The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Community State Bank, Austin, Texas (“Bank”), under 12 U.S.C. §1813(q).

The Texas Department of Banking (“Department”) is the appropriate state banking agency for the Bank, under Texas Finance Code, Title 3, Subtitle A, §§31.001 et. seq.

The Bank, by and through its duly elected and acting board of directors, has executed a “STIPULATION TO THE ISSUANCE OF A CONSENT ORDER” (“STIPULATION”), dated September 9, 2010, that is accepted by the FDIC and the Banking Commissioner of Texas (“Commissioner”). With the STIPULATION, the Bank has consented, without admitting or denying any violations of law and/or regulations and any charges of unsafe or unsound banking practices relating to weaknesses in asset quality and liquidity, deterioration in capital protection and earnings, and deficiencies in management and oversight by the board of directors, to the issuance of this CONSENT ORDER (“ORDER”) by the Regional Director of the Dallas Regional Office (“Regional Director”) and the Commissioner.

Having determined that the requirements for issuance of an order under 12 U.S.C. §1818(b) and Texas Finance Code §§35.002, have been satisfied or waived, the FDIC and the Department hereby order that:

CAPITAL INCREASE AND MAINTENANCE

1. (a) Within 45 days after the effective date of this ORDER, the Bank shall achieve and maintain Tier 1 Capital of \$5,000,000 and no less than \$7,500,000 by December 29, 2010. While this ORDER is in effect, the Bank, after establishing an Allowance for Loan and Lease Losses, shall maintain its Tier 1 Leverage Capital ratio equal to or greater than 9 percent of the Bank's Average Total Assets and shall maintain its Total Risk-Based Capital ratio equal to or greater than 12 percent of the Bank's Total Risk Weighted Assets. Any increase in the Bank's Tier 1 Capital necessary to meet the capital ratios required by this ORDER may be accomplished by:

- (2) The direct contribution of cash subsequent to April 19, 2010, by the directors and shareholders of the Bank by the Bank's holding company; or
- (3) Receipt of an income tax refund or the capitalization subsequent to April 19, 2010, of a bona fide tax refund certified as being accurate by a certified public accounting firm; or
- (4) Any other method approved by the Regional Director and the Commissioner.

(b) If any such capital amounts or capital percentages are less than required by this ORDER under paragraph 1(a), as determined as of the date of any Report of Condition and Income or at an examination by the FDIC or the Department, the Bank shall, within 30 days after receipt of a written notice of the capital deficiency from the Regional Director and the Commissioner, present to the Regional Director and the Commissioner a plan (“Capital Plan”) to increase the Bank’s Tier 1 Capital or to take other measures to bring all the capital ratios to the percentages required by this ORDER. After the Regional Director and the Commissioner respond to the Capital Plan, the Bank’s board of directors shall adopt the Capital Plan, including any modifications or amendments requested by the Regional Director and the Commissioner.

(c) Thereafter, the Bank shall immediately initiate measures detailed in the Capital Plan, to the extent such measures have not previously been initiated, to increase the Bank’s Tier 1 Capital by an amount sufficient to bring return the Bank’s capital to the higher of the dollar amounts required by paragraph 1(a) or the percentages required by paragraph 1(a) of this ORDER within 30 days after the Regional Director and the Commissioner respond to the Capital Plan.

(d) The Capital Plan must include a capital contingency plan in the event that the bank (i) fails to maintain the minimum capital ratios required by the ORDER, (ii) fails to submit an acceptable Capital Plan or (iii) fails to implement or adhere to a Capital Plan to which no written objection was provided by the Regional Director and the Commissioner. The capital contingency plan shall include a plan to sell or merge the Bank. The Bank shall implement the capital contingency plan upon written notice from the Regional Director and the Commissioner.

(e) If all or part of the increase in Tier 1 Capital required by this ORDER is to be accomplished by the sale of new securities, the Bank’s board of directors shall adopt and

implement a plan for the sale of such additional securities, including soliciting proxies and the voting of any shares or proxies owned or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with Federal securities laws. Prior to the implementation of the plan, and in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Accounting and Securities Disclosure Section, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or the materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is to be provided by the sale of non-cumulative perpetual preferred stock, then all terms and conditions of the issue shall be presented to the Regional Director and the Commissioner for prior approval.

(f) In complying with the provisions of this ORDER and until such time as any such public offering is terminated, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned or existing development or other change which is materially different from the information reflected in any offering materials used in connection with the sale of the Bank's securities. The written notice required by this paragraph shall be furnished within 10 days after the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber who received or was tendered the information contained in the Bank's original offering materials.

(g) In addition, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, App. A.
