The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Access 1st Capital Bank, Denton, Texas (“Bank”), under 12 U.S.C. § 1813(q).

The Texas Department of Banking ("Department") is the appropriate state banking agency for the Bank, under Texas Finance Code, Title 3, Subtitle A, §§ 31.001et seq.

The Bank, by and through its duly elected and acting board of directors, has executed a “STIPULATION TO THE ISSUANCE OF A CONSENT ORDER” (“STIPULATION”), dated November 1, 2010, that is accepted by the FDIC and the Banking Commissioner of Texas (“Commissioner”). With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices relating to deficiencies in board oversight, management performances, asset quality, capital protection and earnings performance, to the issuance of this CONSENT ORDER (“ORDER”) by the FDIC and the Commissioner.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and Texas Finance Code §§ 35.002 have been satisfied, the FDIC and the Commissioner hereby order that:

CAPITAL PLAN

1. (a) Within 60 days after the effective date of this ORDER, the Bank shall submit a written capital plan to the Regional Director and the Commissioner. The capital plan shall require the Bank, after establishing an Allowance for Loan and Lease Losses, to increase and maintain its Tier 1 Leverage Capital ratio equal to or greater than 10 percent of the Bank's Average Total Assets; to achieve and maintain its Tier 1 Risk-Based Capital ratio equal to or greater than 12 percent of the Bank's Total Risk-Weighted Assets; and to achieve and maintain its Total Risk-Based Capital ratio equal to or greater than 13 percent of the Bank's Total Risk Weighted Assets.

(b) If any such capital ratios are less than required by the ORDER, as determined as of the date of any Report of Condition and Income or at an examination by the FDIC or the Department, the Bank shall, within 30 days after receipt of a written notice of the capital deficiency from the Regional Director or the Commissioner, present to the Regional Director and the Commissioner a new capital plan to increase the Bank's Tier 1 Capital or to take such other measures to bring all the capital ratios to the percentages required by this ORDER. After the Regional Director and the Commissioner respond to the new capital plan, the Bank's board of directors shall adopt the new capital plan, including any modifications or amendments requested by the Regional Director and the Commissioner.

Part of the capital plan must include a contingency plan in the event that the Bank (i) fails to maintain the minimum capital ratios required by the Order, (ii) fails to submit an acceptable capital plan or (iii) fails to implement or adhere to a capital plan to which no written objection was provided by the Regional Director or Commissioner. Said contingency plan shall include a plan to sell or merge the Bank. The Bank shall implement the contingency plan upon

written notice from the Supervisory Authorities.

(c) Thereafter, the Bank shall immediately initiate measures detailed in the plan, to the extent such measures have not previously been initiated, to increase its Tier 1 Capital by an amount sufficient to bring all the Bank's capital ratios to the percentages required by this ORDER within 60 days after the Regional Director and the Commissioner respond to the new capital plan.

(d) If all or part of the increase in Tier 1 Capital required by this ORDER is to be accomplished by the sale of new securities, the Bank's board of directors shall adopt and implement a plan for the sale of such additional securities, including soliciting proxies and the voting of any shares or proxies owned or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with Federal securities laws. Prior to the implementation of the plan, and in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Accounting and Securities Disclosure Section, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or the materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 Capital is to be provided by the sale of non-cumulative perpetual preferred stock, then all terms and conditions of the issue shall be presented to the Regional Director and the Commissioner for prior approval.

(e) In complying with the provisions of this ORDER and until such time as any such public offering is terminated, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities written notice of any planned or existing development or other change which is materially different from the information reflected in any offering materials used in connection with the sale of the Bank securities. The written notice required by this paragraph shall be furnished within 10 days after the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber who received or was tendered the information contained in the Bank's original offering materials.

(f) In addition, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, App. A.

(g) For purposes of this ORDER, all terms relating to capital shall be calculated according to the methodology set forth in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325.

(c) After the Regional Director and the Commissioner have responded to the Concentration Reduction Plan, the Bank's board of directors shall adopt the Concentration Reduction Plan as amended or modified by the Regional Director and the Commissioner. The Concentration Reduction Plan shall be implemented immediately to the extent that the provisions of the Concentration Reduction Plan are not already in effect at the Bank.
