER, the Bank shall develop and implement a written policy for managing interest rate risk in a manner that is appropriate to the size of the Bank and the complexity of its assets. Such policy and its implementation shall be satisfactory to the Supervisory Authorities.

20. Within 30 days from the effective date of this ORDER, the Bank shall develop, adopt, and implement written policies and procedures designed to bring to the attention of each member of the Board conflicts of interest which may exist in approving loans or

other transactions in which officers, directors or principal shareholders of the Bank (“Insiders”) are involved. Such policies and procedures shall, at a minimum, ensure that each member of the Board has been apprised of any potential conflict prior to making a decision, or acting specifically on any loan or other transaction in which Insiders and/or their business associates are, directly or indirectly, involved. The results of any deliberations by the Board regarding potential conflicts shall be reflected in the minutes of its meetings.

NO MATERIAL GROWTH WITHOUT NOTICE

21. While this ORDER is in effect, the Bank shall notify the Supervisory Authorities at least 60 days prior to undertaking asset growth to ten percent (10%) or more per annum or initiating material changes in asset or liability composition. Such reports shall include a copy of the Bank's Reports of Condition and Income.

(b) Such reports may be discontinued when the corrections required by this ORDER have been accomplished and the Supervisory Authorities have released the Bank in writing from making further reports.
