The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for CoastalStates Bank, Hilton Head Island, South Carolina, ("Bank"), under section 3(q) of the Federal Deposit Insurance Act ("Act"), 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a "Stipulation to the Issuance of a Consent Order" ("STIPULATION"), dated October 6, 2011, that is accepted by the FDIC and the Commissioner of Banking ("Commissioner") on behalf of the South Carolina Board of Financial Institutions ("State Board"). The State Board may issue an order pursuant to the provisions of S.C. Code Ann. § 34-1-60.

With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices relating to weaknesses in capital, asset quality, management, and earnings, to the issuance of this Consent Order ("ORDER") by the FDIC and the State Board.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and S.C. Code Ann. § 34-1-60 have been satisfied, the FDIC and the State Board hereby order that:
1. (a) As of the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; adoption or modification of operating policies; individual committee reports; audit reports; internal control reviews including management's responses; and compliance with this ORDER. Board meeting minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least 5 members, to oversee the Bank's compliance with this ORDER. At least 3 of the members of such committee shall be directors not employed in any capacity by the Bank other than as a director. The Directors' Committee shall formulate and review monthly reports detailing the Bank's actions with respect to compliance with this ORDER. The Directors' Committee shall present a report to the Board at each regularly scheduled Board meeting, and such report shall detail the Bank's adherence to this ORDER. Such report shall be recorded in the appropriate Board meeting minutes and shall be retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.
2. (a) Within 60 days from the effective date of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

(i) A chief executive officer with proven ability in managing a bank of comparable size and in effectively implementing lending, investment and operating policies in accordance with safe and sound banking practices;

(ii) A chief credit officer/senior lending officer with a significant amount of appropriate lending, collection, and loan supervision experience, and experience in upgrading a low quality loan portfolio; and

(iii) A chief operating officer with a significant amount of appropriate experience in managing the operations of a bank of similar size and complexity in accordance with sound banking practices.

(b) The qualifications of management shall be assessed on its ability to:

(i) Comply with the requirements of this ORDER;

(ii) Operate the Bank in a safe and sound manner;

(iii) Comply with applicable laws and regulations; and
(iv) Restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity and sensitivity to market risk.

(c) During the life of this ORDER, the Bank shall notify the Regional Director of the FDIC’s Atlanta Regional Office (“Regional Director”) and the Commissioner on behalf of the State Board (collectively, the “Supervisory Authorities”), in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall comply with the requirements of Section 32 of the Act, 12 U.S.C. § 1831i, 12 C.F.R. §§ 303.100-303.104 and any State requirements for prior notification and approval. If the Supervisory Authorities issue a notice of disapproval pursuant to 12 U.S.C. § 1831i, with respect to the proposed individual, then such individual may not be added to the Board or employed by the Bank.

(d) Within 60 days from the effective date of this ORDER, the Bank shall develop and approve a written analysis and an independent assessment of the Bank's management and staffing needs ("Management Plan") for the purpose of providing qualified management for the Bank. The Management Plan shall include, at a minimum:

(i) Identification of both the type and number of officer positions needed to properly manage and supervise the affairs of the Bank;

(ii) Identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;
(iii) Written evaluations of all senior executive officers to determine whether such individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including, but not limited to, adherence to the Bank's established policies and practices, restoration of the Bank to a safe and sound condition, and maintenance of the Bank in a safe and sound condition thereafter;

(iv) A plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and

(v) An organizational chart.

(e) Such Management Plan and its implementation shall be satisfactory to the Supervisory Authorities.

**CAPITAL**

3. (a) Within 90 days from the effective date of this ORDER, the Bank shall have Tier 1 Capital in such amount as to equal or exceed 8 percent of its total assets, and shall have Total Risk-Based Capital in such an amount as to equal or exceed 10 percent of the Bank's total risk-weighted assets.

(b) During the life of this ORDER, the Bank shall maintain a Tier 1 Leverage Capital Ratio of at least 8 percent and a Total Risk-Based Capital Ratio of at least 10 percent as those capital ratios are defined in 12 C.F.R. § 325.

(c) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to this paragraph shall be in addition to a fully funded allowance for loan and lease
losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(d) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities a written capital plan. Such capital plan shall detail the steps that the Bank shall take to achieve and maintain the capital requirements set forth in this ORDER. In developing the capital plan, the Bank shall take into consideration:

(i) The volume of the Bank's adversely classified assets;

(ii) The nature and level of the Bank's asset concentrations;

(iii) The adequacy of the Bank's ALLL;

(iv) The anticipated level of retained earnings;

(v) The Bank’s cumulative loss estimates;

(vi) Anticipated and contingent liquidity needs; and

(vii) The source and timing of additional funds to fulfill future capital needs.

