With the CONSENT AGREEMENT, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices and violations of law and/or regulations relating to weaknesses in management, capital, asset quality and earnings, to the issuance of this Consent Order (“ORDER”) by the FDIC.

Having determined that the requirements for issuance of an order under section 8(b) of the Act, 12 U.S.C. § 1818(b), have been satisfied, the FDIC hereby orders that:

(g) The Management Plan shall be submitted to the Regional Director for non-objection or comment. Within 30 days from receipt of non-objection or any comments from the Regional Director, and after incorporation and adoption of all comments, the Board shall approve the Management Plan, which approval shall be recorded in the minutes of the Board meeting. 2. (a) The Board shall increase its oversight of the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the oversight of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size.

(b) This oversight shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expense; to the extent appropriate, new, overdue, renewal, insider, charged off, delinquent (30 to 89 days), nonaccrual, nonperforming, classified and recovered loans; investment activity; internal loan watch list; liquidity levels and funds management; adoption or modification of operating policies; individual committee reports; audit reports; information technology, internal control reviews including management responses; asset liability management; and compliance with this ORDER. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, or any change in the title or function of a senior executive officer, the Bank shall request and obtain the Regional Director’s written non-objection. Any notification required by this subparagraph shall include a description of the background and experience of any proposed new “senior executive officer” or Board member and must be received at least 30 days prior to the individual assuming the new position. The Bank shall also establish procedures to ensure compliance with section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC’s Rules of Practice and Procedure, 12 C.F.R. Part 303.

CAPITAL

3. (a) Within 60 days from the effective date of this ORDER, the Board shall develop a written capital plan ("Capital Plan"), subject to review and non-objection of the Regional Director as described in subparagraph (b), that details the manner in which the Bank will meet and maintain a Leverage Ratio of at least 7 % within one year from the effective date of this Order and at least 8% within two years from the effective date of this Order (as such terms are defined in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325). At a minimum, the Capital Plan shall include specific benchmark Leverage Ratios to be met at each calendar quarter end until the required capital levels are achieved. The Bank shall comply with the FDIC's *Statement of Policy on Risk-Based Capital* found in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, App. A.

(b) The Capital Plan shall be submitted to the Regional Director for non-objection or comment. Within 30 days from receipt of non-objection or any comments from the Regional Director, and after incorporation and adoption of all comments, the Board shall approve the Capital Plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the Capital Plan.

(d) In the event any required capital ratio falls below the minimum required by the approved Capital Plan, the Bank shall immediately notify the Regional Director and within 60 days shall either:

(i) increase capital in an amount sufficient to comply with the capital ratios as set forth in the approved Capital Plan; or

(ii) submit to the Regional Director a contingency plan for the sale, merger, or liquidation of the Bank in the event the primary sources of capital are not available.

LOSS CHARGE-OFF

4. The Bank shall, if it has not done so already, eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the report of examination dated June 14, 2010 (as of December 31, 2009) issued jointly by the FDIC and the New York State Department of Banking ("Report of Examination") that have not been previously collected or charged off. Elimination or reduction of such assets with the proceeds of other Bank extensions of credit shall not be considered "collection" for purposes of this paragraph. Thereafter, within 15 days after the receipt of any future report of examination of the Bank from the FDIC or the New York State Department of Banking, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in any report of examination that have not been previously collected or charged off.

REDUCTION OF DELINQUENCIES AND CLASSIFIED ASSETS

5. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate and submit for review as described in subparagraph (c), a written plan ("Delinquent and Classified Asset Plan") to reduce the Bank's risk exposure in those commercial loan assets that are more than 90 days delinquent or classified "Substandard," "Doubtful" or listed for "Special Mention" in the Report of Examination. Thereafter, the Delinquent and Classified Asset Plan shall be revised to reduce the Bank's risk exposure in those commercial loan assets which become more than 90 days delinquent or classified "Substandard," "Doubtful" or listed for "Special Mention" in any future report of examination. For purposes of this paragraph, "reduce"

means to collect, charge off, sell or improve the quality of an asset so as to warrant its removal from adverse classification by the Regional Director.

(b) The Delinquent and Classified Asset Plan shall include, at a minimum, the following:

(i) an action plan to review, analyze and document the current financial condition of each delinquent or adversely classified borrower including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank's collateral position;

(ii) a schedule for reducing the outstanding dollar amount of each delinquent or adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each delinquent or adversely classified asset must show its expected dollar balance on a quarterly basis);

(iii) specific action plans intended to reduce the Bank's risk exposure in each delinquent or adversely classified asset and to correct all deficiencies in the assets listed for "Special Mention;"

(iv) delineate areas of responsibility for loan officers; and

(v) provide for the submission of monthly written progress reports to the Board for review and notation in minutes of the Board meetings.

(c) The Delinquent and Classified Asset Plan shall be submitted to the Regional Director for non-objection or comment. Within 30 days from receipt of non-objection or any

comments from the Regional Director and after incorporation and adoption of all comments, the Board shall approve the Delinquent and Classified Asset Plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the Delinquent and Classified Asset Plan.

