Country Bank, Aledo, Illinois ("Bank"), having been advised of its right to a NOTICE OF CHARGES AND OF HEARING detailing the unsafe or unsound banking practices alleged to have been committed by the Bank, and of its right to a hearing on the charges under section 8(b) of the Federal Deposit Insurance Act ("Act"), 12 U.S.C. § 1818(b), and under 38 Ill. Adm. Code, section 392, et seq., regarding hearings before the Illinois Department of Financial and Professional Regulation, Division of Banking ("Division"), and having waived those rights, by and through its duly elected and acting Board of Directors ("Board") entered into a STIPULATION TO THE ISSUANCE OF A CONSENT ORDER ("STIPULATION") with representatives of the Federal Deposit Insurance Corporation ("FDIC") and the Division, dated December __, 2010, whereby, solely for the purpose of this proceeding and

without admitting or denying the charges of unsafe or unsound banking practices relating to weaknesses in capital, earnings, asset quality, internal controls and liquidity, the Bank consented to the issuance of a CONSENT ORDER ("ORDER") by the FDIC and the Division.

The FDIC and the Division considered the matter and determined to accept the STIPULATION.

Having also determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and section 48(6) of the Illinois Banking Act, 205 ILCS 5/48(6), have been satisfied, the FDIC and the Division HEREBY ORDER, that the Bank, its institution-affiliated parties, as that term is defined in section 3(u) of the Act, 12 U.S.C. § 1813(u), and its successors and assigns take affirmative action as follows:

MANAGEMENT

1. (a) While this ORDER is in effect, the Bank shall have and retain qualified management. Management shall be provided the necessary written authority to implement the provisions of this ORDER. The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this ORDER;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws, rules, and regulations; and

(iv) restore all aspects of the Bank to a safe and sound condition, including capital adequacy, asset quality, management effectiveness, earnings, liquidity, and sensitivity to interest rate risk.

(b) During the life of this ORDER, prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall request and obtain the written approval of the Regional Director of the FDIC Chicago Regional Office ("Regional Director") and the Division. For purposes of this ORDER, "senior executive officer" is defined as in section 32 of the Act, 12 U.S.C. § 1831i, and section 303.101(b) of the FDIC Rules and Regulations, 12 C.F.R. § 303.101(b).

CAPITAL

2. (a) As of the effective date of this ORDER, the Bank shall have and maintain its level of Tier 1 capital as a percentage of its total assets ("capital ratio") at a minimum of nine percent ("9%") and its level of qualifying total capital as a percentage of risk-weighted assets ("total risk based capital ratio") at a minimum of thirteen percent ("13%"). For purposes of this ORDER, Tier 1 capital, qualifying total capital, total assets, and risk-weighted assets shall be calculated in

accordance with Part 325 of the FDIC Rules and Regulations ("Part 325"), 12 C.F.R. Part 325.

(b) If, while this ORDER is in effect, the Bank increases capital by the sale of new securities, the Board shall adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held by or controlled by them in favor of said plan. Should the implementation of the plan involve public distribution of Bank securities, including a distribution limited only to the Bank's existing shareholders, the Bank shall prepare detailed offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and other material disclosures necessary to comply with Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 20 days prior to the dissemination of such materials, the materials used in the sale of the securities shall be submitted to the FDIC Registration and Disclosure Section, 550 17th Street, N.W., Washington, D.C. 20429 for review. Any changes requested to be made in the materials by the FDIC shall be made prior to their dissemination.

(c) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or

purchaser of Bank securities written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 10 calendar days of the date any material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber of the Bank's original offering materials.

BOARD PARTICIPATION

3. (a) As of the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of Banks of comparable size. (b) Prior to submission or publication of all Reports of Condition and Income required by the FDIC after the effective date of this ORDER, the Board shall review the adequacy of the Bank's ALLL, provide for an adequate ALLL, and accurately report the same. The minutes of the Board meeting at which such review is undertaken shall indicate the findings of the review, the amount of increase in the ALLL recommended, if any, and the basis for determination of the amount of ALLL provided. In making these determinations, the Board shall consider the Federal Financial Institutions Examination Council's Instructions for the Reports of Condition and Income and any analysis of the Bank's ALLL provided by the FDIC or the Division.

7. (a) Within 30 days from the effective date of this ORDER, the Bank shall adopt, implement, and adhere to, a written plan to reduce the Bank's risk position in each asset in excess of \$250,000 which is more than 90 days delinquent or classified "Substandard" during the Examination. (b) As of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan or other credit has been classified "Substandard" or was listed for Special Mention in the Examination, and is uncollected unless the Bank's board of directors has adopted, prior to such extension of credit, a detailed written statement giving the reasons why such extension of credit is in the best interest of the Bank.
