The Federal Deposit Insurance Corporation (“FDIC”), having fully considered all the facts and information relating to the application filed pursuant to section 19 of the Federal Deposit Insurance Act, 12 U.S.C. § 1829 (“section 19”), by MICHAEL YUWING LEE (“Applicant”), individually, for a waiver of the FDIC policy requirement that an insured depository institution file a section 19 application on his behalf, and for consent to participate directly or indirectly in the affairs of any insured depository institution, has determined that Applicant’s request for a waiver should be granted and that Applicant’s section 19 application to participate in the affairs of any insured depository institution, should be approved, based upon the following:

- (1) On January 18, 1995, when he was 19 years of age, Applicant was convicted of forgery in California, in violation of Section 470 of the California Penal Code (“CPC”).
- (2) The FDIC notes that over 16 years have elapsed since the covered offense and Applicant has had no further convictions or program entries subject to section 19.

- (3) Applicant seeks to work in the banking industry and requested that the FDIC waive its policy requiring that a sponsoring insured depository institution submit a section 19 application on his behalf to enable Applicant to pursue employment with an insured depository institution.
- (4) The FDIC has determined that Applicant has demonstrated satisfactory evidence of rehabilitation.
- (5) The FDIC believes that Applicant's participation directly or indirectly, in the conduct of the affairs of any insured depository institution, in any position, does not appear to constitute a threat to the safety and soundness of any other insured depository institution, or to the interests of depositors, and that such participation would not threaten to impair public confidence in any insured institution.
- (6) The FDIC has determined that the FDIC policy requirement that an insured depository institution file a section 19 application on Applicant's behalf should be waived.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that Michael Yuwing Lee, as an individual, shall be permitted to file the section 19 application submitted with respect to any insured depository institution, without requiring that the insured depository institution file such an application on Applicant's behalf; and

IT IS FURTHER ORDERED, that the Applicant's section 19 application for consent to participate directly or indirectly in the conduct of the affairs of any insured depository institution is hereby APPROVED, provided that prior to serving in any position, Applicant disclose to any such insured depository institution the FDIC's approval of Applicant's section 19 application by providing the insured depository institution with a copy of this ORDER GRANTING PERMISSION TO FILE APPLICATION AND APPROVING APPLICATION FOR CONSENT TO PARTICIPATE IN THE AFFAIRS OF ANY INSURED DEPOSITORY INSTITUTION; and

IT IS FURTHER ORDERED, that Applicant shall be covered by a fidelity bond to the same extent as others in similar positions at the subject insured depository institution; and

IT IS FURTHER ORDERED, that the permission and approval granted by this ORDER shall apply only to the offense described in paragraph 1, above.

Dated at Washington, D.C., this 22nd day of July, 2011.
