The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for Pinnacle Bank, Orange City, Florida ("Bank"), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("STIPULATION"), dated July 1, 2010, that is accepted by the FDIC and the Florida Office of Financial Regulation ("OFR"). The OFR may issue an order pursuant to Chapter 120 and Section 655.033, Florida Statutes (2009).

With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices, or violations of law and/or regulation relating to weaknesses in asset quality, capital adequacy, earnings, management effectiveness, and liquidity and sensitivity to market risk, to the issuance of

this Consent Order ("ORDER") by the FDIC and the OFR (collectively the "Supervisory Authorities").

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes, have been satisfied, the FDIC and the OFR hereby order that:

BOARD OF DIRECTORS

1. (a) Effective immediately, the Board shall maintain its participation in the affairs of the Bank, maintaining full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least four members, to oversee the Bank's compliance with the ORDER. Three of the members of the Directors' Committee shall not be officers of the Bank. The Directors' Committee

shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. (a) During the life of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank, including a chief executive officer, a senior lending officer, and a chief financial officer. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER.

- (b) The qualifications of management shall be assessed on their ability to:
- (i) comply with the requirements of this ORDER;
 - (ii) operate the Bank in a safe and sound manner;
 - (iii) comply with applicable laws and regulations; and
 - (iv) restore all aspects of the Bank to a safe and sound condition, including asset quality (e.g., upgrading a low quality loan portfolio), capital adequacy, earnings, risk management, loan underwriting, appraisals, management effectiveness, and liquidity.

(c) During the life of this ORDER, the Bank shall notify the Supervisory Authorities in writing of the resignation or termination of any Bank's directors or senior executive officers within 15 days of the event.

(d) During the life of this ORDER, the Bank shall provide written notice to the Supervisory Authorities when it proposes to add any individual to the Bank's Board or employ any individual as a senior executive officer as that term is defined in Part 303 of the FDIC's Rules and Regulations, 12 C.F.R. § 303.101, or executive officer as that term is defined in Section 655.005, Florida Statutes. The notification to the Supervisory Authorities shall comply with the requirements set forth in 12 C.F.R. Part 303, Subpart F, and Section 655.0385, Florida Statutes. The notification shall include a description of the background and experience of the individual or individuals to be added or employed and must be received at least 60 days before such addition or employment is intended to become effective. If the Regional Director, pursuant to section 32 of the Federal Deposit Insurance Act, 12 U.S.C. § 1831i, or the OFR, pursuant to Section 655.0385, Florida Statutes, issues a notice of disapproval, with respect to any proposed individual, then such individual shall not be added or employed by the Bank.

(e) During the life of this ORDER, the Bank shall not enter into any new management contracts without prior notification and approval of the Supervisory Authorities.

CAPITAL

3. (a) Within 90 days from the effective date of this ORDER, the Bank shall have Tier 1 Capital in such amount as to equal or exceed eight percent (8.0%) of the Bank's total assets and Total Risk-based Capital in such an amount as to equal or exceed twelve percent (12.0%) of the Bank's total risk-weighted assets. Thereafter, the Bank shall maintain Tier 1 Capital and Total Risk-based Capital ratios equal to or exceeding eight percent (8.0%) and twelve percent (12.0%), respectively, during the life of this ORDER. Tier 1 Capital and Total Risk-based Capital ratios shall be calculated at the end of each calendar quarter utilizing the definitions contained in 12 C.F.R. § 325.2. In the event these capital ratios fall below the required percentages at the end of any calendar quarter, the Bank shall notify the Supervisory Authorities of the capital deficiency within ten days and shall increase capital by an amount sufficient to raise the ratios to the required percentages prior to the next quarter end.

(b) The level of Tier 1 Capital and Total Risk-based Capital to be maintained during the life of this ORDER pursuant to paragraph 3(a) shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(c) Any increase in Tier 1 Capital and Total Risk Based Capital necessary to meet the requirements of paragraph 3(a) of this ORDER may be accomplished by the following:

- (i) sale of common stock; or
- (ii) sale of noncumulative perpetual preferred stock; or

- (iii) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (iv) any other means acceptable to the Supervisory Authorities; or
- (v) any combination of the above means.

(d) Any increase in capital necessary to meet the requirements of paragraph 3(a) of this ORDER may not be accomplished through a deduction from the Bank's ALLL.

(e) If all or part of any necessary increase in capital required by paragraph 3(a) of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and to the OFR, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, FL 32399-0371, for review.

