The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for Community Bank of Pickens County, Jasper, Georgia ("Bank"), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("Stipulation"), dated June 10, 2010, that is accepted by the FDIC and the Georgia Department of Banking and Finance ("Department"). The Department may issue an order pursuant to section 7-1-91 of the Official Code of Georgia Annotated, GA Code Ann. Section 7-1-91 (1985).

With this Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices, or violations of law or regulation relating to weaknesses in asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk, to the issuance of this Consent Order ("ORDER") by the FDIC and the Department.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and section 7-1-91 of the Official Code of Georgia Annotated, GA Code Ann. Section 7-1-91 (1985) have been satisfied, the FDIC and the Department hereby order that:

BOARD OF DIRECTORS

1. (a) The Board of Directors (“Board”) shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee (“Directors’ Committee”), consisting of at least four members, to oversee the Bank’s compliance with the ORDER. Three of the members of the Directors’ Committee shall not be officers of the Bank. The Directors’ Committee shall receive from Bank management monthly reports detailing the Bank’s actions with

respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. (a) Within 60 days from the effective date of this ORDER, the Bank shall have and retain management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

- (i) a chief executive officer with proven ability in managing a bank of comparable size and in effectively implementing lending, investment and operating policies in accordance with sound banking practices;
- (ii) a senior lending officer with a significant amount of lending, collection, and loan supervision experience, and experience in upgrading a low quality loan portfolio; and
- (iii) a chief financial officer with a demonstrated ability in all financial areas, including but not limited to, accounting, regulatory reporting, budgeting and planning, management of the investment function, liquidity management and interest rate risk management.

(b) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this ORDER;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity and sensitivity to market risk.

(c) During the life of this ORDER, the Bank shall notify the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") and the Commissioner ("Commissioner") of the Department (collectively, "Supervisory Authorities"), in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall comply with the requirements of section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104 and any State requirement for prior notification and approval. The notification should include a description of the background and experience of the individual or individuals to be added or employed and must be received at least 60 days before such addition or employment is intended to become effective. If the Regional Director or the Commissioner issues a notice of disapproval pursuant to section 32 of the Act, 12 U.S.C. § 1831i, with respect to any proposed individual, then such individual may not be added or employed by the Bank.

CAPITAL

3. (a) Within 90 days from the effective date of this ORDER, the Bank shall maintain Tier 1 Capital in such an amount as to equal or exceed 8 percent of the Bank's total assets and Total Risk-Based Capital in such an amount as to equal or exceed 10 percent of the Bank's total risk-weighted assets. Thereafter, the Bank shall maintain Tier 1 Capital and Total Risk Based Capital ratios equal to or exceeding 8 percent and 10 percent, respectively, during the life of this ORDER.

(b) The level of Tier 1 Capital and Total Risk-Based Capital to be maintained during the life of this ORDER pursuant to this paragraph shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(c) Any increase in Tier 1 Capital and Total Risk Based Capital necessary to meet the requirements of this paragraph of the ORDER may not be accomplished through a deduction from the Bank's ALLL. For purposes of this ORDER, the terms "Tier 1 Capital", "Total Risk Based Capital", and "total assets" shall have the meaning ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325.

(d) If all or part of any necessary increase in Tier 1 Capital required by paragraph 3 of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the

Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with any applicable securities laws. Prior to the implementation of the plan and, in any event, not less than 15 days prior to the dissemination of such materials, the plan and any materials to be used in the sale of the securities shall be submitted to the Georgia Department of Banking and Finance, 2990 Brandywine Road, Suite 200, Atlanta, Georgia 30341-5565, and the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or materials shall be made prior to their dissemination.

CHARGE-OFF

4. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and 50 percent of all assets or portions of assets classified "Doubtful" in the Report of Examination dated July 6, 2009 ("Report") that have not been previously collected or charged-off unless otherwise approved in writing by the Supervisory Authorities. If an asset classified "Doubtful" is a loan, the Bank may, in the alternative, increase it ALLL by an amount equal to 50 percent of the loan classified "Doubtful."

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 10 days from the receipt of any official Report of Examination of the Bank from the FDIC or the Department, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified "Loss" and 50 percent of

those classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities. If an asset classified “Doubtful” is a loan, the Bank may, in the alternative increase it ALLL by an amount equal to 50 percent of the loan classified “Doubtful.”

