(d) Within 30 days of receipt of the Consultant's Report, the Board will develop a written plan ("Management Plan") that addresses the findings of the Consultant's Report, states the actions to be taken by the Bank in response to each recommendation contained in the Consultant's Report, and establishes a time frame for completing each action. At a minimum, the Management Plan shall:

Thereafter, the Bank and its directors, officers and employees shall implement and follow the Management Plan and any modifications thereto. It shall remain the responsibility of the Board to fully implement the Management Plan within the specified time frames. In the event the Management Plan, or any portion thereof, is not implemented, the Board shall immediately advise the Supervisory Authorities, in writing, of specific reasons for deviating from the Management Plan.

2. Charge-off of Adversely Classified Assets.

(a) Within 10 days from the effective date of this Order and within 10 days after the receipt of any future report of examination of the Bank from the FDIC and/or the OSBC, the Bank shall eliminate from its books, by charge-off or collection, all

assets or portions of assets classified "Loss" in the Report of Examination and such future reports of examination that have not been previously collected or charged off.

(b) Elimination or reduction of assets classified "Loss" through proceeds of other loans made by the Bank is not considered collection for purposes of this provision.

3. Reduction of Adversely Classified Assets.

(a) Within 90 days from the effective date of this ORDER, and 60 days from receipt of future reports of examination from the FDIC and/or the OSBC, the Bank shall develop and complete a written plan to reduce the Bank's risk exposure in each asset in excess of \$100,000 classified "Substandard" or "Doubtful" in the Report of Examination and such future reports of examination. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from such adverse classification.

(b) In developing the plans mandated by this paragraph, the Bank shall, at a minimum, review, analyze, and document the financial position of the borrower, including sources of repayment and repayment ability, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(c) The plans mandated by this provision shall include, at a minimum, the following:

(i) specific action plans intended to reduce the Bank's risk exposure in each classified asset;

(ii) a requirement that monthly written summary progress reports be submitted to the Board;

(iii) a requirement that quarterly detailed written progress reports be submitted to the Board for review prior to preparation of the Bank's Call Reports; and

(iv) a requirement that the Board review all progress reports and record with a notation of the review in the minutes of the Board meetings at which such reports are reviewed.

(d) The Board shall approve the plans, which approval shall be recorded in the Board's minutes. Copies of the approved plans shall be provided to the Supervisory Authorities as part of the Progress Reports required below. Thereafter, a copy of the plan or portion thereof that pertains to a specific borrower shall be maintained in the borrower's credit file, and the Bank shall implement and fully comply with the plan.

4. Restrictions on Advances to Adversely Classified Borrowers.

(a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension

of credit or obligation with the Bank that has been, in whole or in part, charged off or adversely classified "Substandard" or "Doubtful" in the Report of Examination and is uncollected, or classified "Substandard" or "Doubtful" in any future FDIC or OSBC reports of examination and is uncollected.

(b) Subparagraph (a) of this provision shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this subparagraph (b), whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, or a committee thereof, who shall conclude:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with an explanation of why it would be detrimental (e.g., mitigation of loss; enhance collateral protection; or greater possible loss from contract liability);

(ii) that the extension of such credit would improve the Bank's position, with an explanatory statement of why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(c) The conclusions and approval made pursuant to subparagraph (b) of this provision shall be made a part of the minutes of the meeting of the Board, or the committee thereof, at which the extension of credit is approved, with a copy retained in the borrower's credit file.

(c) In the event the Bank considers making a loan that would not conform with the Loan Policy, the loan shall receive prior review and approval by the Board or an appropriate committee thereof. The reason for nonconformance and the Board's or committee's review and approval shall be documented

in the minutes of the Board or committee and in the loan file for that loan.

6. Loan Review Program.

(a) Within 90 days of the effective date of this ORDER, the Board shall develop a written program of independent loan review that will provide for a periodic review of the Bank's loan portfolio and the identification and categorization of problem credits. At a minimum, the written program shall provide for:

(vii) identification of loans to directors, officers, principal shareholders, and their related interests; and

(viii) periodic written reports, but in no event less than quarterly, providing the information developed in (i) through (vii) above to the Board. The reports should also describe the action(s) taken by management with respect to each problem credit.

(b) The written program shall be provided to the Supervisory Authorities, and shall be approved by the Board. Such approval shall be recorded in the minutes of the Board and thereafter, the Bank shall implement the written program.

(c) Upon implementation, a copy of each report submitted to the Board, as well as documentation of the actions taken by the Bank or recommendations to the Board that address identified deficiencies in specific loan relationships or the Bank's policies, procedures, strategies, or other elements of the Bank's lending activities, as well as any resulting determinations, shall be recorded and retained in the Board's minutes.

7. Maintenance of Allowance for Loan and Lease Losses
("ALLL").

The Board shall review the Bank's ALLL at least once each calendar quarter. That review should be completed at such time to ensure that the findings of the Board will be properly reported in the Bank's Call Reports. Such reviews shall, at a minimum, be made in accordance with the Call Report Instructions, the Interagency Statement of Policy on the Allowance for Loan and Lease Losses, other applicable regulatory guidance that addresses the appropriateness of the Bank's ALLL, and any analysis of the Bank's ALLL provided by either of the Supervisory Authorities.

Thereafter at the next Board meeting, the Board shall approve the written plan and record such approval in its minutes, and the Bank shall implement and fully comply with the written plan.

(c) Any increase in Tier 1 leverage capital necessary to meet the requirements of this section may not be accomplished through a deduction from the ALLL.
