The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for GulfSouth Private Bank, Destin, Florida (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated June 21, 2010, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). The OFR may issue an ORDER pursuant to Chapter 120 and Section 655.033, Florida Statutes (2009).

With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law and/or regulation relating to weaknesses in asset quality, earnings, management effectiveness, capital, and liquidity, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR.

Having determined that the requirements for issuance of an order under 12 U.S.C. §

1818(b) and under Chapter 120 and Section 655.033, Florida Statutes (2009) have been satisfied, the FDIC and the OFR hereby order that:

BOARD OF DIRECTORS

1. (a) Effective immediately, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least four members, to oversee the Bank's compliance with the ORDER. Three of the members of the Directors' Committee shall not be officers of the Bank. The Directors' Committee shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records.

Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. (a) Within 60 days from the effective date of this ORDER, the Bank shall continue to have and maintain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

- (i) a chief executive officer with proven ability in managing a bank of comparable size and in effectively implementing lending, investment and operating policies in accordance with sound banking practices;
- (ii) a senior lending officer with a significant amount of appropriate lending, collection, and loan supervision experience, and experience in upgrading a low quality loan portfolio; and
- (iii) a chief financial officer with a significant amount of appropriate experience in managing the operations of a bank of similar size and complexity in accordance with sound banking practices.

(b) Within 60 days from the effective date of this ORDER, the Bank shall develop and approve a written analysis and assessment of the Bank's management and staffing needs ("Management Plan") for the purpose of providing qualified management for the Bank. The Management Plan shall include, at a minimum:

- (i) identification of both the type and number of officer positions needed to properly manage and supervise the affairs of the Bank;

- (ii) identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;
- (iii) annual written evaluations of all Bank officers and staff members to determine whether these individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including, but not limited to, compliance with the provisions of this ORDER, compliance with applicable laws and regulations, operating the Bank in a safe and sound manner, adherence to the Bank's established policies and practices, and restoration and maintenance of the Bank in a safe and sound condition;
- (iv) a plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and
- (v) an organizational chart.

(c) The written Management Plan shall also include the requirement that the Board, or a committee thereof consisting of not less than a majority of the individuals, who are independent with respect to the Bank, provide supervision over lending, investment and operating policies of the Bank sufficient to ensure that the Bank complies with the provisions of this ORDER.

(d) Such Management Plan and its implementation shall be submitted to the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") and to the OFR (collectively, "Supervisory Authorities") for review and comment.

(e) During the life of this ORDER, the Bank shall notify the Supervisory Authorities, in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, or executive officer as those terms are defined in Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. § 303.101, and in Section 655.005, Florida Statutes, the Bank shall comply with the requirements of Section 32 of the Federal Deposit Insurance Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104; and Section 655.0385, Florida Statutes, and Rule 69U-100.03852 Florida Administrative Code. The notification shall include a description of the background and experience of the individual or individuals to be added or employed and must be received at least 60 days before such addition or employment is intended to become effective. If the Regional Director or OFR issues a notice of disapproval pursuant to section 32 of the Act, 12 U.S.C. § 1831i, or Section 655.0385(2), Florida Statutes, with respect to any proposed individual, then such individual may not be added or employed by the Bank.

CAPITAL

3. (a) During the life of this ORDER, the Bank shall maintain Tier 1 Leverage Capital in such an amount as to equal or exceed eight percent (8.0%) of the Bank's total assets. Additionally, during the life of this ORDER the Bank shall maintain a Total Risk Based Capital Ratio of at least twelve percent (12.0%) as the Risk Based capital ratios are described in the FDIC Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, Appendix A.

(b) The level of Tier 1 Capital and Total Risk Based Capital to be maintained during the life of this ORDER pursuant to paragraph 3(a) shall be in addition to a fully funded

allowance for loan and lease losses (“ALLL”), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(c) Within 30 days of the last day of each calendar quarter, the Bank shall determine, from its Consolidated Reports of Condition and Income, its capital ratios for that calendar quarter. If any capital measure falls below the established minimum, within 30 days of such required determination of capital ratios, the Bank shall submit a written plan to the Supervisory Authorities, describing the means and timing by which the Bank shall increase such ratios up to or in excess of the established minimums.

(d) Any increase in capital necessary to meet the requirements of paragraph 3(a) of this ORDER may be accomplished by the following:

- (i) sale of common stock; or
- (ii) sale of noncumulative perpetual preferred stock; or
- (iii) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (iv) any other means acceptable to the Supervisory Authorities; or
- (v) any combination of the above means.

Any increase in Tier 1 Capital necessary to meet the requirements of paragraph 3(a) of this ORDER may not be accomplished through a deduction from the Bank’s ALLL.

