The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for the New Market Bank, Elko-New Market, Minnesota ("Bank"), under 12 U.S.C. § 1813(q). The State of Minnesota, Department of Commerce, is the appropriate State banking authority for the Bank under Minnesota Statutes §§ 46.01 - 46.04 (2008) (and collectively, with the FDIC, "Supervisory Authorities").

The Bank, by and through its duly elected and acting Board of directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("Stipulation"), dated November 10, 2010 that is accepted by the Supervisory Authorities. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices

and/or violations of law and/or regulations, to the issuance of this Consent Order ("ORDER") by the Supervisory Authorities.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and Minnesota state law have been satisfied, the Supervisory Authorities each hereby order that:

**1. Assessment of Management.**

(a) From the effective date of this ORDER, the Bank shall take action to have and maintain qualified management.

(b) Within 30 days from the effective date of this ORDER, the Board shall engage an independent third party ("Consultant") acceptable to the Supervisory Authorities, and that possesses appropriate expertise and qualifications to analyze and assess performance and needs of the Bank's management and staff.

(c) The Bank shall provide the Supervisory Authorities with a copy of the proposed engagement letter or contract with the Consultant for review before it is executed. The contract or engagement letter, at a minimum, shall include a requirement that the Consultant's analysis and assessment shall be summarized in a written report to the Board ("Consultant's Report") within 90 days of engagement.

(d) Within 30 days of receipt of the Consultant's Report, the Board will develop a written Management Plan that addresses

the findings of the Consultant's Report, a plan of action in response to each recommendation contained in the Consultant's Report, and a time frame for completing each action. At a minimum, the Management Plan shall:

(i) contain a recitation of the recommendations included in the Consultant's Report or otherwise communicated to the Bank, along with a copy of any report(s) prepared by any other outside consultants;

(ii) identify the type and number of officer positions needed to manage and supervise the affairs of the Bank, detailing any vacancies or additional needs and giving appropriate consideration to the size and complexity of the Bank;

(iii) identify the type and number of staff positions needed to carry out the Bank's strategic plan, detailing any vacancies or additional needs;

(iv) identify the authorities, responsibilities, and accountabilities attributable to each position, as well as the appropriateness of the authorities, responsibilities, and accountabilities, giving due consideration to the relevant knowledge, skills, abilities, and experience of the incumbent (if any) and the existing or proposed compensation;

(v) present a clear and concise description of the relevant knowledge, skills, abilities, and experience necessary

for each position, including delegations of authority and performance objectives;

(vi) identify the appropriate level of current and deferred compensation to each officer and staff position;

(vii) evaluate the current and past performance of all existing Bank officers and staff, indicating whether the individuals are competent and qualified to perform present and anticipated duties, adhere to the Bank's established policies and practices, and operate the Bank in a safe and sound manner;

(viii) establish requirements and methodologies to periodically evaluate each individual's job performance;

(ix) identify and establish Bank committees needed to provide guidance and oversight to management;

(x) establish a plan to terminate, rotate, or reassign officers and staff as necessary, as well as recruit and retain qualified personnel consistent with the board's analysis and assessment of the Bank's staffing needs;

(xi) identify training and development needs, and incorporate a plan to provide such training and development;

(xii) contain a current organizational chart that identifies all existing and proposed officer and staff positions, delineates related lines of authority and accountability, and establishes a written plan for addressing any identified needs;

(xiii) contain a current management succession plan;

(xiv) contain a procedure to ensure compliance with section 32 of the Act, 12 U.S.C. § 1831i, when applicable to changes/additions in directors and senior executive officers; and

(xv) establish procedures to annually review and update the Management Plan, as well as review and assess the performance of each officer and staff member.

(e) A copy of the Consultant's Report and the Management Plan and any subsequent modification thereto shall be submitted to the Supervisory Authorities, for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities and after consideration of all such comments, the Board shall approve the Management Plan which approval shall be recorded in the Board's minutes. Thereafter, the Bank and its directors, officers and employees shall implement and follow the Management Plan and any modifications thereto. It shall remain the responsibility of the Board to fully implement the plan within the specified time frames. In the event the plan, or any portion thereof, is not implemented, the Board shall immediately advise the Supervisory Authorities, in writing, of specific reasons for deviating from the Management Plan.