(c) Elimination or reduction of assets through proceeds of other loans made by the Bank is not considered collection for purposes of this provision.

NO ADDITIONAL CREDIT

5. (a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or classified "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan is adversely classified as "Substandard" or “Special Mention” by the Supervisory Authorities and is uncollected.

(c) Paragraph 5(b) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this paragraph 5, whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Bank's Board, or a designated committee thereof, who shall certify, in writing:

- (i) why failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;

- (ii) why the extension of such credit would improve the Bank's position, including an explanatory statement of how the Bank's position would improve; and
- (iii) that an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(d) The signed certification shall be made a part of the minutes of the Board meeting, or designated committee, with a copy retained in the borrower's credit file.

ADVERSELY CLASSIFIED ASSETS

6. (a) Within 30 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank's risk exposure in each asset, or relationship in excess of \$500,000 classified "Substandard" or "Doubtful" in this Report. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value of and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) In addition, the plan mandated by this paragraph shall also include, but not be limited to, the following:

- (i) a quarterly schedule for reducing the outstanding dollar amount of

adversely classified assets;

- (ii) a schedule showing, on a quarterly basis, the expected consolidated balance of all adversely classified assets, and the ratio of the consolidated balance to the Bank's projected Tier 1 Capital plus the ALLL;
- (iii) a provision for the Bank's submission of monthly written progress reports to its Board; and
- (iv) a provision mandating Board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the Board.

(c) The plan mandated by this paragraph shall further require a reduction in the aggregate balance of assets classified "Substandard" and "Doubtful" in the Report in accordance with the following schedule:

- (i) within 180 days, a reduction of twenty-five percent (25%) in the balance of assets classified "Substandard" or "Doubtful";
- (ii) within 360 days, a reduction of forty-five percent (45%) in the balance of assets classified "Substandard" or "Doubtful";
- (iii) within 540 days, a reduction of sixty percent (60%) in the balance of assets classified "Substandard" or "Doubtful"; and
- (iv) within 720 days, a reduction of seventy-five percent (75%) in the balance of assets classified "Substandard" or "Doubtful".

(d) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the

Bank shall continue to reduce the total volume of adversely classified assets. The plan may include a provision for increasing Tier 1 Capital when necessary to achieve the proscribed ratio.

(e) Within 60 days of the effective date of this ORDER, the Bank shall submit the plan to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan. Such plan shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrent with the other reporting requirements set forth in this ORDER.

The written policy should include specific guidelines for placing loans on nonaccrual, procedures and limitations on interest reserves, and requirements for appraisals and evaluations consistent with outstanding regulatory guidance and the Uniform Standards of Professional Appraisal Practice. The policy shall include requirements for re-appraising and/or re-evaluating

real estate pledged as collateral on an ongoing basis that take into consideration changing market conditions and economic factors. Such policy and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

REDUCE CONCENTRATIONS OF CREDIT

9. Within 120 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the Concentrations of Credit listed on the Concentration page of the Report and any other Concentration of Credit deemed important by the Bank. Concentrations should be identified by product type, geographic distribution, individual borrowers, underlying collateral or other asset groups which are considered economically related and in the aggregate represent a large portion of the Bank's capital account. The Bank should refer to the Interagency Guidance on *Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices* issued December 12, 2006, for information regarding risk segmentation analysis. A copy of this analysis will be provided to the Supervisory Authorities. The Board should develop a plan to reduce the concentrations of credit listed in the Report and submit the plan to reduce the concentrations to the Supervisory Authorities within 120 days from the effective date of this ORDER. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review should be completed at least twenty-one (21) days after the end of each calendar quarter, in order that the findings of the Board with respect to the ALLL may be properly reported in the quarterly Reports of Condition and Income. The review should focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

11. While this Order is in effect, the Bank must notify the Supervisory Authorities at least 60 days prior to undertaking asset growth of 10% or more or initiating material changes in asset or liability composition. In no event shall asset growth result in non-compliance with the capital maintenance provisions of this ORDER unless the Bank receives prior written approval from the Supervisory Authorities.