Any changes requested to be made in the plan or materials by the Supervisory Authorities shall be made prior to their dissemination.

(f) For the purposes of this ORDER, the terms "Tier 1 Capital" and "total assets" shall have the meanings ascribed to them in section 325.2 of the FDIC Rules and Regulations, 12 C.F.R. § 325.2.

RESTRICTIONS ON CERTAIN PAYMENTS

4. (a) While this ORDER is in effect, the Bank shall not declare or pay dividends or bonuses without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend declaration date or bonus payment date (at least 5 days with respect to any request filed within the first 30 days after the date of this ORDER) and shall contain, but not be limited to, an analysis demonstrating that the Bank meets the criteria set forth in Section 658.37, Florida Statutes, and detailing the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

(b) During the term of this ORDER, the Bank shall not issue, or make any distributions of interest, principal, or other sums on, subordinated debentures, if any, without the prior written approval of the Regional Director and the OFR.

ALLOWANCE FOR LOAN AND LEASE LOSSES

5. (a) Within 30 days from the effective date of this ORDER, the Bank shall properly fund its ALLL and address the deficiency in funding noted on the Examination Conclusions and Comments Pages of the November 2, 2009 Report of Examination ("Report"), and conform with applicable guidance and regulations.

(b) Within 45 days from the effective date of this ORDER, the Board shall establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified “Loss.” The policy shall provide for a review of the ALLL at least once each calendar quarter, in order that the findings of the Board with respect to the ALLL may be properly reported in the quarterly Consolidated Reports of Condition and Income. The review shall focus on the results of the Bank’s internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the Consolidated Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank’s policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations or visitations.

CHARGE-OFF

6. (a) Within 30 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified “Loss” and 50 percent of those assets classified “Doubtful” in the Report that have not been previously collected or charged-off unless otherwise approved in writing by the Supervisory Authorities. If an asset classified “Doubtful” is a loan or lease, the Bank may, in the alternative, increase its ALLL by an amount equal to 50 percent of the

loan or lease. Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days of the receipt of any future Report of Examination or Visitation Report of the Bank from the Supervisory Authorities, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any assets classified “Loss” and 50 percent of those classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities. Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

REDUCTION OF CLASSIFIED ASSETS

7. (a) Within 45 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank’s risk exposure on each asset in excess of \$300,000 classified “Substandard” or “Doubtful” in the Report, including Other Real Estate Owned (“ORE”). For purposes of this paragraph, “reduce” means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each adversely classified asset, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(b) In addition, the written plan mandated by this paragraph shall also include, but not be limited to, the following:

- (i) a quarterly schedule for reducing the outstanding dollar amount of each adversely classified asset;
- (ii) a schedule showing, on a quarterly basis, the expected consolidated balance of all adversely classified assets, and the ratio of the consolidated balance to the Bank's projected Tier 1 Capital plus the ALLL;
- (iii) a provision for the Bank's submission of monthly written progress reports to its Board; and
- (iv) a provision mandating Board review of the progress reports, with a notation of the review recorded in the Board minutes.

(c) The plan mandated by this paragraph shall further require a reduction in the aggregate balance of assets classified "Substandard" and "Doubtful" in the Report in accordance with the following schedule. For purposes of this paragraph, "days" means number of days from the effective date of this ORDER.

- (i) within 90 days, a reduction of ten percent (10%) in the balance of assets classified "Substandard" or "Doubtful."
- (ii) within 180 days, a reduction of twenty percent (20%) in the balance of assets classified "Substandard" or "Doubtful."
- (iii) within 360 days, a reduction of forty percent (40%) in the balance of assets classified "Substandard" or "Doubtful."
- (iv) within 540 days, a reduction of sixty percent (60%) in the balance of assets classified "Substandard" or "Doubtful."
- (v) within 720 days, a reduction of seventy-five percent (75%) in the balance of assets classified "Substandard" or "Doubtful."

(d) The requirements of paragraph 7(c) do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. The plan shall include a provision for increasing Tier 1 Capital when necessary to achieve the prescribed ratio.

(e) Within 45 days from the effective date of this ORDER, the Bank shall submit the written reduction plan to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the meeting of the Board. Thereafter, the Bank shall implement and fully comply with the plan.

RESTRICTIONS ON ADVANCES TO ADVERSELY CLASSIFIED BORROWERS

8. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part as "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, as of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard" or "Special Mention" and is uncollected.