(d) Except to the extent the Bank is legally required to do so, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who is already obligated in any manner to the Bank on any extensions of credit (including any portion thereof) that has been charged off the books of the Bank or classified "Loss" in the current or any future report of examination, so long as such credit remains uncollected.

(e) Except to the extent the Bank is legally required to do so, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan or other credit is more than 90 days delinquent or has been classified "Substandard," "Doubtful," or is listed for "Special Mention" in the current or any future report of examination, and is uncollected, unless the Board, or a designated committee thereof, has adopted, in writing, a detailed statement of why the extension is in the best interest of the Bank. Prior to extending additional credit pursuant to this subparagraph, whether in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by the Board, or a designated committee thereof, who shall determine that:

(i) the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, with a written explanation of why the failure to extend such credit would be detrimental;

(ii) the extension of such credit would improve the Bank's position, with a written explanatory statement of how and why the Bank's position would improve; and

(iii) an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(f) The determinations and approval as referenced in subsection (e) shall be recorded in the minutes of the Board meeting and copies shall be retained in the borrower's credit file and submitted to the Regional Director at such times as the Bank submits the progress reports required by paragraph 16 of this ORDER or sooner upon the written request of the Regional Director.

6. (a) Within 60 days from the effective date of this ORDER, the Board shall establish a program of independent loan review that will provide for a periodic review of the Bank's loan portfolio and the identification and categorization of problem credits ("Loan Review Program").

(b) At a minimum, the Loan Review Program shall provide for:

(i) prompt identification of loans with credit weaknesses that warrant the special attention of management, including the name of the borrower, amount of the loan, reason why the loan warrants special attention; and assessment of the degree of risk that the loan will not be fully repaid according to its terms;

(ii) prompt identification of all outstanding balances and commitments attributable to each obligor identified under the requirements of subparagraph (i), including outstanding balances and commitments attributable to related interests of such obligors,

including the obligor of record, relationship to the primary obligor identified under subparagraph (i), and an assessment of the risk exposure from the aggregate relationship;

(iii) identification of trends affecting the quality of the loan portfolio and potential problem areas;

(iv) assessment of the overall quality of the loan portfolio;

(v) identification of credit and collateral documentation exceptions;

(vi) identification and status of violations of laws, rules, or regulations with respect to the lending function;

(viii) identification of loans to directors, officers, principal shareholders, and their related interests; and

(ix) a mechanism for reporting to the Board periodically, but in no event less than quarterly, the information developed in (i) through (viii).

(c) The Loan Review Program shall be submitted to the Regional Director for non-objection or comment. Within 30 days from receipt of non-objection or any comments from the Regional Director and after incorporation and adoption of all comments, the Board shall approve the Loan Review Program, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the Loan Review Program.

ALLOWANCE FOR LOAN AND LEASE LOSSES

7. (a) Within 60 days from the effective date of this ORDER, the Bank shall develop and submit for review as described in subparagraph (d), a comprehensive policy and methodology for determining the Bank's allowance for loan and lease losses (such allowance being the "ALLL" and such policy being the "ALLL Policy"). The ALLL Policy shall provide for a review of the ALLL at least once each calendar quarter. Said review should be completed at least 15 days prior to the end of each calendar quarter in order that the results of the review conducted by the Board may be properly reported in the quarterly Consolidated Reports of Condition and Income ("Call Report"). Such reviews shall, at a minimum, be made in accordance with:

(i) Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Subtopic 450-20 and Topic 310 (formerly FASB Statement Numbers 5 and 114, respectively) effective after September 15, 2009;

 - (ii) an estimate of the potential loss exposure, including off-balance sheet credit exposure, in the portfolio; and
 - (iii) trends of delinquent (30 to 89 days) and non-accrual loans and prevailing and prospective economic conditions.
- (c) The minutes of the Board meetings at which such reviews are undertaken shall include complete details of the reviews and the resulting recommended adjustment in the ALLL. The Board shall document in the minutes the basis for any determination not to require provisions for loan losses in accordance with subparagraphs (a) and (b).
- (d) The ALLL Policy shall be submitted to the Regional Director for non-objection or comment. Within 30 days from receipt of non-objection or any comments from the Regional Director, and after incorporation and adoption of all comments, the Board shall approve the ALLL Policy, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the ALLL Policy.
- (e) A deficiency in the ALLL shall be remedied in the calendar quarter in which it is determined by a charge to current operating earnings prior to any capital determinations required by this ORDER and prior to the Bank's submission of its Call Report. The Bank shall thereafter maintain an appropriate ALLL.
- (f) The analysis supporting the determination of the adequacy of the ALLL shall be submitted to the Regional Director. These submissions shall be made at such times as the Bank files the quarterly progress reports required by paragraph 16 of this ORDER or sooner upon the written request of the Regional Director. In the event that the Regional Director subsequently

determines that the Bank's ALLL is inadequate, the Bank shall increase its ALLL and amend its Call Reports accordingly.

Within 30 days from receipt of non-objection or any comments from the Regional Director and after incorporation and adoption of all comments, the Board shall approve the Strategic Plan, which approval shall be recorded in the minutes of the Board meeting.

Thereafter, the Bank shall implement and fully comply with the Strategic Plan.
