The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Premier Community Bank of the Emerald Coast, Crestview, Florida (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated January 19, 2011, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, management, earnings, capital, liquidity, and sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR. The OFR may issue an ORDER pursuant to Chapter 120 and Section 655.033, Florida Statutes (2010).

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes, have been satisfied, the FDIC and the OFR hereby order that:

**1. BOARD OF DIRECTORS**

The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least three members, to oversee the Bank's compliance with the ORDER. A majority of the members of the Directors' Committee shall not be officers of the Bank. The

Directors' Committee shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

(c) At the next meeting of the shareholders of the Bank, and at each succeeding meeting of the shareholders at which Bank directors are to be elected, the members of the Board who are also shareholders shall nominate and support the election of candidates to the Board who are independent with respect to the Bank, in such number as are necessary to cause a majority of the Board directors to be and to remain independent with respect to the Bank.

(d) For purposes of this ORDER, an individual who is "independent" with respect to the Bank shall be any individual who is not an officer of the Bank or officer or director of any of its affiliated organizations and who does not own or control more than 5 percent of the outstanding shares of the Bank.

Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer or executive officer, as those terms are defined in Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. § 303.101 and in Section 655.005, Florida Statutes, the Bank shall comply with the requirements of section 32 of the Federal Deposit Insurance Act (“Act”), 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104, and Section 655.0385, Florida Statutes, and Rule 69U-100.03852, Florida Administrative Code. The notification shall include a description of the background and experience of the individual or individuals to be added or employed and must be received at least 60 days before such addition or employment is intended to become effective. If the Regional Director or OFR issues a notice of disapproval pursuant to section 32 of the Act, 12 U.S.C. § 1831i, or Section 655.0385(2), Florida Statutes, with respect to any proposed individual, then such individual may not be added or employed by the Bank.

additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. (g) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities a written notice of any planned or existing development or other changes which are materially different

The written notice required by this paragraph shall be furnished within ten (10) days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the OFR, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified “Loss” and 50 percent of the those classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities. If an asset is classified “Doubtful” is a loan or lease,

the Bank, may in the alternative, increase its ALLL by an amount equal to 50% of the loan or lease classified “Doubtful”.

**5. REDUCTION OF CLASSIFIED ASSETS**

(a) Within 60 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the Bank’s risk exposure in each asset in excess of \$500,000 classified as “Substandard” in the Report. (b) Within 60 days from the effective date of this ORDER, the Bank shall formulate a written plan to reduce the aggregate balance of assets classified “Substandard” in the Report in accordance with the following schedule:

Thereafter, the Bank shall implement and fully comply with the plans. Such plans shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrently with the other reporting requirements set forth in the PROGRESS REPORTS paragraph of this ORDER.

(d) The requirements of this paragraph are not to be construed as standards for future operations. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets. As used in this paragraph, the word “reduce” means:
