The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for One World Bank, Dallas, Texas (“Bank”), under 12 U.S.C. § 1813(q).

The Texas Department of Banking ("State") is the appropriate state banking agency for the Bank, under Texas Finance Code, Title 3, Subtitle A, §§ 31.001 et. seq.

The Bank, by and through its duly elected and acting board of directors, has executed a “STIPULATION TO THE ISSUANCE OF A CONSENT ORDER” (“STIPULATION”), dated November 1, 2010, that is accepted by the FDIC and the Banking Commissioner of Texas (“Commissioner”). With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices related to: weak asset quality, inadequate allowances for loan and lease losses, high concentrations of credit, a deficient budget and profit plan, deficient capital, and violations of certain laws and regulations, to the issuance of this CONSENT ORDER (“ORDER”) by the FDIC and the Commissioner.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and Texas Finance Code §§ 35.002 have been satisfied, the FDIC and the Commissioner

hereby order that:

CAPITAL MAINTENANCE

1. (a) Within 90 days after the effective date of this ORDER and while this ORDER is in effect, the Bank, after establishing an Allowance for Loan and Lease Losses (“ALLL”), shall maintain its Tier 1 Leverage Capital ratio equal to or greater than 9.5 percent of the Bank’s Average Total Assets; and shall maintain its Total Risk-Based Capital ratio equal to or greater than 12.5 percent of the Bank’s Total Risk Weighted Assets.

(b) If any such capital ratios are less than required by the ORDER, as determined as of the date of any Report of Condition and Income (“Call Report”) or at an examination by the FDIC or the State, the Bank shall, within 30 days after receipt of a written notice of the capital deficiency from the FDIC Dallas Regional Office Regional Director (“Regional Director”) or the Commissioner, present to the Regional Director and the Commissioner a plan to increase the Bank’s Tier 1 Capital of the Bank or to take such other measures to bring all the capital ratios to the percentages required by this ORDER. After the Regional Director and the Commissioner respond to the plan, the Bank’s board of directors shall adopt the plan, including any modifications or amendments requested by the Regional Director and the Commissioner. In addition, the capital plan must include a contingency plan in the event that the Bank has (1) failed to maintain the minimum capital ratios required in paragraph 1(a) above, (2) failed to submit an acceptable capital plan as required by this subparagraph or (3) failed to implement or adhere to a capital plan to which the FDIC and the State (collectively referred to as the “Supervisory Authorities”) have taken no written objection pursuant to this subparagraph. Said contingency plan shall include a plan to sell or merge the Bank. The Bank shall implement the

contingency plan upon written notice from the Supervisory Authorities.

(c) Thereafter, to the extent such measures have not previously been initiated, the Bank shall immediately initiate measures detailed in the plan, to increase its Tier 1 Capital by an amount sufficient to bring all the Bank's capital ratios to the percentages required by this ORDER within 30 days after the Regional Director and the Commissioner respond to the plan. Such increase in Tier 1 Capital and any increase in Tier 1 Capital necessary to meet the capital ratios required by this ORDER may be accomplished by:

- (1) The sale of securities in the form of common stock; or
- (2) The direct contribution of cash subsequent to May 17, 2010, by the directors and/or shareholders of the Bank or by the Bank's holding company; or
- (3) Receipt of an income tax refund or the capitalization subsequent to May 17, 2010, of a bona fide tax refund certified as being accurate by a certified public accounting firm; or
- (4) Any other method approved by the Regional Director and the Commissioner.

(d) If all or part of the increase in Tier 1 Capital required by this ORDER is to be accomplished by the sale of new securities, the Bank's board of directors shall adopt and implement a plan for the sale of such additional securities, including soliciting proxies and the voting of any shares or proxies owned or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other

material disclosures necessary to comply with Federal securities laws. Prior to the implementation of the plan, and in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Accounting and Securities Disclosure Section, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or the materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is to be provided by the sale of non-cumulative perpetual preferred stock, then all terms and conditions of the issue shall be presented to the Regional Director and the Commissioner for prior approval.

(e) In complying with the provisions of this ORDER and until such time as any such public offering is terminated, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned or existing development or other change which is materially different from the information reflected in any offering materials used in connection with the sale of the Bank's securities. The written notice required by this paragraph shall be furnished within 10 days after the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber who received or was tendered the information contained in the Bank's original offering materials.

(f) In addition, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, App. A.

(g) For purposes of this ORDER, all terms relating to capital shall be calculated according to the methodology set forth in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325.

DIVIDEND RESTRICTION

2. As of the effective date of this ORDER, the Bank shall not declare or pay any cash dividend without the prior written consent of the Regional Director and the Commissioner.

CLASSIFIED ASSETS - CHARGE-OFF AND PLAN FOR REDUCTION

3. (a) Within 30 days after the effective date of this ORDER, the Bank shall, to the extent that it has not previously done so, eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss by the FDIC or the State as a result of its examination of the Bank as of May 17, 2010. Elimination or reduction of these assets through proceeds of loans made by the Bank shall not be considered "collection" for the purpose of this paragraph.

(b) Within 60 days after the effective date of this ORDER, the Bank shall submit a written plan to the Regional Director and the Commissioner to reduce the remaining assets classified Doubtful and Substandard as of May 17, 2010. The plan shall address each asset so classified with a balance of \$500,000 or greater and provide the following:

- (1) The name under which the asset is carried on the books of the Bank;
- (2) Type of asset;
- (3) Actions to be taken in order to reduce the classified asset; and
- (4) Timeframes for accomplishing the proposed actions.

The plan shall also include, at a minimum:

- (1) Review the financial position of each such borrower, including the source of repayment, repayment ability, and alternate repayment sources; and
- (2) Evaluate the available collateral for each such credit, including possible actions to improve the Bank's collateral position.

