(d) At a minimum, the Capital Plan shall include:

(i) specific plans to achieve the capital levels required under this ORDER;

(ii) specific plans for the maintenance of adequate capital that may in no event be less than the requirements of the provisions of this ORDER;

(ii) prompt identification of all outstanding balances and commitments attributable to each obligor identified under the requirements of subparagraph (i), including outstanding balances and commitments attributable to related interests of such obligors, including the obligor of record, relationship to the primary obligor identified under subparagraph (i), and an assessment of the risk exposure from the aggregate relationship;

5. (a) Within 60 days from the effective date of this ORDER, the Bank shall develop and submit for review as described in subparagraph (c) a written plan for systematically reducing and monitoring the Bank's commercial real estate ("CRE") loan concentration of credit to an amount which is commensurate with the Bank's business strategy, management expertise, size, and location ("CRE Concentration Reduction Plan"). Such plan shall prohibit any advances that would increase the concentration unless the advance is pursuant to an existing loan agreement and is otherwise permissible pursuant to this ORDER.

(b) The CRE Concentration Reduction Plan shall include, but not be limited to:

- (i) dollar levels and percent of total capital to which the Bank shall reduce the concentration;
 - (ii) timeframes for achieving the reduction in dollar levels in response to (i) above;

Thereafter, the Bank shall implement and fully comply with the CRE Concentration Reduction Plan.

LOSS CHARGE-OFF

6. The Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the Commonwealth of Pennsylvania Department of Banking ("Department") report of examination dated October 5, 2009 ("Report of Examination") that

have not been previously collected or charged off. Elimination or reduction of such assets with the proceeds of other Bank extensions of credit shall not be considered “collection” for purposes of this paragraph. Thereafter, within 30 days after the receipt of any report of examination of the Bank from the FDIC or the Department, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified “Loss” in any report of examination that have not been previously collected or charged off.

CLASSIFIED ASSETS REDUCTION

7. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate and submit for review as described in subparagraph (c) a written plan (“Classified Asset Plan”) to reduce the Bank’s risk position in each asset in excess of \$500,000 which is classified “Substandard”, in the Report of Examination. For purposes of this provision, “reduce” means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Regional Director.

(b) In developing the Classified Asset Plan, the Bank shall include, at a minimum, the following:

- (i) a specific action plan to reduce delinquencies and classified assets;
- (ii) an action plan to review, analyze and document the current financial condition of each classified borrower including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position;
- (iii) a schedule for reducing the outstanding dollar amount of each adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each adversely classified asset must show its dollar balance on a quarterly basis);

(iv) specific action plans intended to reduce the Bank's risk exposure in each classified asset;

(v) specific action plans intended to collect loan delinquencies;

(vi) delineate areas of responsibility for loan officers; and

(vii) provide for the submission of monthly written progress reports to the Board for review and notation in minutes of the Board meetings.

(c) The Classified Asset Plan shall be submitted to the Regional Director and the State Supervisory Authority for non-objection or comment. Within 30 days from receipt of non-objection or any comments from the Regional Director, and after incorporation and adoption of all comments, the Board shall approve the Classified Asset Plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the Classified Asset Plan.

(d) The Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who is already obligated in any manner to the Bank on any extensions of credit (including any portion thereof) that has been charged off the books of the Bank or classified "Loss" in the Report of Examination or any future report of examination, so long as such credit remains uncollected.

(e) The Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan or other credit has been classified "Substandard", "Doubtful", or is listed for "Special Mention" in the Report of Examination or any future report of examination, and is uncollected, unless the Board provides, in writing, a detailed explanation of why the extension is in the best interest of the Bank. Prior to extending additional credit pursuant to this paragraph, whether in the form of a renewal, extension, or further advance of

funds, such additional credit shall be approved by the Board, or a designated committee thereof, who shall determine that:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with a written explanation of why the failure to extend such credit would be detrimental;

(ii) the extension of such credit would improve the Bank's position, with a written explanatory statement of how and why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

The Board's determinations and approval shall be recorded in the minutes of the Board meeting, or designated committee, and copies shall be submitted to the Regional Director and the State Supervisory Authority at such times as the Bank submits the progress reports required by this ORDER or sooner upon the written request of the Regional Director or the State Supervisory Authority.

BROKERED DEPOSITS

8. (a) The Bank shall not accept, renew, or rollover any brokered deposit, as defined by section 337.6(a)(2) of the FDIC's Rules and Regulations, 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b), governing solicitation and acceptance of brokered deposits by insured depository institutions.

(b) The Bank shall comply with the restrictions on the effective yields on deposits described in section 337.6 of the FDIC's Rules and Regulations, 12 C.F.R. § 337.6.

the current composition of the Bank's brokered deposits by maturity and explain the means by which such deposits will be paid.

(d) The Brokered Deposit Plan shall be submitted to the Regional Director for non-objection or comment. Within 30 days from receipt of non-objection or any comment from the Regional Director, and after incorporation and adoption of all comments, the Board shall approve the Brokered Deposit Plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the Brokered Deposit Plan.

9. (a) Within 30 days from the effective date of this ORDER, the Bank shall revise its liquidity and funds management policy to strengthen the Bank's funds management procedures and maintain adequate provisions to meet the Bank's liquidity needs ("Liquidity and Funds Management Policy"). The policy shall be submitted for review as described in subparagraph (c).

(b) The Liquidity and Funds Management Policy shall include, at a minimum, provisions that:

(i) provide a statement of the Bank's long-term and short-term liquidity needs and plans for ensuring that such needs are met;

(ii) provide for a periodic review of the Bank's deposit structure, including the volume and trend of total deposits and the volume and trend of the various types of deposits offered, the maturity distribution of time deposits, rates being paid on each type of deposit, rates being paid by trade area competition, caps on large time deposits, public funds, out-of-area deposits, and any other information needed;

(iii) establish a reasonable range for its net non-core funding ratio as computed in the Uniform Bank Performance Report and shall address the means by which the Bank will seek to reduce its reliance on non-core funding and high cost rate-sensitive deposits;

(iv) identify the source and use of borrowed and/or volatile funds;

(v) establish sufficient back-up lines of credit that would allow the Bank to borrow funds to meet depositor demands if the Bank's other provisions for liquidity proved to be inadequate;

(vi) require the retention of securities and/or other identified categories of investments that can be liquidated within one day in amounts sufficient (as a percentage of the Bank's total assets) to ensure the maintenance of the Bank's liquidity posture at a level consistent with short- and long-term liquidity objectives;

(vii) establish a minimum liquidity ratio and defining how the ratio is to be calculated;

(viii) establish contingency plans by identifying alternative courses of action designed to meet the Bank's liquidity needs;

(x) comply with the guidance set forth in Liquidity Risk Management (FIL-84-2008, issued August 26, 2008).

comments from the Regional Director, and after incorporation and adoption of all comments, the Board shall approve the Liquidity and Funds Management Policy, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the Liquidity and Funds Management Policy.

(d) The Bank shall review annually its Liquidity and Funds Management Policy for adequacy and, based upon such review, shall make necessary revisions to the policy.

Within 30 days from the end of each calendar quarter following the effective date of this ORDER, the Bank shall furnish to the Regional Director written progress reports detailing the form, manner, and results of any actions taken to secure compliance with this ORDER. 12. Within 30 days from the effective date of this ORDER, the Board shall appoint a committee ("Compliance Committee") composed of at least three directors who are not now, and have never been, involved in the daily operations of the Bank, and whose composition is acceptable to the Regional Director, to monitor the Bank's compliance with this ORDER.