(c) Paragraph 8(b) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board, or a designated committee thereof, who shall certify, in writing:

- (i) that the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;
- (ii) that the Bank's position would be improved thereby, including an explanatory statement of how the Bank's position would be improved; and
- (iii) that an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(d) The signed certification shall be made a part of the minutes of the Board or designated committee, and a copy of the signed certification shall be retained in the borrower's credit file.

REDUCE CONCENTRATIONS OF CREDIT

9. Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the Concentrations of Credit discussed in the Report, in particular the Commercial Real Estate (“CRE”) loan concentrations.

Concentrations should be identified by product type, geographic distribution, underlying collateral or other asset groups, which are considered economically related and in the aggregate represent a large portion of the Bank’s Tier 1 Capital. The Bank shall develop a written plan approved by its Board and acceptable to the Supervisory Authorities to

systematically reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's Tier 1 Capital. At a minimum the plan must provide for written procedures for the ongoing measurement and monitoring of the concentrations of credit, and a limit on concentrations commensurate with the Bank's capital position, safe and sound banking practices, and the overall risk profile of the Bank. It should also implement the *Joint Guidance on Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices* as set forth in FIL-104-2006 dated December 12, 2006, to address the CRE concentrations.

LENDING AND COLLECTION POLICIES

10. (a) Within 60 days from the effective date of this ORDER, the Bank shall revise, adopt, and implement written lending and collection policies to provide effective guidance and control over the Bank's lending function. Such policies and their implementation shall be in a form and manner acceptable to the Supervisory Authorities.

(b) The revisions to the Bank's loan policy and practices, required by this paragraph, at a minimum, shall:

(i) address criticisms and recommendations listed on the Examination Conclusions and Comments and Risk Management pages in the Report pertaining to loan underwriting and administration as well as commercial real estate lending and internal grading system;

(ii) address when loans should be placed on nonaccrual and prohibit the capitalization of interest or loan related expense unless the Board supports in writing and records in the minutes of the corresponding Board meeting why an exception thereto is in the best interests of the Bank; and

(iii) address requirements for requiring complete loan documentation, realistic repayment terms and current credit information adequate to support the outstanding indebtedness of the borrower. Such documentation shall include current financial information, profit and loss statements or copies of tax returns, and cash flow projections.

INTERNAL LOAN GRADING

11. Within 45 days from the effective date of this ORDER, the Bank will adopt an effective internal loan review and grading system to provide for the periodic review of the Bank's loan portfolio in order to identify and categorize the Bank's loans on the basis of credit quality. Such system and its implementation will be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations. At a minimum, the grading system will provide for the following:

- (a) specification of standards and criteria for assessing the credit quality of the Bank's loans;
- (b) application of loan grading standards and criteria to the Bank's loan portfolio;
- (c) categorization of the Bank's loans into groupings based on the varying degrees of credit and other risks that may be presented under the applicable grading standards and criteria;
- (d) identification of any loan that is not in conformance with the Bank's loan policy;

(e) identification of any loan which presents any unsafe or unsound banking practice or condition or is otherwise in violation of any applicable Florida or Federal law, regulation, or statement of policy; and

(f) a requirement that a written report be made to the Board not less than quarterly after the effective date of this ORDER. The report shall identify the status of those loans that exhibit credit and other risks under the applicable grading standards/criteria and the prospects for full collection and/or strengthening of the quality of any such loans.

PLANS FOR EXPENSES/PROFITABILITY

12. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate and fully implement a written plan and a comprehensive budget for all categories of income and expense. The plan and budget required by this paragraph shall include formal goals and strategies, consistent with sound banking practices and taking into account the Bank's other written policies, to improve the Bank's net interest margin, increase interest income, reduce discretionary expenses, control overhead, and improve and sustain earnings of the Bank. The plan shall include a projected balance sheet and a description of the operating assumptions that form the basis for and adequately support major projected income and expense components. Thereafter, the Bank shall formulate such a plan and budget by November 30 of each subsequent year. The plan and budget required by this paragraph shall be acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(b) Following the end of each calendar quarter, the Board shall evaluate the Bank's actual performance in relation to the plan and budget required by paragraph 12(a)

of this ORDER and shall record the results of the evaluation, and any actions taken by the Bank in the minutes of the Board meeting at which such evaluation is undertaken.