(e) In addition, the capital plan must include a contingency plan in the event that the Bank has failed to:

(i) Maintain the minimum capital ratios required by this paragraph;

(ii) Submit an acceptable capital plan as required by this subparagraph; or

(iii) Implement or adhere to a capital plan to which the Supervisory Authorities have taken no written objection pursuant to this paragraph.
(f) The contingency plan shall include a plan to sell or merge the Bank. The Bank shall implement the contingency plan upon written notice from the Supervisory Authorities.

(g) Any increase in Tier 1 Capital necessary to meet the requirements of this ORDER may be accomplished by the following:

(i) Sale of common stock;

(ii) Sale of noncumulative perpetual preferred stock;

(iii) Direct contribution of cash by the Board, shareholders, and/or parent holding company;

(iv) Any combination of the above means; or

(v) Any other means acceptable to the Supervisory Authorities.

(h) No increase in Tier 1 Capital that is necessary to meet the requirements of this ORDER may be accomplished through a deduction from the Bank's ALLL.

(i) If all or part of any necessary increase in Tier 1 Capital required by this ORDER is accomplished by the sale of new securities, the Board shall take all necessary steps to implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with applicable federal securities laws. Prior to the
implementation of the plan and, in any event, not less than 15 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Division of Risk Management and Supervision, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room MB-5073, Washington, D.C. 20429 and the Commissioner, 1205 Pendleton St., Suite 305, Columbia, SC 29201 for review. Any changes requested to be made in the plan or materials by the Supervisory Authorities shall be made prior to the dissemination of the plan and materials. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(j) In complying with the provisions of the Capital paragraph of this ORDER, the Bank shall provide written notice of any planned or existing development, or other changes that are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities, to any subscriber and/or purchaser of the Bank's securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

ALLOWANCE FOR LOAN AND LEASE LOSSES AND CALL REPORT

4. Within 60 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined
after the charge off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Consolidated Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. The review should include a review of compliance with ASC 450 (Topic 450, "Contingencies") and ASC 310-10-35 (Section 35, "Subsequent Measurement," of Subtopic 310-10). The policy shall adhere to the guidance set forth in the Interagency Policy Statement on the Allowance for Loan and Lease Losses, FIL-105-2006 (Dec. 13, 2006). A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the next Consolidated Report of Condition and Income, by a charge to current operating earnings. The Board meeting minutes for the meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

LENDING AND COLLECTION POLICY

5. (a) Within 60 days from the effective date of this ORDER, the Board shall review, revise, adopt, and implement its written lending and collection policy to provide effective guidance and control over the Bank's lending and credit administration functions, which implementation shall include the resolution of those exceptions enumerated in the Supervisory Authorities Report of Examination dated February 07, 2011 (the “Report”). The written policy shall include specific guidelines for concentrations of credit, placing loans on nonaccrual status,
limitations on interest reserves and deferred payment plans, procedures to ensure that the Bank performs appropriate underwriting prior to purchasing loan participations, and provisions which establish a written policy governing the Bank's Other Assets portfolio. In addition, the Bank shall obtain adequate and current documentation for all loans in the Bank's loan portfolio. Such policy and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(b) The policies shall include provisions which require the preparation of a loan "watch list" which shall include relevant information on all loans that are classified "Substandard" and "Doubtful" in the Report, and by the Supervisory Authorities in subsequent Reports of Examination, and all other loans that warrant individual review and consideration by the Board as determined by the Loan Committee or active management of the Bank. The loan "watch list" shall be presented to the Board for review at least monthly with such review noted in the minutes.

(c) The Board shall adopt procedures whereby officer compliance with the revised loan policy is monitored and exceptions are reported to the Board. The procedures adopted shall be reflected in the minutes of a Board meeting at which all members are present and the vote of each is noted.

CHARGE OFF LOSS AND DOUBTFUL

6. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by collection or charge off, all assets or portions of assets classified "Loss" and 50 percent of those assets or portions of assets classified "Doubtful" in the Report that have not been previously collected or charged off. If an asset is classified "Doubtful", the Bank may, in
the alternative, charge off the amount that is considered uncollectible in accordance with the
Bank's written analysis of loan or lease impairment. Such analysis shall be accomplished in
accordance with generally accepted accounting principles, the Federal Financial Institutions
Examination Council's ("FFIEC") Instructions for Preparation of Consolidated Reports of
Condition and Income (FFIEC 031 and 041), http://www.ffiec.gov/, Interagency Statements of
Policy on the ALLL, and other applicable regulatory guidance that addresses the adequacy of the
Bank's ALLL. Elimination of any of these assets through proceeds of other loans made by the
Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days
from the receipt of any official Report of Examination of the Bank from the Supervisory
Authorities, eliminate from its books, by collection, charge off, or other proper entry, the
remaining balance of any asset classified "Loss" and 50 percent of those assets classified
"Doubtful" unless otherwise approved in writing by the Supervisory Authorities. If an asset is
classified “Doubtful”, the Bank may, in the alternative, charge off the amount that is considered
uncollectible in accordance with the Bank’s written analysis of loan or lease impairment.

