(a) Within 90 days from the effective date of this ORDER, the Board shall review and revise the Bank's written loan policies and procedures to address the comments and criticisms in the Report of Examination dated as of June 30, 2009 issued jointly by the FDIC and the Office of the Commissioner of Financial Institutions for the Commonwealth of Puerto Rico ("Report of Examination") and abate any additional loan deterioration. The Bank's revised loan policies and procedures shall be provided to the Regional Director for review and comment. Within 30 days of receipt of any comment from the Regional Director, and after consideration of any recommended changes, the Board shall approve the loan policies and procedures, which approval shall be recorded in the Board minutes. Thereafter, the Bank shall implement and fully comply with the revised loan policies. In the event the Bank considers making a loan that would not conform with the Bank's loan policies, the loan shall receive prior review and approval by the Board. The reason for non-conformance and the Board's prior review and approval shall be documented in the Board minutes and in the loan file for that loan.

(b) The initial revisions to the Bank's loan policy required by this paragraph, at a minimum, shall include provisions:

For purposes of this paragraph, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Regional Director.

(b) The plan shall include, but is not limited to, provisions which:

(i) prohibit an extension of credit for the payment of interest, unless the Board provides, in writing, a detailed explanation of why the extension is in the best interest of the Bank and how it improves the position of the Bank, including an appropriate workout plan that has been developed and will be implemented in conjunction with the additional credit to be extended;

(ii) provide for the review of the current financial condition of each Special Mention or classified borrower, including a review of borrower cash flow and collateral value;

(iii) delineate areas of responsibility for loan officers;

While this ORDER is in effect, the plan shall be revised to include assets which become adversely classified after the effective date of this ORDER or are listed as Special Mention at any subsequent examination.

REDUCTION OF DELINQUENCIES AND NON-ACCRUAL ASSETS

8. (a) Within 45 days from the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director for review and comment a reasonable and realistic written plan for the reduction and collection of delinquent and non-accrual loans. Such plan shall include, but not be limited to, provisions which:

(i) prohibit the extension of credit for the payment of interest, unless the Board adopts prior to such extension of credit a detailed written statement giving reasons why such extension of credit is in the best interests of the Bank and how it improves the position of the Bank, including an appropriate workout plan that has been developed and will be implemented in conjunction with the additional credit to be extended. Copies of the statement approved by the Board shall be made a part of the Board minutes and placed in the appropriate loan file and submitted to the Regional Director with the quarterly progress reports required pursuant to paragraph 17 of this ORDER;

(b) As of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan or other credit has been classified "substandard," "doubtful" or is listed for Special Mention in the Report of Examination or any future report of examination, and is uncollected.

(c) The provision of this ORDER restricting lending to a delinquent or classified borrower shall not apply if the Bank's failure to extend further credit to a particular borrower

would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this paragraph, whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, or a designated committee thereof, who shall determine that:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with a written explanation of why the failure to extend such credit would be detrimental;

(ii) the extension of credit would improve the Bank's position, with a written explanatory statement of how and why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended. (viii) establish a minimum liquidity ratio and define how the ratio is to be calculated;

(ix) establish contingency plans by identifying alternative courses of action designed to meet the Bank's liquidity needs; and

Within 30 days of the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director a written plan for reducing the Bank's reliance on brokered deposits ("brokered deposit plan"). The brokered deposit plan shall detail the current composition of the Bank's brokered deposits by maturity and explain the means by which such deposits will be paid. For purposes of this ORDER, brokered deposits are defined in section 337.6(a)(2) of the FDIC Rules and Regulations to include any deposits funded by third-party agents or nominees for depositors, including deposits managed by a trustee or custodian when each individual beneficial interest is entitled to or asserts a right to federal deposit insurance.
