The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for First Choice Bank, Geneva, Illinois ("Bank"), under 12 U.S.C. § 1813(q). The Bank was chartered by the Illinois Department of Financial and Professional Regulation, Division of Banking ("Division").

The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("Stipulation"), dated June 30, 2010, that is accepted by the FDIC and the Division. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices to the issuance of this Consent Order ("Order") by the FDIC and the Division.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and Section 48(6), 205 ILCS 5/48(6), have been satisfied, the FDIC and the Division hereby order that:

1. Assessment of Management.

(a) From the effective date of this ORDER, the Bank shall take action to have and maintain qualified management.

(b) Within 60 days of the effective date of this ORDER, the Board will develop a written Management Plan. At a minimum, without limitation, the Management Plan shall:

(i) identify the type and number of executive officer positions needed to manage and supervise the affairs of the Bank, detailing any vacancies or additional needs and giving appropriate consideration to the size and complexity of the Bank;

(ii) identify the type and number of staff positions needed to carry out the Bank's strategic plan, detailing any vacancies or additional needs;

(iii) assess management's ability to: (A) comply with the requirements of the ORDER, all applicable State and Federal laws and regulations; FDIC and FFIEC policy statements, and the Bank's approved policies and procedures; and (B) restore and thereafter maintain the Bank in a safe and sound condition, including, but limited to, capital adequacy, asset quality,

earnings, management effectiveness, liquidity, and sensitivity to market risks; and,

(iv) establish procedures to annually review and update the Management Plan, as well as periodically review and assess the performance of each officer and staff member.

(c) Upon completion, a copy of the Management Plan and any subsequent modification thereto shall be submitted for review and comment to the FDIC Regional Director for the Kansas City Region ("Regional Director") and the Division ("collectively, Supervisory Authorities"). Within 30 days from receipt of any comment from the Supervisory Authorities and after consideration of all such comments, the Board shall approve the Management Plan which approval shall be recorded in the minutes of the meeting of the Board. Thereafter, the Bank and its directors, officers and employees shall implement and follow the Management Plan and any modifications thereto. It shall remain the responsibility of the Board to fully implement the plan within the specified time frames. In the event the plan, or any portion thereof, is not implemented, the Board shall immediately advise the Supervisory Authorities, in writing, of specific reasons for deviating from the Management Plan.

2. Reduction of Adversely Classified Assets.

(a) Within 30 days from the effective date of this ORDER, the Board shall formulate written plans to reduce the Bank's risk exposure in each asset in excess of \$250,000 adversely classified as "Substandard" or "Doubtful" in the Report of Examination. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plans mandated by this subparagraph (a), the Board shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including sources of repayment and repayment ability, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) Upon completion of the plans, the Board shall immediately submit the plans to the Supervisory Authorities and the Board shall approve the plans, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the plans.

3. Restrictions on Advances to Adversely Classified Borrowers.

(a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or adversely classified "Substandard" or "Doubtful," either internally or by either of the Supervisory Authorities in a Report of Examination in the last 18 months and is uncollected, or classified "Substandard" or "Doubtful" in any future Reports of Examination from either of the Supervisory Authorities and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) Subparagraph (a) of this provision shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this subparagraph (b), whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, or a committee thereof, who shall conclude:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with an

explanation of why the failure to extend such credit would be detrimental;

(ii) that the extension of such credit would improve the Bank's position, with an explanatory statement of why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(c) The conclusions and approval of the Board, or a committee thereof, shall be made a part of the minutes of the Board or that committee, with a copy retained in the borrower's credit file. Any action taken under this paragraph by a committee of the Board shall be presented to the Board at its next meeting, and noted in the Board's minutes.

4. Other Real Estate.

(a) Within sixty (60) days from the effective date of this ORDER, the Bank shall adopt, implement, and adhere to, a written policy to manage the Bank's Other Real Estate ("ORE"). At a minimum, the written ORE policy ("ORE Policy") shall provide for:

(i) a review of the ORE portfolio, at least quarterly, by a committee appointed by the board of directors ("ORE committee");

(ii) documentation that taxes and insurance premiums are paid in a timely manner;

(iii) resolution of documentation exceptions;

(iv) a realistic and comprehensive budget for each parcel of ORE with a book value in excess of \$100,000, including projections of the Bank's carrying costs (such as upkeep, repairs and insurance) and projections of the marketing costs;

(v) an independent appraisal of each parcel at the time of foreclosure and periodically thereafter (but no more than 12 months from the date of the prior appraisal report);

(vi) a determination by the ORE committee that each parcel of ORE is listed with a real estate broker or otherwise made widely available for sale within an appropriate timeframe and at a realistic selling price;

(vii) periodic progress reports from each real estate broker marketing the Bank's ORE, including projected timeframes; and

(viii) a detailed report from the ORE committee to the Bank's board of directors at least quarterly, with a copy of the report, including documentation of the action taken to facilitate the timely sale of ORE, made part of the board minutes.