CLASSIFIED ASSET REDUCTION

7. (a) Within 60 days from the effective date of this ORDER, the Bank shall formulate a
written plan to reduce the Bank’s risk exposure in relationships with assets in excess of $500,000
classified as “Substandard” or “Doubtful” in the Report. For purposes of this paragraph,
“reduce” means to collect, charge off, or improve the quality of an asset so as to warrant its
removal from adverse classification by the Supervisory Authorities. In developing the plan
mandated by this paragraph, the Bank shall, at a minimum, and with respect to each adversely
classified loan or lease, review, analyze, and document the financial position of the borrower,
including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(b) In addition, the written plan mandated by this paragraph shall also include, but not be limited to, the following:

(i) a schedule for reducing the outstanding dollar amount of each adversely classified asset, including timeframes for achieving the reduced dollar amounts (at a minimum, the schedule for each adversely classified asset must show its expected dollar balance on a quarterly basis);

(ii) specific action plans intended to reduce the Bank’s risk exposure in each classified asset;

(iii) a schedule showing, on a quarterly basis, the expected consolidated balance of all adversely classified assets, and the ratio of the consolidated balance to the Bank’s projected Tier 1 capital plus the ALLL;

(iv) a provision for the Bank’s submission of monthly written progress reports to its Board; and

(v) a provision mandating Board review of the progress reports, with a notation of the review recorded in the Board minutes.

(c) The requirements of this paragraph do not represent standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets.

(d) Within 60 days from the effective date of this ORDER, the Bank shall submit the written reduction plan to the Supervisory Authorities. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended
changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the meeting of the Board. The Bank shall implement and fully comply with the plan. Such plans shall be monitored and progress reports thereon shall be submitted to the Supervisory Authorities at 90-day intervals concurrently with the other reporting requirements set forth in this ORDER.

**NO ADDITIONAL CREDIT**

8. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing credit already extended to a borrower after full collection, in cash, of interest due from the borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard."

(c) The limitations on additional credit in Paragraph 8(b) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extension of any additional credit pursuant to this paragraph, either in the form of an extension or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing that:
(i) The failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, including an explanatory statement of why it would be detrimental to the Bank's best interests;

(ii) The Bank's position would be improved thereby, including an explanatory statement of how the Bank's position would be improved; and

(iii) An appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(d) The signed certification shall be made a part of the meeting minutes of the Board or its designated committee and a copy of the signed certification shall be retained in the borrower's credit file.

(e) Any additional extensions of credit to classified borrowers made under this provision shall be reported at 90-day intervals with the other reporting requirements set forth in this ORDER. At a minimum, the 90-day reports shall include the name of the classified borrower, the amount of additional credit extended, and the total outstanding balance of credit extended to the classified borrower.

CONCENTRATIONS OF CREDIT

9. (a) Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the concentrations of credit listed on the Concentrations page(s) of the Report. The analysis should incorporate applicable guidance set forth in Guidance on Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices, FIL-104-2006 (Dec. 12, 2006). Concentrations should be identified by
product type, geographic distribution, underlying collateral, or other asset groups which are considered economically related, and in the aggregate represent a large portion of the Bank's Tier 1 Capital. A copy of this analysis shall be provided to the Supervisory Authorities. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(b) Within 60 days from the effective date of this ORDER, the Bank shall develop and submit for review a written plan for systematically reducing and monitoring the Bank's Commercial Real Estate ("CRE") Loans concentration of credit identified in the Report to an amount which is commensurate with the Bank's business strategy, management expertise, size, and location ("Concentration Reduction Plan").

(c) The Concentration Reduction Plan shall comply with applicable guidance referenced in Guidance on Concentrations in Commercial Real Estate Lending, Sound Risk Management Practices, FIL-104-2006 (Dec. 12, 2006), and Managing Commercial Real Estate Concentrations in a Challenging Environment, FIL-22-2008 (Mar. 17, 2008). The Concentration Reduction Plan shall include, but not be limited to:

(i) Dollar levels and percent of Tier 1 Capital to which the Bank shall reduce each concentration;

(ii) Timeframes for achieving the reduction in dollar levels in response to the subparagraph, above;

(iii) Provisions for controlling and monitoring of CRE, including plans to address the rationale for CRE levels as they relate to growth and capital targets, segmentation,
and testing of the CRE portfolio to detect and limit concentrations with similar risk characteristics; and

(iv) Provisions for the submission of monthly written progress reports to the Board for review and notation in minutes of the Board meetings.

