2013 Fall Workshop Series for Business *Money Smart for Small Business*

Coastal Community Capital and The Cape Cod Five Cents Savings Bank are partnering to offer *Money Smart for Small Business*, a workshop series created by the Federal Deposit Insurance Corporation and the Small Business Administration. This series will help you run your small business smarter, faster, and safer. It will also give you the skills needed to master previously hard-to-understand business topics.

October 3

Banking Services & Financing for Small Business

Identify the advantages of various banking services and learn which ones are best for your business.

October 10

Record Keeping & Tax Planning for Small Business

An overview of how the proper record keeping and tax planning can benefit and affect your business.

October 17

Financial Management for Small Business

Learn best financial and accounting practices for a more efficient organization.

October 24

Managing Your Credit

Explain the concept of credit reporting and the impact it has on the operation and growth of your business.

October 31 Time Management & HR Strategies

Strategies for how to hire (and fire) and everything you need to be doing as a small business.

November 7 Risk Management & Insurance for Small Business

Implement, monitor, and evaluate your risk management plan and find out what type of insurance is the best for your small business.

November 14 Organizational Types & Considerations for Small Business

Identify general characteristics, advantages, and disadvantages of each organizational type for small business.

November 21 Organize Your Finances With QuickBooks

Run your business better with financial software.
