The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Ocean Bank, Miami, Florida (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated April 28, 2011, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). With this Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, management, earnings, capital, liquidity, sensitivity to market risk, and its Bank Secrecy Act (“BSA”) program, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR. The OFR may issue an ORDER pursuant to Chapter 120 and Section 655.033, Florida Statutes (2010).

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes, have been satisfied, the FDIC and the OFR hereby order that:

BOARD OF DIRECTORS

1. (a) As of the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged off, and recovered loans; investment activity; adoption or modification of operating policies; individual committee reports; audit reports; internal control reviews including management's responses; compliance with the BSA, and compliance with this ORDER. Board meeting minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least five members, to oversee the Bank's compliance with this ORDER. A majority of the members of such committee shall be directors not employed in any capacity by the Bank other than as a director. The Directors' Committee shall formulate and review monthly reports detailing the Bank's actions with respect to compliance with this ORDER. The Directors' Committee shall present a report to the Board at each regularly scheduled Board meeting, and such report shall detail the Bank's adherence to this ORDER. Such report shall be recorded in the appropriate Board meeting minutes and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. (a) As of the effective date of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

(b) The qualifications of management shall be assessed on its ability to:

- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations, including BSA and its implementing regulations; and

(iv) restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity, and sensitivity to market risk.

Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer or executive officer, as those terms are defined in 12 C.F.R. § 303.101, and in Section 655.005, Florida Statutes, the Bank shall comply with the requirements of 12 U.S.C. § 1831i, 12 C.F.R. §§ 303.100-303.104, Section 655.0385, Florida Statutes, and Rule 69U-100.03852, Florida Administrative Code. The notification shall include a description of the background and experience of the individual or individuals to be added or employed and must be received at least 60 days before such addition or employment is intended to become effective. If the Regional Director or OFR issues a notice of disapproval pursuant to section 32 of the Act, 12 U.S.C. § 1831i, or Section 655.0385(2), with respect to any proposed individual, then such individual may not be added or employed by the Bank.

(c) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities a written capital plan. Such capital plan shall detail the steps that the Bank shall take to achieve and maintain the capital requirements set forth in paragraph 3(a) above. In developing the capital plan, the Bank must take into consideration:

- (i) the volume of the Bank's adversely classified assets;

Such contingency plan shall include a plan to sell or merge the Bank. The Bank shall implement the contingency plan upon written notice from the Supervisory Authorities.

(e) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to this paragraph shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(f) If any such capital ratios are less than the percentages required by this ORDER, as determined as of the date of any Consolidated Report of Condition and Income or at an examination by the FDIC or the OFR, the Bank shall, within 30 days from receipt of a written notice of the capital deficiency from the Supervisory Authorities, present to the Supervisory Authorities a plan to increase the Bank's Tier 1 Capital or to take other measures to bring all the capital ratios to the percentages required by this ORDER. After the Supervisory Authorities respond to the plan, the Board shall implement the plan, including any modifications and/or amendments requested by the Supervisory Authorities.

Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with applicable federal securities laws. Prior to the implementation of the plan and, in any event, not less than 15 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room MB-5073, Washington, D.C. 20429 and to the OFR, Division of Financial Institutions, 200 East Gaines Street, Tallahassee, FL 32399-0371, for review. Any changes requested to be made in the plan or materials by the FDIC or the OFR shall be made prior to the dissemination of the plan and materials. If the increase in Tier 1 Capital is provided by the sale of noncumulative

perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(j) In complying with the provisions of the Capital paragraph of this ORDER, the Bank shall provide written notice of any planned or existing development, or other changes that are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities, to any subscriber and/or purchaser of the Bank's securities. ALLOWANCE FOR LOAN AND LEASE LOSSES

4. Within 60 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and further review, enhance, or restate its comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Consolidated Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. The review should include a review of compliance with

ASC 450 (Topic 450, "Contingencies") and ASC 310-10-35 (Section 35, "Subsequent Measurement General," of Subtopic 310-10). The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at the initial review and at subsequent examinations and/or visitations.

5. While this ORDER is in effect, the Bank shall notify the Supervisory Authorities at least 60 days prior to undertaking asset growth that exceeds 10 percent or more per annum or initiating material changes in asset or liability composition. In no event shall asset growth result in noncompliance with the capital maintenance provisions of this ORDER unless the Bank receives prior written approval from the Supervisory Authorities.

INTERNAL CONTROLS AND AUDIT

6. Within 90 days from the effective date of this ORDER, the Board shall review, enhance or restate and implement a comprehensive written audit program. This plan shall provide that the internal auditor shall make written monthly reports of audit findings directly to the Board. The Board meeting minutes shall reflect consideration of these reports and describe any action it takes as a result of the audit. The program shall be in a form and manner acceptable to the

Supervisory Authorities at subsequent examinations and/or visitations and, at a minimum, shall conform to the *Interagency Policy Statement on the Internal Audit Function and its Outsourcing*, FIL-21-2003 (March 17, 2003), and provide procedures to test the validity and reliability of operating systems, procedural controls, resulting records, and compliance with the law and regulations related to the BSA, subchapter II of Chapter 53 of Title 31 of the United States Code, and its implementing rules issued by the U.S. Department of Treasury, 31 C.F.R. The minutes of the meeting of the Board shall reflect consideration of these reports and describe any discussion or action taken as a result. The Board shall conduct an annual review of its audit program which includes a review of the adequacy of the program and staffing. The audit program and its implementation shall be approved by the Board and shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

7. (a) Immediately upon the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the Joint Report of Examination dated as of August 2, 2010 (“Report”). Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

The Bank shall then immediately implement the plan.

- (i) charge-off;
- (ii) collection;
- (iii) sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the OFR; and/or