WRITTEN STRATEGIC PLAN

13. Within 90 days from the effective date of this ORDER, the Bank shall prepare and submit to the Supervisory Authorities its written strategic plan consisting of long-term goals designed to improve the condition of the Bank and its viability and strategies for achieving those goals. The plan shall be in a form and manner acceptable to the Supervisory Authorities, but at a minimum shall cover three years and provide specific objectives for asset growth, market focus, earnings projections, capital needs, and liquidity position.

FUNDS MANAGEMENT PLAN

14. (a) Within 60 days from the effective date of this ORDER, the Bank shall adopt and implement a written plan addressing liquidity, contingent funding, interest rate risk, and asset liability management and to reduce the Bank's dependency on volatile liabilities.

(b) The plan shall incorporate the guidance contained in Financial Institutions Letter 84-2008, dated August 26, 2008, entitled Liquidity Risk Management. The plan shall provide restrictions on the use of brokered and Internet deposits consistent with safe and sound banking practices.

(c) A copy of the plan shall be submitted to the Supervisory Authorities upon its completion for review and comment. Within 30 days from the receipt of any comments from the Supervisory Authorities, the Bank shall incorporate those recommended changes. Thereafter, the Bank shall implement and follow the plan, and its

implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations or visitations.

BROKERED DEPOSITS

15. (a) Throughout the life of this ORDER, the Bank shall not accept, renew, or rollover any brokered deposit, as defined by 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b), governing solicitation and acceptance of brokered deposits by insured depository institutions.

(b) Within 10 days of the effective date of this ORDER, the Bank shall submit a written plan for eliminating its reliance on brokered deposits to the Supervisory Authorities for review and comment. The plan shall detail the current composition of brokered deposits by maturity and explain the means by which such deposits will be paid. Within 30 days of receipt of all such comments from the Supervisory Authorities, and after consideration of all such comments, the Bank shall approve the revised plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan.

(c) The Bank shall comply with the restrictions on the effective yields on deposits described in 12 C.F.R. § 337.6.

INTEREST RATE RISK MANAGEMENT

16. Within 60 days from the effective date of this ORDER, the Bank shall develop and implement a written policy for managing interest rate risk in a manner that is appropriate to the size of the Bank and the complexity of its assets. The policy shall comply with the *Joint Inter-Agency Policy Statement on Interest Rate Risk* as set forth in FIL-52-96 dated July 12, 1996, and the FFIEC Advisory on Interest Rate Risk

Management, entitled *Financial Institution Management of Interest Rate Risk* as set forth in FIL 2-2010 dated January 20, 2010. The policy shall be consistent with the comments and recommendations detailed in the Report.

VIOLATIONS OF LAW, REGULATION AND POLICY

17. Within 30 days from the effective date of this ORDER, the Bank shall eliminate and/or correct all violations of law and regulation and contraventions of policy, which are more fully set out in the Report. In addition, the Bank shall take all necessary steps to ensure future compliance with all applicable laws and regulations and applicable statements of policy.

ASSET GROWTH LIMITATIONS

18. During the life of this ORDER, the Bank shall limit asset growth to 10 percent (10%) per annum and in no event shall asset growth result in noncompliance with the capital maintenance provisions of this ORDER without receiving prior written approval of the Supervisory Authorities. In no event shall asset growth result in noncompliance with the capital maintenance provisions of this ORDER unless the Bank receives prior written approval from the Supervisory Authorities.

PROGRESS REPORTS

19. Within 30 days of the end of the first quarter following the effective date of this ORDER, and within 30 days of the end of each quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form, manner, and results of any actions taken to secure compliance with this ORDER. Such written reports shall provide cumulative detail of the Bank's progress toward achieving compliance with each provision of the ORDER. The progress report requirement shall continue for the

life of this ORDER unless modified or terminated in writing by the Supervisory Authorities. All progress reports and other written responses to this ORDER shall be reviewed by the Board and be made a part of the minutes of the appropriate Board meeting.

DISCLOSURE

20. Following the effective date of this ORDER, the Bank shall send to its shareholders or otherwise furnish a description of this ORDER in conjunction with the Bank's next shareholder communication and also in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting. The description shall fully describe the ORDER in all material respects. The description and any accompanying communication, statement or notice shall be sent to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and to the OFR, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, FL 32399-0371, at least fifteen (15) days prior to dissemination to shareholders. Any changes requested to be made by the Supervisory Authorities shall be made prior to dissemination of the description, communication, notice, or statement.

The provisions of this ORDER shall not bar, estop, or otherwise prevent the FDIC, the OFR, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.
