The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for Flagship Bank Minnesota, Wayzata, Minnesota ("Bank"), under 12 U.S.C. § 1813(q). The State of Minnesota, Department of Commerce, is the appropriate State banking authority for the Bank under Minnesota Statutes §§ 46.01 - 46.04 (2010) (and collectively, with the FDIC, "Supervisory Authorities").

The Bank, by and through its duly elected and acting Board of directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("Stipulation"), dated May 25, 2011 that is accepted by the Supervisory Authorities. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices to

the issuance of this Consent Order ("ORDER") by the Supervisory Authorities.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and Minnesota state law have been satisfied, the Supervisory Authorities each hereby order that:

**1. Minimum Capital Requirements.**

(a) While this ORDER is in effect, the Bank shall have and maintain the following minimum capital ratios (as defined in Part 325 of the FDIC's Rules and Regulations), after establishing an appropriate allowance for loan and lease losses ("ALLL"):

(i) Tier 1 "leverage capital ratio" at least equal to 8.5 percent;

(ii) "Total risk-based capital ratio" at least equal to 11.0 percent.

(b) In the event any ratio is or becomes less than the minimum required by subparagraph (a) of this provision, the Bank shall immediately notify the Supervisory Authorities and within 30 days shall: (1) increase capital in an amount sufficient to comply with subparagraph (a), or (2) submit a written plan to the Supervisory Authorities, describing the primary means and timing by which the Bank shall increase its capital ratios up to

or in excess of the minimum requirements of subparagraph (a) above, as well as a contingency plan for the sale, merger, or liquidation of the Bank in the event the primary sources of capital are not available. Within 30 days of receipt of any such comments from the Supervisory Authorities, and after consideration of all such comments, the Board shall approve the written plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the written plan.

(c) Any increase in Tier 1 leverage capital necessary to meet the requirements of subparagraph (a) of this provision may not be accomplished through a deduction from the ALLL.

**2. Restrictions on Dividends.**

While this ORDER is in effect, the Bank shall not declare or pay any dividends without the prior written approval of the Supervisory Authorities.

**3. Charge-off of Adversely Classified Assets.**

(a) Within 10 days of the effective date of this ORDER and within 10 days after the receipt of any future reports of examination of the Bank from either of the Supervisory Authorities, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified

"Loss" in the November 29, 2010 FDIC Report of Examination ("Report of Examination") and such future reports of examination, that have not been previously collected or charged off.

(b) Elimination or reduction of assets through the proceeds of other loans or extensions of credit made by the Bank is not considered collection for purposes of this ORDER.

**4. Restrictions on Advances to Adversely Classified Borrowers.**

(a) While this ORDER is in effect, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit or obligation with the Bank that has been, in whole or in part, charged off or adversely classified "Substandard" or "Doubtful," either internally or by either of the Supervisory Authorities in a report of examination in the last 18 months and is uncollected, or classified "Substandard" or "Doubtful" in any future reports of examination from either of the Supervisory Authorities and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing, after collecting in cash all interest and fees due from a borrower, any credit already extended to the borrower.

(b) Subparagraph (a) of this provision shall not apply if the Bank's failure to extend further credit to a particular

borrower would be detrimental to the best interests of the Bank. Prior to extending additional credit pursuant to this subparagraph (b), whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, or Board appointed committee, who shall conclude:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with an explanation of why the failure to extend such credit would be detrimental;

(ii) that the extension of such credit would improve the Bank's position, with an explanatory statement of why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(c) The conclusions and approval shall be made a part of minutes of the Board or Board appointed committee, with a copy retained in the borrower's credit file.

## **5. Reduction of Adversely Classified Assets.**

(a) Within 60 days from the effective date of this ORDER and within 30 days after the receipt of any future reports of examination of the Bank from either of the Supervisory

Authorities, the Bank shall formulate written plans to reduce the Bank's risk exposure in each asset in excess of \$50,000 adversely classified as "Substandard" or "Doubtful" in the Report of Examination, in such future reports of examination, or internally. For purposes of this provision, "reduce" means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Supervisory Authorities. In developing the plans mandated by subparagraph (a), the Bank shall, at a minimum, and with respect to each loan or lease, review, analyze, and document the financial position of the borrower, including sources of repayment and repayment ability, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position.

(b) Upon completion of the risk reduction plans required by this provision, the Board shall approve the plans at its next scheduled meeting, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the plans.

## **6. Allowance for Loan and Lease Losses.**

(a) Within 60 days, the Board shall review and revise Bank's written policy and methodology for determining the ALLL, to address the comments and criticisms in the Report of

Examination, or in any future reports of examination by either Supervisory Authority. The revised written policy shall provide for a review of the ALLL at least once each calendar quarter in order that the findings of the Board may be properly reported in the Bank's Call Reports. Such reviews shall, at a minimum, be made in accordance with the Call Report Instructions, the Interagency Statement of Policy on the Allowance for Loan and Lease Losses, other applicable regulatory guidance that addresses the appropriateness of the Bank's ALLL, and any analysis of the Bank's ALLL provided by either of the Supervisory Authorities.