In addition, the Bank's plan shall contain a schedule detailing the projected reduction of total classified assets on a quarterly basis. Further, the plan shall contain a provision requiring the submission of monthly progress reports to the Bank's board of directors and a provision mandating a review by the Bank's board of directors.

(c) The Bank shall present the plan to the Regional Director and the Commissioner for review. Within 30 days after the Regional Director's and the Commissioner's response, the plan, including any requested modifications or amendments shall be adopted by the Bank's board of directors which approval shall be recorded in the minutes of the meeting of the Bank's board of directors. The Bank shall then immediately initiate measures detailed in the plan to the extent such measures have not been initiated.

(d) For purposes of the plan, the reduction of adversely classified assets as of May 17, 2010, shall be detailed using quarterly targets expressed as a percentage of the Bank's Tier 1 Capital plus the Bank's ALLL and may be accomplished by:

- (1) Charge-off;
- (2) Collection;
- (3) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the State; or

(4) Increase in the Bank's Tier 1 Capital.

(e) While this ORDER is in effect, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified Loss as determined at any future examination conducted by the FDIC or the State.

REDUCTION OF DELINQUENCIES

4. (a) Within 90 days after the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director and the Commissioner for review and comment a written plan for the reduction and collection of delinquent loans. Such plan shall include, but not be limited to, provisions which:

- (1) Prohibit the extension of credit for the payment of interest;
- (2) Delineate areas of responsibility for implementing and monitoring the Bank's collection policies;
- (3) Establish specific collection procedures to be instituted at various stages of a borrower's delinquency;
- (4) Establish dollar levels to which the Bank shall reduce delinquencies within 90 days; and
- (5) Provide for the submission of monthly written progress reports to the Bank's board of directors for review and notation in minutes of the meetings of the Bank's board of directors.

(b) For purposes of the plan, "reduce" means to:

- (1) Charge-off;
- (2) Collect; or

(3) Other method as approved by the Regional Director and Commissioner.

(c) After the Regional Director and the Commissioner have responded to the plan, the Bank's board of directors shall adopt the plan as amended or modified by the Regional Director and the Commissioner. The plan will be implemented immediately to the extent that the provisions of the plan are not already in effect at the Bank.

RESTRICTION ON ADVANCES TO CLASSIFIED BORROWERS

5. (a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to or for the benefit of any borrower whose existing credit has been classified Loss by the FDIC or the State as the result of its examination of the Bank, either in whole or in part, and is uncollected, or to any borrower who is already obligated in any manner to the Bank on any extension of credit, including any portion thereof, that has been charged off the books of the Bank and remains uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing credit already extended to a borrower after full collection, in cash, of interest due from the borrower.

(b) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to or for the benefit of any borrower whose extension of credit is classified Doubtful and/or Substandard by the FDIC or the State as the result of its examination of the Bank, either in whole or in part, and is uncollected, unless the Bank's board of directors has signed a detailed written statement giving reasons why failure to extend such credit would be detrimental to the best interests of the Bank. The statement shall be placed in the appropriate loan file and included in the minutes of the applicable Bank's board of directors' meeting.

**ALLOWANCE FOR LOAN AND LEASE LOSSES
AND
AMENDED CALL REPORTS**

6. (a) Within 30 days after the effective date of this ORDER, to the extent it has not already done so, the Bank shall make provisions to its ALLL in an amount equal to those loans required to be charged off by this Order in the amount of at least \$350,000. The allowance should be funded by charges to current operating income, and should be calculated in accordance with generally accepted accounting standards and ALLL supervisory guidance. After the initial provision is made, the Bank shall thereafter maintain a reasonable ALLL. Prior to the end of each calendar quarter, the Bank's board of directors shall review the adequacy of the Bank's ALLL. Such reviews shall include, at a minimum, the Bank's loan loss experience, an estimate of potential loss exposure in the portfolio, trends of delinquent and non-accrual loans and prevailing and prospective economic conditions. The minutes of the Bank's board of directors' meetings at which such reviews are undertaken shall include complete details of the reviews and the resulting recommended increases in the ALLL.

(b) Within 60 days after the effective date of this ORDER, the Bank shall review Consolidated Reports of Condition and Income filed with the FDIC on or after March 31, 2010, and amend said reports if necessary to accurately reflect the financial condition of the Bank as of the date of each such report. In particular, such reports shall contain a reasonable ALLL. Reports filed after the effective date of this ORDER shall also accurately reflect the financial condition of the Bank as of the reporting date.

(c) The Bank must use Financial Accounting Standards Board Statements Numbers 5 and 114 for determining the Bank's ALLL adequacy. Provisions for loan losses must

be based on the inherent risk in the Bank's loan portfolio. The Bank's board of directors must document with written reasons any decision not to require provisions to the ALLL needed to comply with paragraph 6(a) in the board minutes.

7. (a) Within 90 days after the effective date of this ORDER, the Bank shall formulate and submit to the Regional Director and the Commissioner for review and comment a written plan to reduce each of the loan concentrations of credit identified in the Report of Examination as of May 17, 2010. Such plan shall prohibit any additional advances that would increase the concentrations or create new concentrations and shall include, but not be limited to:

and,

(d) A written profit plan and budget shall be prepared for each calendar year for which this ORDER is in effect and shall be submitted to the Regional Director and the Commissioner for review and comment within 60 days after the end of each year. Within 30 days after receipt of all such comments from the Regional Director and the Commissioner and after adoption of any recommended changes, the Bank shall approve the written profit plan and

budget, which approval shall be recorded in the minutes of a board of directors' meeting.

Thereafter, the Bank shall implement and follow the plan.
