The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for First Bank, Clewiston, Florida (“Bank”), under Section 3(q) of the Federal Deposit Insurance Act (“Act”), 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated June 8, 2011, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, management, earnings, capital, liquidity, and sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR. The OFR may issue an ORDER pursuant to Chapter 120 and Section 655.033, Florida Statutes (2010).

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes (2010), have been satisfied, the FDIC and the OFR hereby order that:

Board meeting minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), charged with the responsibility of ensuring that the Bank complies with the provisions of this ORDER. The Directors' Committee shall formulate and review monthly reports detailing the Bank's actions with respect to compliance with this ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to this ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meetings and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

(c) The qualifications of management shall be assessed on its ability to:

(iii) Comply with applicable laws and regulations; and

(iv) Restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity, and sensitivity to market risk.

(d) Such Management Plan and its implementation shall be satisfactory to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.

(d) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities a written capital plan. After the Supervisory Authorities respond to the plan, the Board shall implement the plan, including any modifications and/or amendments requested by the Supervisory Authorities.

Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with applicable federal securities laws. (l) In complying with the provisions of the Capital paragraph of this ORDER, the Bank shall provide written notice of any planned or existing development, or other changes that are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities, to any subscriber and/or purchaser of the Bank's securities. 4. (a) Immediately upon the issuance of this ORDER, the Board shall make a provision to replenish the ALLL, which as of the date of the examination was underfunded as set forth in the Report of Examination dated December 20, 2010 (the "Report").

(b) Immediately upon the issuance of this ORDER, the Board shall review the adequacy of the ALLL, establish a comprehensive policy for determining the adequacy of the ALLL, and submit the policy to the Supervisory Authorities. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Consolidated Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. The review should include a review of

compliance with ASC 450 (Topic 450, “Contingencies”) and ASC 310-10-35 (Section 35, “Subsequent Measurement General,” of Subtopic 310-10). The Bank’s policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at the initial review and at subsequent examinations and/or visitations.

5. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified “Loss” in the Report, that have not been previously collected or charged-off. Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the OFR, eliminate from its books, by collection, charge-off, or other proper entry, the remaining balance of any asset classified “Loss” and fifty percent (50%) of those assets classified “Doubtful” unless otherwise approved in writing by the Supervisory Authorities.

(e) For purposes of the plan, the reduction of adversely classified assets shall be detailed using quarterly targets expressed as a percentage of the Bank's Tier 1 Capital plus the Bank's ALLL and may be accomplished by:

- (i) Charge-off;
- (ii) Collection;
- (iii) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the OFR; and/or
