The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Premier Service Bank, Riverside, California (“Bank”) under Section 3(q) of the Federal Deposit Insurance Act (“FDI Act”), 12 U.S.C. § 1813(q)(3). The California Department of Financial Institutions (“CDFI”) is the appropriate State banking agency for the Bank under Division 1 of the California Financial Code.

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a Stipulation to the Issuance of a Consent Order (“Stipulation”), dated November 30, 2010, that is accepted by the FDIC and the CDFI. With the Stipulation, the Bank has consented, without admitting or denying any charges of violations of law and/or regulation and unsafe or unsound banking practices relating to capital, asset quality, management, earnings and liquidity, to the issuance of this Consent Order (“Order”) by the FDIC and the CDFI pursuant to Section 8(b)(1) of the FDI Act, and Section 1913 of the California Financial Code (“CFC”).

Having determined that the requirements for issuance of an order under Section 8(b) of the FDI Act, 12 U.S.C. § 1818(b), and CFC have been satisfied, the FDIC and the CDFI hereby order that:

1. The Bank shall have and retain qualified management.

(a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Management shall include the following: (i) a chief executive officer with proven ability in managing a bank of comparable size and risk profile; (ii) a chief financial officer with proven ability in all aspects of financial management; and (iii) a senior lending officer with significant lending, collection, and loan supervision experience and experience in upgrading a low quality loan portfolio. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this Order.

(b) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this Order;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition, including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) During the life of this Order, the Bank shall notify the Regional Director of the FDIC's San Francisco Regional Office ("Regional Director") and the Commissioner of the California Department of Financial Institutions ("Commissioner"), in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of

any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall comply with the requirements of section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100–303.104 and any requirement of the State of California for prior notification and approval.

2. (a) Within 90 days from the effective date of this Order, the Bank shall increase and thereafter maintain its Tier 1 capital in such an amount to ensure that the Bank's leverage ratio equals or exceeds 9.50 percent.

(b) Within 90 days from the effective date of this Order, the Bank shall increase and thereafter maintain its total risk-based capital ratio in such an amount as to equal or exceed 12 percent.

(c) Within 45 days from the effective date of this Order, the Bank shall develop and adopt a plan to meet and maintain the capital requirements of this Order and to comply with the FDIC's Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, Appendix A. Such plan and its implementation shall be in a form and manner acceptable to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

(d) The level of capital to be maintained during the life of this Order shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations. Any increase in Tier 1 capital necessary to meet the requirements of this paragraph may not be accomplished through a deduction from the Bank's allowance for loan and lease losses.

(e) If all or part of the increase in capital required by this Order is accomplished by the sale of new securities, the Board shall adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with all applicable State and Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Registration, Disclosure and Securities Unit, 550 17th St. N.W., Washington, D.C. 20429, for review, and to the Commissioner to obtain any and all necessary securities permits or other approvals. Any changes requested by the FDIC shall be made prior to dissemination. If the increase in capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Regional Director and the Commissioner for prior approval.

(f) Subject to obtaining all required prior authorizations, permits or other approvals from the Commissioner, the Bank shall promptly revise or supplement the offering materials it is using in connection with the offer and sale of its securities to fully and fairly disclose every material change or development regarding the Bank and its operation, including every planned change that would be material, that occurs during the offering of the securities.

The Bank shall provide the revised offering materials or supplement, along with a notice that the subscriber may rescind its subscription, to each subscriber that has submitted a subscription for the Bank's securities before receiving the revised offering materials or supplement for at least ten (10) days before accepting the subscriber's subscription.

(g) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(h) For the purposes of this Order, the terms "leverage ratio", "Tier 1 capital" and "total risk-based capital ratio" shall have, the meanings ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. §§ 325.2(m), 325.2(v), 325.2(y), and Appendix A.

3. The Bank shall not pay cash dividends or make any other payments to its shareholders without the prior written consent of the Regional Director and the Commissioner.

4. (a) Within 60 days from the effective date of this Order, the Bank shall formulate a written plan to reduce the Bank's risk exposure in each asset adversely classified "Substandard" or "Doubtful" as of May 21, 2010, including all outstanding loan commitments to a level of acceptable asset quality. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Regional Director and the Commissioner. In developing the plan mandated

by this paragraph, the Bank shall, at a minimum, and with respect to each such adversely classified loan or lease, review, analyze, and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) The plan mandated by this provision shall also include, but not be limited to, the following:

(i) A schedule for reducing the outstanding dollar amount of each such adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each such adversely classified asset must show its expected dollar balance on a quarterly basis);

(ii) Specific action plans intended to reduce the Bank's risk exposure in each such classified asset;

(iii) A schedule showing, on a quarterly basis, the expected consolidated balance of all such adversely classified assets, and the ratio of the consolidated balance to the Bank's projected Tier 1 capital plus the ALLL;

(iv) A provision for the Bank's submission of monthly written progress reports to its Board; and

(v) A provision mandating Board review of the progress reports, with a notation of the review recorded in the minutes of the meeting of the Board.

(c) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall

continue to reduce the total volume of adversely classified assets. The plan may include a provision for increasing Tier 1 capital when necessary to achieve the prescribed ratio.

(d) The Bank shall, immediately upon completion, submit the plan to the Regional Director and the Commissioner for review and comment. Within 30 days from receipt of any comment from the Regional Director and the Commissioner, and after due consideration of any recommended changes, the Board shall approve the plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan.

5. During the life of this Order, the Bank shall not establish any new branches or other offices of the Bank without the prior written consent of the Regional Director and the Commissioner.