**2. Charge-off of Adversely Classified Assets.**

(a) Within 10 days of the effective date of this ORDER and within 10 days after the receipt of any future report of examination of the Bank from either of the Supervisory Authorities, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the June 1, 2010 FDIC Report of Examination ("Report of Examination") and such future reports of examination, that have not been previously collected or charged off.

(b) Elimination or reduction of assets through the proceeds of other loans or extensions of credit made by the Bank is not considered collection for purposes of this ORDER.

**3. Reduction of Adversely Classified Assets.**

(a) Within 60 days from the effective date of this ORDER and within 60 days after the receipt of any future report of examination of the Bank from either of the Supervisory Authorities, the Bank shall formulate written plans to reduce the Bank's risk exposure in each asset in excess of \$200,000 adversely classified as "Substandard" or "Doubtful" in the Report of Examination or in such future reports of examination. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant

its removal from adverse classification by the Supervisory Authorities.

(b) In developing the plans mandated by this subparagraph (a), the Bank shall, at a minimum, and with respect to each adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including sources of repayment and repayment ability, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(c) The plans mandated by this provision shall include, at a minimum, the following:

(i) specific action plans intended to reduce the Bank's risk exposure in each classified asset;

(ii) a requirement that monthly written progress reports be submitted to the Board; and

(iii) a requirement that the Board review the progress reports and record with a notation of the review in the minutes of the Board meetings at which such reports are reviewed.

(d) The Board shall approve the plans, which approval shall be recorded in the minutes of the meeting of the Board for the meeting at which such plans are approved. Thereafter, a copy of the plan or portion thereof that pertains to a specific borrower shall be maintained in the borrower's credit file, and the Bank shall implement and fully comply with the plan.

**4. Restrictions on Advances to Adversely Classified Borrowers.**

(a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or adversely classified "Substandard" or "Doubtful," either internally or by either of the Supervisory Authorities in a report of examination in the last 18 months and is uncollected, or classified "Substandard" or "Doubtful" in any future reports of examination from either of the Supervisory Authorities and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) Subparagraph (a) of this provision shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this subparagraph (b), whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, who shall conclude:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with an

explanation of why the failure to extend such credit would be detrimental;

(ii) that the extension of such credit would improve the Bank's position, with an explanatory statement of why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(c) The Board's conclusions and approval shall be made a part of the Board's minutes, with a copy retained in the borrower's credit file.

##### **5. Concentrations of Credit.**

(a) Within 60 days from the effective date of this ORDER, the Bank shall develop a written plan for systematically reducing and monitoring the Bank's portfolio of loans, securities, or other extensions of credit advanced or committed, as listed in the Concentrations section of the Report of Examination, to an amount which is commensurate with the Bank's business strategy, management expertise, size, and location ("Concentration Plan"). At a minimum, the Concentration Plan shall include:

(i) projected dollar levels and percent of capital to which the Bank shall reduce each concentration;

(ii) timeframes for achieving the projected reduction in dollar levels identified in response to (i) above;

(iii) provisions for the submission of monthly written progress reports to the Board for review and notation in the Board's minutes; and

(iv) procedures for monitoring the Bank's compliance with the Concentration Plan.

(b) The Bank shall submit the Concentration Plan and any modifications thereto, to the Supervisory Authorities for review and comment. Within 30 days of receipt of all such comments from the Supervisory Authorities, and after consideration of all such comments, the Board shall approve the Concentration Plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the Concentration Plan.

(c) The Bank shall not make any new extensions or commitments of credit to or for the benefit of any borrower or associated entities so long as such extension or commitment would result in the Bank exceeding any limit contained in the Concentration Plan.

(d) Subparagraph (c) of this provision shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this

subparagraph (d), whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, who shall conclude:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with an explanation of why the failure to extend such credit would be detrimental; and

(ii) that the extension of such credit would improve the Bank's position, with an explanatory statement of why the Bank's position would improve.

(e) The Board's conclusions and approval shall be made a part of the Board's minutes, with a copy retained in the borrower's credit file.

**6. Maintenance of Allowance for Loan and Lease Losses.**

The Board shall review the Bank's ALLL at least once each calendar quarter. That review should be completed at such time to ensure that the findings of the Board will be properly reported in the Bank's Call Reports. Such reviews shall, at a minimum, be made in accordance with the Call Report Instructions, the Interagency Statement of Policy on the Allowance for Loan and Lease Losses, other applicable regulatory

guidance that addresses the appropriateness of the Bank's ALLL, and any analysis of the Bank's ALLL provided by either of the Supervisory Authorities.