(e) If all or part of any necessary increase in capital required by paragraph 3(a) of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank’s securities

(including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and the OFR, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, Florida 32399-0371, for review. Any changes requested to be made in the plan or materials by the FDIC or the OFR shall be made prior to their dissemination. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(f) In complying with the provisions of paragraph 3(a) of this ORDER, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within ten (10) days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(g) For the purposes of this ORDER, the terms “Tier 1 Capital,” “Total Risk Based Capital,” and “total assets” shall have the meanings ascribed to them in Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325.

CHARGE-OFF

4. (a) Within 30 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the FDIC Report of Examination dated October 26, 2009 (“Report”) that have not been previously collected or charged-off. Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the OFR, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified “Loss” and 50 percent of the those classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities.

REDUCTION OF CLASSIFIED ASSETS

5. (a) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities, for review and comment, a written plan to reduce the Bank’s risk position in each asset in excess of \$500,000, which is classified “Substandard” in the Report. Within 30 days from the receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of a Board meeting. Thereafter, the Bank shall implement and follow this plan.

(b) The plan mandated by this paragraph shall include, but not be limited to, the following:

- (i) the dollar levels to which risk in each classified asset will be reduced;
- (ii) a description of the risk reduction methodology to be followed;
- (iii) provisions for the submission of monthly written progress reports to the Board;
- (iv) provisions mandating Board review of said progress reports; and
- (v) provisions for the mandated review to be recorded by notation in the minutes of the Board meetings.

(c) The written plan mandated by this provision shall further require a reduction in the aggregate balance of assets classified “Substandard” in the Report in accordance with the following schedule. For purposes of this paragraph, “number of days” means number of days from the effective date of this ORDER.

- (i) Within 180 days, a reduction of twenty-five percent (25%) in the balance of assets classified “Substandard;”
- (ii) Within 360 days, a reduction of forty-five percent (45%) in the balance of assets classified “Substandard;” and
- (iii) Within 540 days, a reduction of sixty percent (60%) in the balance of assets classified “Substandard.”

(d) The requirements of this paragraph are not to be construed as standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. Reduction of these assets

through proceeds of other loans made by the Bank is not considered collection for the purpose of this paragraph. As used in paragraphs 5(a) and 5(b) the word “reduce” means:

- (i) to collect;
- (ii) to charge-off; or
- (iii) to sufficiently improve the quality of assets adversely classified to warrant removing any adverse classification, as determined by the Supervisory Authorities.

6. (a) As of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, as of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard" and is uncollected.

(c) Paragraph 6(b) shall not apply if the Bank’s failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing as follows:

- (i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;
- (ii) that the Bank's position would be improved thereby, including an explanatory statement of how the Bank's position would be improved; and
- (iii) that an appropriate workout plan has been develop and will be implemented in conjunction with the additional credit to be extended; and

REDUCTION OF DELINQUENCIES

7. (a) Within 60 days after the effective date of this ORDER, the Bank shall formulate a written plan for the reduction and collection of delinquent loans. For purposes of this provision, "reduce" means to charge-off or collect. The plan shall include, but not be limited to, provisions which:

- (i) prohibit the extension of credit for the payment of interest or fees;
- (ii) delineate responsibilities for implementing and monitoring the Bank's collection policies;
- (iii) establish specific collection actions and procedures to be instituted at various stages of a borrower's delinquency;
- (iv) establish specific dollar levels to which the total dollar volume of delinquencies will be reduced and the projected timeframes for achieving the projected reduction; and

(v) provide for the submission of monthly written progress reports to the Board for review and notation in Board meeting minutes.

(b) Within 60 days after the effective date of this ORDER, the Bank shall submit the written plan to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan.

CONCENTRATIONS OF CREDIT

8. Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the concentrations of credit listed on the Concentrations page of the Report. The Bank should refer to the Financial Institution Letter 104-2006 dated December 12, 2006, entitled *Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices*, for information regarding risk segmentation analysis. A copy of this analysis shall be provided to the Supervisory Authorities. The Bank agrees to develop a plan to reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's capital account. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

ALLOWANCE FOR LOAN AND LEASE LOSSES

9. (a) Immediately upon the issuance of this ORDER, the Bank shall make a provision to replenish the ALLL.

(b) Within 30 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL, including strengthened internal loan review and grading procedures. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities.

(a) Within 60 days from the effective date of this ORDER, the Bank shall revise, adopt, and implement written lending and collection policies to provide effective guidance and control over the Bank's lending function. Such policies and their implementation shall be in a form and manner acceptable to the Supervisory Authorities.

(b) The initial revisions to the Bank's loan policy and practices, required by this paragraph, at a minimum, shall include the following:

(viii) establish review and monitoring procedures for compliance with the FDIC's appraisal regulation, 12 C.F.R. Part 323.

(c) The Bank shall submit the revised policy to the Supervisory Authorities for review and comment.