6. Within 30 days from the effective date of this Order, the Board shall review the appropriateness of the Bank's ALLL and establish a comprehensive policy for determining an appropriate level of the ALLL, including documenting its analysis according to the standards set forth in the July 25, 2001 Interagency Policy Statement on Allowance for Loan and Lease Losses Methodologies and Documentation for Banks and Savings Associations. For the purpose of this determination, an appropriate ALLL shall be determined after the charge-off of all loans or other items classified "Loss." The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in order that the findings of the Board with respect to the ALLL are properly reported in the quarterly Reports of Condition and Income. The review shall focus on the accounting standards set forth in the Financial Accounting Standards Board Accounting Standards Codification ("ASC") 450 (formerly known as FAS 5) and ASC 310-40 (formerly known as FAS 114), the results of the Bank's internal loan review,

loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the Report of Condition, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the Bank's ALLL and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

7. (a) Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" and is uncollected. This paragraph shall not prohibit the Bank from renewing or extending the maturity of any credit in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification 470-60 ("ASC 470-60"), formerly known as FASB Statement Number 15 ("FAS 15").

(b) Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Doubtful" or Substandard" without the prior approval of a majority of the Board or loan committee of the Bank. The Board and loan committee shall not approve any extension of credit or additional credit to such borrowers without first collecting in cash all past due interest.

8. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written plan, approved by its Board and acceptable to the

Regional Director and the Commissioner for systematically reducing the amount of loans or other extensions of credit advanced, directly or indirectly, to or for the benefit of, any borrowers in the “Commercial Real Estate” Concentration. Such plan shall be in conformance with Appendix A of Part 365 of the FDIC’s Rules and Regulations, 12 C.F.R. Part 365, Appendix A; and Financial Institution Letter (FIL)-104-2006, Commercial Real Estate Lending Joint Guidance, dated December 12, 2006.

9. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written liquidity and funds management policy that adequately addresses liquidity needs and appropriately reduces its reliance on non-core funding sources. Such policy and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

10. (a) Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written plan addressing retention of profits, reducing overhead expenses, and setting forth a comprehensive budget covering the period January 1, 2011 through December 31, 2011. The plan required by this Paragraph shall contain formal goals, strategies and benchmarks which are consistent with sound banking practices to improve the Bank's net interest margin, increase interest income, reduce discretionary expenses, and improve and sustain earnings of the Bank. It shall also contain a thorough description of the operating assumptions that form the basis for, and adequately support, each major component of the plan. Such plan and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

(b) Following the end of each calendar quarter, the Board shall evaluate the Bank’s actual performance in relation to the plan and shall record the results of the evaluation,

and any actions taken by the Bank, in the minutes of the Board meeting at which such evaluation is undertaken.

11. Within 90 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written three-year strategic plan. Such plan shall be submitted to the Regional Director and the Commissioner and shall include specific goals for the dollar volume of total loans, total investment securities, and total deposits as of year-end 2011, 2012, and 2013. For each time frame, the plan will also specify:

- (a) the anticipated average maturity and average yield on loans and securities;
- (b) the average maturity and average cost of deposits;
- (c) the level of earning assets as a percentage of total assets; and
- (d) the ratio of net interest income to average earning assets.

Such plan and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

12. Within 15 days from the effective date of this Order, the Bank shall eliminate and/or correct all violations of law and/or regulations, as more fully set forth in the FDIC Report of Examination dated June 7, 2010 (“ROE”). In addition, the Bank shall take all necessary steps to ensure future compliance with all applicable laws and regulations.

13. Within 90 days from the effective date of this Order, the Bank shall address and correct the Information Technology weaknesses, as more fully set forth in the ROE.

14. Within 60 days from the effective date of this Order, the Bank shall develop and implement a corrective plan to address the loan underwriting and credit administration weaknesses, as more fully set forth in the ROE. The plan shall be reviewed and approved by the

Board and be acceptable to the Regional Director and the Commissioner as determined at subsequent examination and/or visitations.

15. Within 45 days of the end of the first quarter following the effective date of this Order, and within 45 days of the end of each quarter thereafter, the Bank shall furnish written progress reports to the Regional Director and the Commissioner detailing the form and manner of any actions taken to secure compliance with this Order and the results thereof. Such reports shall include a copy of the Bank's Reports of Condition and Income. Such reports may be discontinued when the corrections required by this Order have been accomplished and the Regional Director and the Commissioner have released the Bank in writing from making further reports.

16. Following the effective date of this Order, the Bank shall provide a copy of the Order or otherwise furnish a description of the Order to its shareholder(s) in conjunction with:

- (a) the Bank's next shareholder communication; and
- (b) the notice or proxy statement preceding the Bank's next shareholder

meeting.

The description shall fully describe the Order in all material respects. The description and any accompanying communication, statement, or notice shall be sent to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Washington, D.C. 20429, at least 20 days prior to dissemination to shareholders. Any changes requested to be made by the FDIC shall be made prior to dissemination of the description, communication, notice, or statement.

17. The Bank shall notify the Regional Director and the Commissioner no less than one business day in advance of making a planned public announcement or notification regarding changes in the Bank's financial condition, executive management or Board.

The provisions of this Order shall not bar, estop, or otherwise prevent the FDIC, the CDFI, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties, as that term is defined in Section 3(u) of the FDI Act, 12 U.S.C. § 1813(u).

This Order will become effective upon its issuance by the FDIC and the CDFI.

The provisions of this Order shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.

The provisions of this Order shall remain effective and enforceable except to the extent that and until such time as any provision has been modified, terminated, suspended, or set aside by the FDIC and the CDFI.

Violation of any provisions of this Order, will be deemed to be conducting business in an unsafe or unsound manner, and will subject the Bank to further regulatory enforcement action.

Issued pursuant to delegated authority.
