The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for U.S. Century Bank, Doral, Florida, (“Bank”), under section 3(q) of the Federal Deposit Insurance Act (“Act”), 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated June 2, 2011 that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”). With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, management, earnings, capital, liquidity, and sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR. The OFR may issue an ORDER pursuant to Chapter 120 and Section 655.033, Florida Statutes (2010).

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and under Chapter 120 and Section 655.033, Florida Statutes (2010), have been satisfied, the FDIC and the OFR hereby order that:

(d) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities a written capital plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with applicable federal securities laws. ALLOWANCE FOR LOAN AND LEASE LOSSES AND CALL REPORT

5. Within 60 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a

review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Consolidated Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. The review should include a review of compliance with ASC 450 (Topic 450, "Contingencies") and ASC 310-10-35 (Section 35, "Subsequent Measurement General," of Subtopic 310-10). The policy shall adhere to the guidance set forth in the *Interagency Policy Statement on the Allowance for Loan and Lease Losses*, FIL-105-2006 (Dec. 13, 2006). A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the next Consolidated Report of Condition and Income, by a charge to current operating earnings. The Board meeting minutes for the meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at the initial review and at subsequent examinations and/or visitations.

6. Within 30 days from the effective date of this ORDER, the Bank shall contract for an external loan review, which shall assess the accuracy of the Bank's loan grading system, the quality of credit underwriting and administrative practices, and the correction of documentation weaknesses identified in the FDIC and OFR Reports of Examination dated December 13, 2010 ("Report"). The external loan review shall be conducted within 60 days from the effective date of this ORDER. The written findings of the external loan review shall be submitted to the Supervisory Authorities.

ASSET GROWTH

7. While this ORDER is in effect, the Bank shall notify the Supervisory Authorities at least 60 days prior to undertaking asset growth that exceeds 10 percent or more per annum or initiating material changes in asset or liability composition. LENDING

8. Within 60 days from the effective date of this ORDER, the Bank shall revise, adopt, and implement its written lending and collection policy to provide effective guidance and control over the Bank's lending function as recommended on pages 18 through 21 of the Report. Such policy and its implementation shall be in a form and manner acceptable to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the Supervisory Authorities, eliminate from its books, by collection, charge-off, or other proper entry, the remaining balance of any asset classified "Loss" and 50 percent of those assets classified "Doubtful" unless otherwise approved in writing by the Supervisory Authorities. If an asset is classified "Doubtful", the Bank may, in the alternative, charge-off the amount that is considered

uncollectible in accordance with the Bank's written analysis of loan or lease impairment. Such analysis shall be accomplished in accordance with generally accepted accounting principles, the Federal Financial Institutions Examination Council's ("FFIEC") *Instructions for Preparation of Consolidated Reports of Condition and Income (FFIEC 031 and 041)*, <http://www.ffiec.gov/>, Interagency Statements of Policy on the ALLL, and other applicable regulatory guidance that addresses the adequacy of the Bank's ALLL. Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

10. (a) Within 60 days from the effective date of this ORDER, the Bank shall submit a written plan to the Supervisory Authorities to reduce the remaining assets classified "Substandard" in the Report. (iv) Increase in the Bank's Tier 1 Capital.

11. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected. (b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard."

(c) The preceding limitations on additional credit shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extension of any additional credit pursuant to this paragraph, either in the form of an extension or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, which shall certify in writing that:

(i) The failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, including an explanatory statement of why it would be detrimental to the Bank's best interests;

(ii) The Bank's position would be improved thereby, including an explanatory statement of how the Bank's position would be improved; and

(iii) An appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(d) The signed certification shall be made a part of the meeting minutes of the Board or its designated committee and a copy of the signed certification shall be retained in the borrower's credit file.

(e) Any additional extensions of credit to classified borrowers made under this provision shall be reported at 90-day intervals with the other reporting requirements set forth in this ORDER. At a minimum, the 90-day reports shall include the name of the classified borrower, the amount of additional credit extended, and the total outstanding balance of credit extended to the classified borrower.

A copy of this analysis shall be provided to the Supervisory Authorities. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.