**7. Minimum Capital Requirements.**

(a) While this ORDER is in effect, the Bank shall have and maintain the following minimum capital ratios (as defined in Part 325 of the FDIC's Rules and Regulations), after establishing an appropriate ALLL:

(i) Tier 1 "leverage capital ratio" at least equal to 8 percent;

(ii) "Total risk-based capital ratio" at least equal to 11 percent.

(b) In the event any ratio is or becomes less than the minimum required by subparagraph (a) of this provision, the Bank shall immediately notify the Supervisory Authorities and within 30 days shall: (1) increase capital in an amount sufficient to comply with subparagraph (a), or (2) submit a written plan to the Supervisory Authorities, describing the primary means and timing by which the Bank shall increase its capital ratios up to or in excess of the minimum requirements of subparagraph (a) above, as well as a contingency plan in the event the primary sources of capital are not available. Within 10 days of receipt of any such comments from the Supervisory Authorities, and after

consideration of all such comments, the Board shall approve the written plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the written plan.

(c) Any increase in Tier 1 leverage capital necessary to meet the requirements of subparagraph (a) of this provision may not be accomplished through a deduction from the ALLL.

**8. Restrictions on Dividends and Management Fees.**

While this ORDER is in effect, the Bank shall not declare or pay any dividends or management fees without the prior written approval of the Supervisory Authorities.

**9. Brokered Deposits.**

Upon the issuance of this ORDER and so long as this ORDER is in effect, the Bank shall not accept, increase, renew, or rollover any brokered deposits, as defined in 12 C.F.R. § 337.6(a)(2), without the prior written approval of the Supervisory Authorities.

**10. Business/Strategic Plan and Profit and Budget Plan.**

(a) On or before March 1, 2011, and within 30 days from the first day in each calendar year thereafter, the Board shall develop a written three-year business/strategic plan and one-

year profit and budget plan covering the overall operation of the Bank and its goals and strategies, consistent with sound banking practices, and taking into account the Bank's other written plans, policies, or other actions as required by this ORDER.

(b) The business/strategic plan shall provide specific objectives for asset growth, loan portfolio mix, market focus, earnings projections, capital needs, and liquidity position. The profit and budget plan shall include goals and strategies for improving the earnings of the Bank. The budget shall include a description of the operating assumptions that form the basis for, and adequately support, major projected income and expense components.

(c) The business/strategic plan and the profit and budget plan, and any subsequent modification thereto, shall be submitted to the Supervisory Authorities for review and comment. No more than 30 days after the receipt of any comment from the Supervisory Authorities, and after consideration of all such comments, the Board shall approve the business/strategic plan and the profit and budget plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the plans.

Within 30 days from the effective date of this ORDER, and within 30 days from the receipt of any future reports of examination from either of the Supervisory Authorities, the Bank shall take steps necessary consistent with sound banking practices to correct the apparent violation of rule cited in the Report of Examination and any violation of law, regulations and/or rules in such future reports of examination, and shall adopt and implement appropriate procedures to ensure future compliance with all such applicable federal and state laws, rules, and regulations.

**12. Correction of Technical Exceptions.**

(a) Within 120 days from the effective date of this ORDER and within 120 days from the receipt of any future reports of examination from either of the Supervisory Authorities, the Bank shall correct the exceptions listed on the "Assets with Credit Data or Collateral Documentation Exceptions" pages of the Report of Examination and such future reports of examination.

(b) For any exception that cannot be corrected, the Bank shall document the reason for such inability in the borrower's credit file, and the Board of Directors shall review and include copy of the documentation in the Board's minutes.

(c) Progress reports detailing each outstanding exception and the Bank's plan for corrective action shall be submitted to the board for review during each regularly scheduled meeting. The report shall be made part of, and the review noted, in the board's minutes.

(d) From the effective date of this ORDER, the Bank shall ensure that the necessary supporting documentation is obtained and evaluated before any credit or loan is extended.

**13. Disclosure of Order to Sole Shareholder.**

Following the effective date of this ORDER, the Bank shall provide a copy of this ORDER to its shareholder, (i) in conjunction with the Bank's next shareholder communication, and (ii) in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting. Any description shall fully describe the ORDER in all material respects.