(b) The ORE Policy shall be submitted to the Division and the Regional Director.

5. Maintenance of Allowance for Loan and Lease Losses.

(a) Within 45 days from the effective date of this Order, the Board shall review and revise its written policy and methodology for determining the ALLL to address the criticisms in the Report of Examination. The written policy shall provide for a review of the ALLL at least once each calendar quarter in order that the findings of the Board may be properly reported in the Bank's Call Reports. Such reviews shall, at a minimum, be made in accordance with the Call Report Instructions, the Interagency Statement of Policy on the Allowance for Loan and Lease Losses, other applicable regulatory guidance that addresses the appropriateness of the Bank's ALLL, and any analysis of the Bank's ALLL provided by either of the Supervisory Authorities. Upon completion, the Bank shall submit the written policy to the Supervisory Authorities, and thereafter, it shall be approved by the Board, which shall be recorded in the minutes of the Board. The Bank shall follow and implement the written policy.

(b) A deficiency in the Bank's ALLL shall be remedied in the calendar quarter in which it is discovered by a charge to

current operating earnings prior to any Tier 1 capital determinations required by this ORDER and prior to the Bank's submission of its Call Report. The Board shall thereafter maintain an appropriate ALLL and fully comply with the policy.

6. Minimum Capital Requirements.

(a) While this ORDER is in effect, the Bank shall have and maintain the following minimum capital ratios, as defined in Part 325 of the FDIC's Rules and Regulations, after establishing an appropriate allowance for loan and lease losses:

(i) Tier 1 Leverage Capital Ratio at least equal to 8.5 percent; and

(ii) Total risk-based capital ratio at least equal to 11.5 percent.

(b) In the event any ratio is or becomes less than the minimum required by subparagraph (a) of this provision, the Board shall immediately notify the Supervisory Authorities and within 90 days shall: (1) increase capital in an amount sufficient to comply with subparagraph (a), or (2) submit a written plan for review and comment to the Supervisory Authorities, describing the primary means and timing by which the Bank shall increase its capital ratios up to or in excess of the minimum requirements of subparagraph (a) above, as well as a contingency plan in the event the primary sources of capital are

not available. Within 30 days of receipt of any such comments from the Supervisory Authorities, and after consideration of all such comments, the Board shall approve the written plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the written plan.

(c) Any increase in Tier 1 capital necessary to meet the requirements of subparagraph (a) of this provision may not be accomplished through a deduction from the allowance for loan and lease losses.

7. Dividend Restriction.

While this ORDER is in effect, the Bank shall not declare or pay any dividends, or pay or agree to pay any management or consulting fees, without the prior written approval of the Supervisory Authorities.

(v) listing and timing of contractually binding loan commitments that are expected to be funded;

(vi) projections for known maturities of anticipated brokered deposit withdrawals;

(vii) projections, including best and worse case scenarios, of large public/private deposit withdrawals;

Projections and Contingency Plans:

(viii) projections for curtailing loan growth and shrinking the total asset size of the Bank; and

(c) Within 60 days of the effective date of this ORDER, the Bank shall review and revise its funds management policies

and practices to address the interest rate risk issues cited in the Report of Examination.

(b) The business/strategic plan shall provide specific objectives for asset growth, loan portfolio mix, market focus, earnings projections, capital needs, and liquidity position. The profit and budget plan shall include goals and strategies for improving the earnings of the Bank. The budget shall include a description of the operating assumptions that form the basis for, and adequately support, major projected income and expense components.

(b) The Bank shall document any deficiency that cannot be eliminated or corrected, and why, for review by the Board at its next monthly meeting. The Board's review, discussion and any action upon the uncorrected violation shall be recorded in the Board's minutes.

Following the effective date of this ORDER, the Bank shall provide a copy of this ORDER to its sole shareholder, (i) in conjunction with the Bank's next shareholder communication, and (ii) in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting.

12. Progress Reports Detailing Compliance with ORDER.

(a) Within 60 days of the end of the first calendar quarter following the effective date of this ORDER, and within 45 days of the end of each calendar quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form, manner, and results of any actions taken to secure compliance with this ORDER. The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.