(b) A deficiency in the Bank's ALLL shall be remedied in the calendar quarter in which it is discovered by a charge to current operating earnings prior to any Tier 1 capital determinations required by this ORDER and prior to the Bank's submission of its Call Report. The Board shall thereafter maintain an appropriate ALLL and fully comply with the policy.

**7. Funds Management Policies and Practices.**

Within 90 days from the effective date of this ORDER, the Board shall review and revise its Liquidity Policy and Asset/Liquidity Management policies and practices ("Funding Plan") to address the recommendations made under the Liquidity and Sensitivity to Market Risk headings on the Examination

Conclusions and Comments pages of the Report of Examination. Thereafter, the Bank shall implement and fully comply with the Funding Plan.

**8. MANAGEMENT.**

(a) From the effective date of this ORDER, the Bank shall take action to have and maintain qualified management.

(b) Within 30 days from the effective date of this ORDER, the Board shall engage an independent third party ("Consultant") acceptable to the Supervisory Authorities, and that possesses appropriate expertise and qualifications to analyze and assess the total compensation paid to each "executive officer" of the Bank, as that term is defined in 12 C.F.R. § 215.2(e)(1). The evaluation of the compensation for each executive officer shall take into account:

(i) the specific duties and responsibilities that should be performed by an officer in that position;

(ii) the qualifications of the incumbent individual to perform such duties and responsibilities;

(iii) an evaluation of each incumbent executive officer's performance of those duties and responsibilities; and

(iv) an evaluation of each incumbent officer's level of compensation, taking into consideration the condition of the Bank and the quality of its earnings.

(c) The Bank shall provide the Supervisory Authorities with a copy of the proposed engagement letter or contract with the Consultant for review before it is executed. The contract or engagement letter, at a minimum, shall include a requirement that the Consultant's analysis and assessment shall be summarized in a written report to the Board ("Consultant's Report") within 60 days of engagement.

(d) Within 30 days of receipt of the Consultant's Report, the Board will develop written Plans of Action that addresses the findings of the Consultant's Report and the recommendations listed under the Management heading of the Examination Conclusions and Comments pages of the Report of Examination, and a time frame for completing each action.

(e) A copy of the Consultant's Report and the Plans of Action and any subsequent modification thereto shall be submitted to the Supervisory Authorities, for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities and after consideration of all such comments, the Board shall approve the Plan which approval shall be recorded in the Board's minutes. Thereafter, the Bank and its directors, officers and employees shall implement and follow the Plan and any modifications thereto. It shall remain the responsibility of the Board to fully implement the Plan within the specified time frames. In the event the plan, or any

portion thereof, is not implemented, the Board shall immediately advise the Supervisory Authorities, in writing, of specific reasons for deviating from the Plan.

**9. Written Strategic and Profit Plans.**

(a) Within 90 days and within 60 days from the first day in each calendar year thereafter, the Board shall develop a written three-year business/strategic plan and one-year profit and budget plan, covering the overall operation of the Bank and its goals and strategies, consistent with sound banking practices, and taking into account the Bank's other written plans, policies, or other actions as required by this ORDER.

(b) The business/strategic plan shall provide specific objectives for asset growth, loan portfolio mix, market focus, earnings projections, capital needs, and liquidity position. The profit and budget plan shall include goals and strategies for improving the earnings of the Bank. The budget shall include a description of the operating assumptions that form the basis for, and adequately support, major projected income and expense components.

(c) The business/strategic plan and the profit and budget plan, and any subsequent modification thereto, shall be submitted to the Supervisory Authorities for review and comment. No more than 30 days after the receipt of any comment from the

Supervisory Authorities, and after consideration of all such comments, the Board shall approve the business/strategic plan and the profit and budget plan, which approval shall be recorded in the Board's minutes. Thereafter, the Bank shall implement and fully comply with the plans.

**10. Disclosure of Order to Sole Shareholder.**

Following the effective date of this ORDER, the Bank shall provide a copy or otherwise furnish a description of this ORDER to its sole shareholder, (i) in conjunction with the Bank's next shareholder communication, and (ii) in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting.

**11. Progress Reports Detailing Compliance with ORDER.**

(a) Within 60 days of the end of the first calendar quarter following the effective date of this ORDER, and within 30 days of the end of each calendar quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form, manner, and results of any actions taken to secure compliance with this ORDER. Such written progress reports shall provide cumulative detail of the Bank's progress toward achieving compliance with each provision of the ORDER, including at a minimum:

(i) actions taken or in-process for addressing each provision;

(ii) results of the corrective actions taken;

(iii) the Bank's status of compliance with each provision of the ORDER; and

(iv) appropriate supporting documentation.

(b) Progress reports may be discontinued when the Supervisory Authorities have, in writing, released the Bank from making additional reports.

#### **MISCELLANEOUS**

The provisions of this ORDER shall not bar, estop, or otherwise prevent the FDIC, Minnesota Department of Commerce, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.

The provisions of this ORDER shall remain effective and enforceable except to the extent that and until such time as any provision has been modified, terminated, suspended, or set aside by the FDIC and Minnesota Department of Commerce.