(d) The Concentration Reduction Plan shall be submitted to the Supervisory Authorities. Within 30 days from receipt of any comments from the Supervisory Authorities, and after incorporation and adoption of all comments, the Board shall approve the Concentration Reduction Plan, which approval shall be recorded in the Board meeting minutes. Thereafter, the Bank shall implement and fully comply with the Concentration Reduction Plan.

**LOAN REVIEW**

10. Within 30 days from the effective date of this ORDER, the Bank shall adopt an effective internal loan review and grading system to provide for the periodic review of the Bank's loan portfolio in order to identify and categorize the Bank's loans, and other extensions of credit which are carried on the Bank's books as loans, on the basis of credit quality. Such system and its implementation shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

**BUDGET**

11. (a) Within 60 days from the effective date of this ORDER, the Bank shall implement a written plan and a comprehensive budget for all categories of income and expense for the calendar year ending in 2011. The plan and budget required by this paragraph shall include formal goals and strategies, consistent with sound banking practices, and take into account the Bank's other written policies in order to improve the Bank's net interest margin, increase interest
income, reduce discretionary expenses, control overhead, and improve and sustain earnings of
the Bank. The plan shall include a description of the operating assumptions that form the basis
for, and adequately support, major projected income and expense components. Thereafter, the
Bank shall formulate such a plan and budget by November 30 of each subsequent year and
submit the plan and budget to the Supervisory Authorities for review and comment by December
15 of each subsequent year. The plan and budget required by this ORDER shall be acceptable to
the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(b) On a monthly basis, the Board shall evaluate the Bank's actual performance in
relation to the plan and budget required by this ORDER and shall record the results of the
evaluation, and any actions taken by the Bank, in the minutes of the Board meeting at which
such evaluation is undertaken. The actual performance compared to the budget shall be
submitted to the Supervisory Authorities with the quarterly progress reports required by this
ORDER.

BROKERED DEPOSITS

12. Throughout the effective life of this ORDER, the Bank shall not accept, renew, or
rollover any brokered deposit, as defined in 12 C.F.R. § 337.6(a)(2), unless it is in compliance
with the requirements of 12 C.F.R. § 337.6(b), which governs the solicitation and acceptance of
brokered deposits by insured depository institutions. The Bank shall comply with the restrictions
on the effective yields on deposits as described in 12 C.F.R. § 337.6.

RESTRICTIONS OF CERTAIN PAYMENTS

13. (a) While this ORDER is in effect, the Bank shall not declare or pay dividends,
bonuses, or make any other form of payment outside the ordinary course of business resulting in
a reduction of capital, without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend or bonus payment declaration date (or at least 5 days with respect to any request filed within the first 30 days from the date of this ORDER) and shall contain, but not be limited to, an analysis of the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

(b) During the term of this ORDER, the Bank shall not make any distributions of interest, principal or other sums on subordinated debentures, if any, without the prior written approval of the Supervisory Authorities.

PROGRESS REPORTS

14. Within 30 days from the end of the first quarter following the effective date of this ORDER, and within 30 days from the end of each quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form and manner of any actions taken to secure compliance with this ORDER and the results thereof. Such reports shall include a copy of the Bank's Consolidated Reports of Condition and of Income. Such reports may be discontinued when the corrections required by this ORDER have been accomplished and the Supervisory Authorities have released the Bank in writing from making further reports. All progress reports and other written responses to this ORDER shall be reviewed by the Board and made a part of the appropriate Board meeting minutes.
SHAREHOLDER DISCLOSURE

15. Following the effective date of this ORDER, the Bank shall send to its shareholders or otherwise furnish a description of this ORDER in conjunction with its notice or proxy statement preceding the Bank’s next shareholder meeting or in conjunction with its next shareholder communication. The description shall fully describe the ORDER in all material respects. The description and any accompanying communication, statement, or notice shall be sent to the FDIC, Division of Risk Management and Supervision, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room MB-5073, Washington, D.C. 20429 and the Commissioner, 1205 Pendleton St., Suite 305, Columbia, SC 29201 at least fifteen (15) days prior to dissemination to shareholders. Any changes requested to be made by the Supervisory Authorities shall be made prior to the dissemination of the description, communication, notice, or statement.

OTHER ACTIONS

16. The provisions of this ORDER shall not bar, estop, or otherwise prevent the Supervisory Authorities, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank’s current or former institution-affiliated parties.
This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.

The provisions of this ORDER shall remain effective and enforceable except to the extent that and until such time as any provision has been modified, terminated, suspended, or set aside in writing.
